The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The retirement and social security law is amended by adding
2 a new section 605-f to read as follows:

3 § 605-f. Accidental disability retirement for fire protection special-
4 ists. a. A member employed as a fire protection specialist I, fire
5 protection specialist II or fire protection specialist III shall be
6 entitled to an accidental disability retirement allowance if, at the
7 time application therefor is filed, such member is:

8 1. Physically or mentally incapacitated for performance of duty as the
9 natural and proximate result of an accident, unless the contrary be
10 proved by competent evidence, not caused by his or her own willful
11 negligence, sustained in such service and while actually a member of the
12 retirement system; and

13 2. Actually in service upon which his or her membership is based.
14 However, in a case where a member is discontinued from service subse-
15 quent to the accident, either voluntarily or involuntarily, and provided
16 that the member meets the requirements of paragraph one of this subdivi-
17 sion, application may be made not later than two years after the member
18 is first discontinued from service.

19 b. Application for an accidental disability retirement allowance for

2 within ninety days after the accident, setting forth:

- 3 (a) The time when and the place where such accident occurred; and
4 (b) The particulars thereof; and
5 (c) The nature and extent of the member's injuries; and
6 (d) His or her alleged incapacity.

7 2. The notice herein required need not be given:

8 (a) If the notice of such accident shall be filed in accordance with
9 the provisions of the workers' compensation law of any state within
10 which a participating employer in New York State shall have its employ-
11 ees located or performing functions and duties within the normal scope
12 of their employment; or

13 (b) If the application for accidental disability retirement is filed

16 as provided by rules and regulations promulgated by the comptroller.

17 d. If the comptroller determines that the member is physically or

24 provisions of section sixty-four of this chapter.

25 f. If the member, at the time of the filing of an application under
26 the provisions of subdivision b of this section, is eligible for a
27 service retirement benefit, then and in that event, he or she may simul-

29 the provisions of section seventy of this chapter, provided that the
30 member indicates on the application for service retirement that such
31 application is filed without prejudice to the application for accidental
32 disability retirement.

33 g. Notwithstanding any other provision of law, this section shall
34 apply to fire protection specialists I, fire protection specialists II
35 and fire protection specialists III who were hired on or after July
36 twenty-seventh, nineteen hundred seventy-six.

37 § 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This proposal will allow State employees in civil service job titles fire protection specialist 1, 2, or 3, to be eligible to receive an accidental disability benefit of three-quarters of final average salary, less worker's compensation. Currently, such members are eligible for a benefit of one-third of final average salary in the event of an accidental or ordinary disability.

If this legislation is enacted during the 2020 legislative session, we anticipate that there will be an increase in the annual contributions of the State of New York of approximately \$68,000 for the fiscal year ending March 31, 2021. In future years, this cost will vary as the billing rates and salary of the covered members change.

In addition to the annual contributions discussed above, it is estimated that there will be a past service cost of approximately \$163,000 which will be borne by the State of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2021.

This fiscal note relies upon job title codes provided by the office of Assemblyman Peter J. Abbate, Jr. Based on this information, this

proposal is expected to cover 138 active members earning a salary of approximately \$10.5 million as of March 31, 2019. If subsequent to the release of this estimate additional members are determined to be covered, all costs to the State of New York are expected to increase.
