Under the "prepaid" system, funds may be deposited into an account in order to pay for station-to-station calls, provided that nothing in this subdivision shall require the department to provide or administer a prepaid system. b. The department shall make available a "prepaid" system for electronic mail service. Under the "prepaid" system, funds may be deposited into an account in order to pay for additional electronic mail pursuant to subdivision three of this section, provided that nothing in this subdivision shall require the department to provide or administer a prepaid system.
