5 last section of such Part. Any provision in any section contained within  
6 a Part, including the effective date of the Part, which makes reference  
7 to a section "of this act", when used in connection with that particular

## PART B

Section 1. Subdivision 1 of section 3006 of the education law is amended by adding a new paragraph f to read as follows:

f. An alternative placement certificate to any person:

(1) Who meets the eligibility requirements of the troops for teachers program operated by the United States department of defense and managed by the defense activity for non-traditional education support organization; and

§ 2. The education law is amended by adding a new section 3008-a to read as follows:

§ 3008-a. Alternative teaching certification. 1. 2. Notwithstanding any provision of law to the contrary, teachers issued an alternative teaching certification pursuant to this section shall participate in the mentoring program provided by the alternative teacher certification organization as set forth in subdivision three of this section. Upon successful completion of such mentoring program, completion of the application and payment of the certification fee as set forth in section three thousand six of this article or as prescribed by the commissioner, the commissioner shall issue the teacher a certificate to teach.

3. For purposes of this section, the commissioner shall identify an alternative teacher certification organization that was founded with grant funding from the United States department of education and that developed pursuant to the passport to teaching program administered by the American board for certification of teacher excellence. The organization shall require candidates to hold a bachelor's degree, pass a professional teaching knowledge exam, pass a subject area exam and pass a background check. The organization shall provide candidates with access to workshops, an experienced teacher-advisor and optional access to comprehensive subject matter refresher courses. The organization shall also provide an intensive mentoring and induction program.

## PART C

Section 1. The education law is amended by adding a new section 6912 to read as follows:

§ 6912. Interstate nurse licensure compact. 1. The interstate nurse licensure compact is hereby enacted into law and entered into with all jurisdictions legally joining therein in the form substantially as follows:

INTERSTATE NURSE LICENSURE COMPACT

ARTICLE I.

Findings and Declaration of Purpose

(a) The party states find that:

(1) The health and safety of the public are affected by the degree of compliance with and the effectiveness of enforcement activities related to state nurse licensure laws;

(2) Violations of nurse licensure and other laws regulating the practice of nursing may result in injury or harm to the public;

(3) The expanded mobility of nurses and the use of advanced communication technologies as part of our nation's healthcare delivery system require greater coordination and cooperation among states in the areas of nurse licensure and regulation;

(4) New practice modalities and technology make compliance with individual state nurse licensure laws difficult and complex; and

(5) The current system of duplicative licensure for nurses practicing in multiple states is cumbersome and redundant to both nurses and states.

(b) The general purposes of this Compact are to:

(1) Facilitate the states' responsibility to protect the public's health and safety;

(2) Ensure and encourage the cooperation of party states in the areas of nurse licensure and regulation;

(3) Facilitate the exchange of information between party states in the areas of nurse regulation, investigation, and adverse actions;

(4) Promote compliance with the laws governing the practice of nursing in each jurisdiction; and

(5) Invest all party states with the authority to hold a nurse accountable for meeting all state practice laws in the state in which the patient is located at the time care is rendered through the mutual recognition of party state licenses.

ARTICLE II.

Definitions

As used in this Compact:

(a) "Adverse action" means a home or remote state action.

(b) "Alternative program" means a voluntary, non-disciplinary monitoring program approved by a nurse licensing board.

(c) "Coordinated licensure information system" means an integrated process for collecting, storing, and sharing information on nurse licensure and enforcement activities related to nurse licensure laws, which is administered by a non-profit organization composed of and controlled by state nurse licensing boards.

(d) "Current significant investigative information" means:

(1) Investigative information that a licensing board, after a preliminary inquiry that includes notification and an opportunity for the nurse to respond if required by state law, has reason to believe is not

1 groundless and, if proved true, would indicate more than a minor infrac-  
2 tion; or

3 (2) Investigative information that indicates that the nurse represents  
4 an immediate threat to public health and safety regardless of whether  
5 the nurse has been notified and had an opportunity to respond.

6 (e) "Home state" means the party state which is the nurse's primary  
7 state of residence.

8 (f) "Home state action" means any administrative, civil, equitable or  
9 criminal action permitted by the home state's laws which are imposed on  
10 a nurse by the home state's licensing board or other authority including  
11 actions against an individual's license such as: revocation, suspension,  
12 probation or any other action which affects the nurse's authorization to  
13 practice.

14 (g) "Licensing board" means a party state's regulatory body responsi-  
15 ble for issuing nurse licenses.

16 (h) "Multistate licensure privilege" means current, official authority  
17 from a remote state permitting the practice of nursing as either a  
18 registered nurse or a licensed practical/vocational nurse in such party  
19 state. All party states have the authority, in accordance with existing  
20 state due process law, to take actions against the nurse's privilege  
21 such as: revocation, suspension, probation or any other action which  
22 affects a nurse's authorization to practice.

23 (i) "Nurse" means a registered nurse or licensed practical/vocational  
24 nurse, as those terms are defined by each party's state practice laws.

25 (j) "Party state" means any state that has adopted this Compact.

26 (k) "Remote state" means a party state, other than the home state,

27 (1) Where the patient is located at the time nursing care is provided,  
28 or

29 (2) In the case of the practice of nursing not involving a patient, in  
30 such party state where the recipient of nursing practice is located.

31 (l) "Remote state action" means

32 (1) Any administrative, civil, equitable or criminal action permitted  
33 by a remote state's laws which are imposed on a nurse by the remote  
34 state's licensing board or other authority including actions against an  
35 individual's multistate licensure privilege to practice in the remote  
36 state, and

37 (2) Cease and desist and other injunctive or equitable orders issued  
38 by remote states or the licensing boards thereof.

39 (m) "State" means a state, territory or possession of the United  
40 States, the District of Columbia or the Commonwealth of Puerto Rico.

41 (n) "State practice laws" means those individual party state's laws  
42 and regulations that govern the practice of nursing, define the scope of  
43 nursing practice, and create the methods and grounds for imposing disci-  
44 pline. "State practice laws" does not include the initial qualifications  
45 for licensure or requirements necessary to obtain and retain a license,  
46 except for qualifications or requirements of the home state.

### 47 ARTICLE III.

#### 48 General Provisions and Jurisdiction

49 (a) A license to practice registered nursing issued by a home state to  
50 a resident in that state will be recognized by each party state as  
51 authorizing a multistate licensure privilege to practice as a registered  
52 nurse in such party state. A license to practice licensed  
53 practical/vocational nursing issued by a home state to a resident in  
54 that state will be recognized by each party state as authorizing a

1 multistate licensure privilege to practice as a licensed  
2 practical/vocational nurse in such party state. In order to obtain or  
3 retain a license, an applicant must meet the home state's qualifications  
4 for licensure and license renewal as well as all other applicable state  
5 laws.

6 (b) Party states may, in accordance with state due process laws, limit  
7 or revoke the multistate licensure privilege of any nurse to practice in  
8 their state and may take any other actions under their applicable state  
9 laws necessary to protect the health and safety of their citizens. If a  
10 party state takes such action, it shall promptly notify the administra-  
11 tor of the coordinated licensure information system. The administrator  
12 of the coordinated licensure information system shall promptly notify  
13 the home state of any such actions by remote states.

14 (c) Every nurse practicing in a party state must comply with the state  
15 practice laws of the state in which the patient is located at the time  
16 care is rendered. In addition, the practice of nursing is not limited  
17 to patient care, but shall include all nursing practice as defined by  
18 the state practice laws of a party state. The practice of nursing will  
19 subject a nurse to the jurisdiction of the nurse licensing board and the  
20 courts, as well as the laws, in that party state.

21 (d) This Compact does not affect additional requirements imposed by  
22 states for advanced practice registered nursing. However, a multistate  
23 licensure privilege to practice registered nursing granted by a party  
24 state shall be recognized by other party states as a license to practice  
25 registered nursing if one is required by state law as a precondition for  
26 qualifying for advanced practice registered nurse authorization.

27 (e) Individuals not residing in a party state shall continue to be  
28 able to apply for nurse licensure as provided for under the laws of each  
29 party state. However, the license granted to these individuals will not  
30 be recognized as granting the privilege to practice nursing in any other  
31 party state unless explicitly agreed to by that party state.

#### 32 ARTICLE IV.

#### 33 Applications for Licensure in a Party State

34 (a) Upon application for a license, the licensing board in a party  
35 state shall ascertain, through the coordinated licensure information  
36 system, whether the applicant has ever held, or is the holder of, a  
37 license issued by any other state, whether there are any restrictions on  
38 the multistate licensure privilege, and whether any other adverse action  
39 by any state has been taken against the license.

40 (b) A nurse in a party state shall hold licensure in only one party  
41 state at a time issued by the home state.

42 (c) A nurse who intends to change primary state of residence may apply  
43 for licensure in the new home state in advance of such change. However,  
44 new licenses will not be issued by a party state until after a nurse  
45 provides evidence of change in primary state of residence satisfactory  
46 to the new home state's licensing board.

47 (d) When a nurse changes primary state of residence by:

48 (1) Moving between two party states, and obtains a license from the  
49 new home state, the license from the former home state is no longer  
50 valid;

51 (2) Moving from a non-party state to a party state, and obtains a  
52 license from the new home state, the individual state license issued by  
53 the non-party state is not affected and will remain in full force if so  
54 provided by the laws of the non-party state;

(3) Moving from a party state to a non-party state, the license issued by the prior home state converts to an individual state license, valid only in the former home state, without the multistate licensure privilege to practice in other party states.

ARTICLE V.  
Adverse Actions

In addition to the General Provisions described in Article III, the following provisions apply:

(a) The licensing board of a remote state shall promptly report to the administrator of the coordinated licensure information system any remote state actions including the factual and legal basis for such action, if known. The licensing board of a remote state shall also promptly report any significant current investigative information yet to result in a remote state action. The administrator of the coordinated licensure information system shall promptly notify the home state of any such reports.

(b) The licensing board of a party state shall have the authority to complete any pending investigations for a nurse who changes primary state of residence during the course of such investigations. It shall also have the authority to take appropriate action or actions, and shall promptly report the conclusions of such investigations to the administrator of the coordinated licensure information system. The administrator of the coordinated licensure information system shall promptly notify the new home state of any such actions.

(c) A remote state may take adverse action affecting the multistate licensure privilege to practice within that party state. However, only the home state shall have the power to impose adverse action against the license issued by the home state.

(d) For purposes of imposing adverse action, the licensing board of the home state shall give the same priority and effect to reported conduct received from a remote state as it would if such conduct had occurred within the home state. In so doing, it shall apply its own state laws to determine appropriate action.

(e) The home state may take adverse action based on the factual findings of the remote state, so long as each state follows its own procedures for imposing such adverse action.

(f) Nothing in this Compact shall override a party state's decision that participation in an alternative program may be used in lieu of licensure action and that such participation shall remain non-public if required by the party state's laws. Party states must require nurses who enter any alternative programs to agree not to practice in any other party state during the term of the alternative program without prior authorization from such other party state.

ARTICLE VI.  
Additional Authorities Invested in Party State Nurse Licensing Boards

Notwithstanding any other powers, party state nurse licensing boards shall have the authority to:

(a) If otherwise permitted by state law, recover from the affected nurse the costs of investigations and disposition of cases resulting from any adverse action taken against that nurse;

(b) Issue subpoenas for both hearings and investigations which require the attendance and testimony of witnesses, and the production of

1 evidence. Subpoenas issued by a nurse licensing board in a party state  
2 for the attendance and testimony of witnesses, and/or the production of  
3 evidence from another party state, shall be enforced in the latter state  
4 by any court of competent jurisdiction, according to the practice and  
5 procedure of that court applicable to subpoenas issued in proceedings  
6 pending before it. The issuing authority shall pay any witness fees,  
7 travel expenses, mileage and other fees required by the service statutes  
8 of the state where the witnesses and/or evidence are located.

9 (c) Issue cease and desist orders to limit or revoke a nurse's author-  
10 ity to practice in their state;

11 (d) Promulgate uniform rules and regulations as provided for in Arti-  
12 cle VIII(c).

#### 13 ARTICLE VII.

#### 14 Coordinated Licensure Information System

15 (a) All party states shall participate in a cooperative effort to  
16 create a coordinated data base of all licensed registered nurses and  
17 licensed practical/vocational nurses. This system shall include informa-  
18 tion on the licensure and disciplinary history of each nurse, as  
19 contributed by party states, to assist in the coordination of nurse  
20 licensure and enforcement efforts.

21 (b) Notwithstanding any other provision of law, all party states'  
22 licensing boards shall promptly report adverse actions, actions against  
23 multistate licensure privileges, any current significant investigative  
24 information yet to result in adverse action, denials of applications,  
25 and the reasons for such denials, to the coordinated licensure informa-  
26 tion system.

27 (c) Current significant investigative information shall be transmitted  
28 through the coordinated licensure information system only to party state  
29 licensing boards.

30 (d) Notwithstanding any other provision of law, all party states'  
31 licensing boards contributing information to the coordinated licensure  
32 information system may designate information that may not be shared with  
33 non-party states or disclosed to other entities or individuals without  
34 the express permission of the contributing state.

35 (e) Any personally identifiable information obtained by a party  
36 state's licensing board from the coordinated licensure information  
37 system may not be shared with non-party states or disclosed to other  
38 entities or individuals except to the extent permitted by the laws of  
39 the party state contributing the information.

40 (f) Any information contributed to the coordinated licensure informa-  
41 tion system that is subsequently required to be expunged by the laws of  
42 the party state contributing that information, shall also be expunged  
43 from the coordinated licensure information system.

44 (g) The Compact administrators, acting jointly with each other and in  
45 consultation with the administrator of the coordinated licensure infor-  
46 mation system, shall formulate necessary and proper procedures for the  
47 identification, collection and exchange of information under this  
48 Compact.

#### 49 ARTICLE VIII.

#### 50 Compact Administration and Interchange of Information

1 (a) The head of the nurse licensing board, or his or her designee, of  
2 each party state shall be the administrator of this Compact for his or  
3 her state.

4 (b) The Compact administrator of each party state shall furnish to the  
5 Compact administrator of each other party state any information and  
6 documents including, but not limited to, a uniform data set of investi-  
7 gations, identifying information, licensure data and disclosable alter-  
8 native program participation information to facilitate the adminis-  
9 tration of this Compact.

10 (c) Compact administrators shall have the authority to develop uniform  
11 rules to facilitate and coordinate implementation of this Compact. These  
12 uniform rules shall be adopted by party states, under the authority  
13 invested under Article VI(d).

#### 14 ARTICLE IX.

##### 15 Immunity

16 No party state or the officers or employees or agents of a party  
17 state's nurse licensing board who acts in accordance with the provisions  
18 of this Compact shall be liable on account of any act or omission in  
19 good faith while engaged in the performance of their duties under this  
20 Compact. Good faith in this article shall not include willful miscon-  
21 duct, gross negligence or recklessness.

#### 22 ARTICLE X.

##### 23 Entry into Force, Withdrawal, and Amendment

24 (a) This Compact shall enter into force and become effective as to any  
25 state when it has been enacted into the laws of that state. Any party  
26 state may withdraw from this Compact by enacting a statute repealing the  
27 same, but no such withdrawal shall take effect until six months after  
28 the withdrawing state has given notice of the withdrawal to the execu-  
29 tive heads of all other party states.

30 (b) No withdrawal shall affect the validity or applicability by the  
31 licensing boards of states remaining party to the Compact of any report  
32 of adverse action occurring prior to the withdrawal.

33 (c) Nothing contained in this Compact shall be construed to invalidate  
34 or prevent any nurse licensure agreement or other cooperative arrange-  
35 ment between a party state and a non-party state that is made in accord-  
36 ance with the other provisions of this Compact.

37 (d) This Compact may be amended by the party states. No amendment to  
38 this Compact shall become effective and binding upon the party states  
39 unless and until it is enacted into the laws of all party states.

#### 40 ARTICLE XI.

##### 41 Construction and Severability

42 1. (a) This Compact shall be liberally construed so as to effectuate  
43 the purposes thereof. The provisions of this Compact shall be severable  
44 and if any phrase, clause, sentence or provision of this Compact is  
45 declared to be contrary to the constitution of any party state or of the  
46 United States or the applicability thereof to any government, agency,  
47 person or circumstance is held invalid, the validity of the remainder of  
48 this Compact and the applicability thereof to any government, agency,  
49 person or circumstance shall not be affected thereby. If this Compact  
50 shall be held contrary to the constitution of any state party thereto,

1 the Compact shall remain in full force and effect as to the remaining  
2 party states and in full force and effect as to the party state affected  
3 as to all severable matters.

4 (b) In the event party states find a need for settling disputes aris-  
5 ing under this Compact:

6 (1) The party states may submit the issues in dispute to an arbi-  
7 tration panel which will be comprised of an individual appointed by the  
8 Compact administrator in the home state; an individual appointed by the  
9 Compact administrator in the remote state or states involved; and an  
10 individual mutually agreed upon by the Compact administrators of all the  
11 party states involved in the dispute.

12 (2) The decision of a majority of the arbitrators shall be final and  
13 binding.

14 2. For the purposes of the Compact set forth in subdivision one of  
15 this section the "head of the nurse licensing board" for this state  
16 shall be the secretary to the state board for nursing.

17 3. To facilitate cross-state enforcement efforts, this state shall  
18 have the power to recover from the affected nurse the costs of investi-  
19 gations and disposition of cases resulting from adverse actions taken by  
20 this state against that nurse.

21 4. This Compact is designed to facilitate the regulation of nurses and  
22 does not relieve employers from complying with obligations imposed by  
23 law or regulation.

24 5. This Compact does not supersede existing labor laws.

25 6. To facilitate workforce planning, the commissioner is authorized to  
26 collect employment data on nurses practicing on the multistate privilege  
27 in the nurse licensure compact provided that the submission of this data  
28 is not a requirement for practice under the multistate privilege.

29 § 2. This act shall take effect on the ninetieth day after it shall  
30 have become a law. Effective immediately, the addition, amendment and/or  
31 repeal of any rule or regulation necessary for the implementation of  
32 this act on its effective date are authorized to be made and completed  
33 on or before such effective date.

#### 34 PART D

35 Section 1. The general business law is amended by adding a new arti-  
36 cle 2-A to read as follows:

##### 37 ARTICLE 2-A

##### 38 ADMISSION TO A PROFESSION

39 Section 20. Admission to a profession; licensing, certification or  
40 registration.

41 § 20. Admission to a profession; licensing, certification or registra-  
42 tion. Admission to practice of a profession governed by this chapter in  
43 this state is accomplished, where required, by a license, certification  
44 or certificate of registration being issued to a qualified applicant by  
45 the secretary of state. To qualify for a license, certification or  
46 certificate of registration an applicant shall meet the requirements  
47 prescribed in the article for the particular profession and shall meet  
48 the requirements prescribed in section 3-503 of the general obligations  
49 law; provided that, notwithstanding any provision of the law to the  
50 contrary, any applicant who is the spouse of a member of the armed forc-  
51 es of the United States, national guard or reserves may submit satisfac-  
52 tory evidence of licensure, certification or registration to practice an  
53 equivalent occupation issued by any other state, territory, protectorate  
54 or dependency of the United States in lieu of the submissions required

1 by the article of this chapter for the particular profession, provided  
2 that such license, certification or certificate of registration was  
3 granted in compliance with standards which were, in the judgment of the  
4 secretary, not lower than those of this state.

5 § 2. Subsection (d) of section 2136 of the insurance law, as added by  
6 chapter 687 of the laws of 2003, is amended to read as follows:

7 (d) (1) the applicant's home state awards nonresident insurance  
8 producer licenses to residents of this state on the same basis as  
9 provided in this subsection; or

10 (2) the applicant is the spouse of a member of the armed forces of the  
11 United States, national guard or reserves.

12 § 3. Section 442-g of the real property law is amended by adding a new  
13 subdivision 1-a to read as follows:

14 1-a. No nonresident applicant who is the spouse of a member of the  
15 armed forces of the United States, national guard, or reserves regularly  
16 engaged in the real estate business as a vocation, who maintains a defi-  
17 nite place of business and is licensed by any other state, territory,  
18 protectorate or dependency of the United States, shall be required to  
19 maintain a place of business within this state. The commission shall  
20 recognize the license issued by another state to an applicant who is the  
21 spouse of a member of the armed forces of the United States, national  
22 guard, or reserves as qualification for a license in New York, provided  
23 that such license was granted in compliance with standards which were,  
24 in the judgment of the secretary, not lower than those of this state.

25 § 4. Section 444-e of the real property law is amended by adding a new  
26 subdivision 2-a to read as follows:

27 2-a. Any applicant for a license who is a spouse of a member of the  
28 armed forces of the United States, national guard or reserves may submit  
29 satisfactory evidence of licensure to practice an equivalent occupation  
30 issued by any other state, territory, protectorate or dependency of the  
31 United States in lieu of the evidence of education, experience and exam-  
32 ination required by subdivision one of this section, provided that such  
33 license was granted in compliance with standards which were, in the  
34 judgment of the secretary, not lower than those of this state.

35 § 5. This act shall take effect on the ninetieth day after it shall  
36 have become a law. Effective immediately, the addition, amendment and/or  
37 repeal of any rule or regulation necessary for the implementation of  
38 this act on its effective date are authorized to be made and completed  
39 on or before such effective date.

40 § 2. Severability clause. If any clause, sentence, paragraph, subdivi-  
41 sion, section or part of this act shall be adjudged by any court of  
42 competent jurisdiction to be invalid, such judgment shall not affect,  
43 impair, or invalidate the remainder thereof, but shall be confined in  
44 its operation to the clause, sentence, paragraph, subdivision, section  
45 or part thereof directly involved in the controversy in which such judg-  
46 ment shall have been rendered. It is hereby declared to be the intent of  
47 the legislature that this act would have been enacted even if such  
48 invalid provisions had not been included herein.

49 § 3. This act shall take effect immediately; provided, however, that  
50 the applicable effective date of Parts A through D of this act shall be  
51 as specifically set forth in the last section of such Parts.
