STATE OF NEW YORK

8713

IN SENATE

July 10, 2020

Introduced by Sen. KAMINSKY -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the vehicle and traffic law, in relation to authorizing a residential parking system in certain parts of the hamlet of Oceanside in the Town of Hempstead

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Legislative findings and intent. The legislature finds that 2 there is a shortage of parking for residents of a section of Oceanside in the town of Hempstead that has resulted in traffic hazards, 4 congestion, and air pollution. In addition, such lack of parking poses a 5 hazard to residents and other pedestrians in this area. The Mount Sinai South Nassau Hospital has expanded greatly in size in recent years to 7 become one of the largest hospitals in the region, and yet its parking facility has not kept pace with the demand for parking at that institution. Consequently, many of the staff and visitors to the hospital instead park on the streets of the nearby residential community of 10 11 Oceanside. In addition to the greater traffic volume, congestion and 12 associated problems, the resulting lack of parking for residents has 13 resulted in traffic hazards, air pollution, and increased litter, 14 including medical waste. The legislature finds that a residential parking system in this section of Oceanside will reduce such hazards and 15 16 will lower pollution levels as well. The legislature, therefore, 17 declares the necessity of this act to authorize the town of Hempstead to 18 adopt a residential parking permit system in accordance with the 19 provisions of this act.

- § 2. Subdivision 2 of section 1662-e of the vehicle and traffic law, 21 as added by chapter 267 of the laws of 2013, is amended to read as follows:
 - 2. Such residential parking permit system may only be established
- 24 (i) within the area known as East Meadow of the town consisting of the 25 following roadways:
