49 system; provided however that no owner of a vehicle shall be liable for
50 a penalty imposed pursuant to this section where the operator of such
51 vehicle has been convicted of the underlying violation of subdivision
52 (d) of section eleven hundred eleven of this article.

53 (c) For purposes of this section, "owner" shall have the meaning
54 provided in article two-B of this chapter. For purposes of this section,
55 "traffic-control signal photo violation-monitoring system" shall mean a
56 vehicle sensor installed to work in conjunction with a traffic-control

1 signal which automatically produces two or more photographs, two or more
2 microphotographs, a videotape or other recorded images of each vehicle
3 at the time it is used or operated in violation of subdivision (d) of
4 section eleven hundred eleven of this article.

5 (d) A certificate, sworn to or affirmed by a technician employed by
6 the village of Pelham Manor in which the charged violation occurred, or
7 a facsimile thereof, based upon inspection of photographs, microphoto-
8 graphs, videotape or other recorded images produced by a traffic-control
9 signal photo violation-monitoring system, shall be prima facie evidence
10 of the facts contained therein. Any photographs, microphotographs,
11 videotape or other recorded images evidencing such a violation shall be
12 available for inspection in any proceeding to adjudicate the liability
13 for such violation pursuant to a local law or ordinance adopted pursuant
14 to this section.

15 (e) An owner liable for a violation of subdivision (d) of section
16 eleven hundred eleven of this article pursuant to a local law or ordi-
17 nance adopted pursuant to this section shall be liable for monetary
18 penalties in accordance with a schedule of fines and penalties to be set
19 forth in such local law or ordinance. The liability of the owner pursu-
20 ant to this section shall not exceed fifty dollars for each violation;
21 provided, however, that such local law or ordinance may provide for an
22 additional penalty not in excess of twenty-five dollars for each
23 violation for the failure to respond to a notice of liability within the
24 prescribed time period.

25 (f) An imposition of liability under a local law or ordinance adopted
26 pursuant to this section shall not be deemed a conviction as an operator
27 and shall not be made part of the operating record of the person upon
28 whom such liability is imposed nor shall it be used for insurance
29 purposes in the provision of motor vehicle insurance coverage.

30 (g) 1. A notice of liability shall be sent by first class mail to each
31 person alleged to be liable as an owner for a violation of subdivision
32 (d) of section eleven hundred eleven of this article pursuant to this
33 section. Personal delivery on the owner shall not be required. A manual
34 or automatic record of mailing prepared in the ordinary course of busi-
35 ness shall be prima facie evidence of the facts contained therein.

36 2. A notice of liability shall contain the name and address of the
37 person alleged to be liable as an owner for a violation of subdivision
38 (d) of section eleven hundred eleven of this article pursuant to this
39 section, the registration number of the vehicle involved in such
40 violation, the location where such violation took place, the date and
41 time of such violation and the identification number of the camera which
42 recorded the violation or other document locator number.

43 3. The notice of liability shall contain information advising the
44 person charged of the manner and the time in which he or she may contest
45 the liability alleged in the notice. Such notice of liability shall also
46 contain a warning to advise the persons charged that failure to contest
47 in the manner and time provided shall be deemed an admission of liabil-
48 ity and that a default judgment may be entered thereon.

49 4. The notice of liability shall be prepared and mailed by the village
50 of Pelham Manor or by any other entity authorized by such village to
51 prepare and mail such notification of violation.

52 (h) Adjudication of the liability imposed upon owners by this section
53 shall be by a traffic violations bureau established pursuant to section
54 three hundred seventy of the general municipal law where the violation
55 occurred or, if there be none, by the court having jurisdiction over
56 traffic infractions.

1 (i) If an owner receives a notice of liability pursuant to this
2 section for any time period during which the vehicle was reported to the
3 police department as having been stolen, it shall be a valid defense to
4 an allegation of liability for a violation of subdivision (d) of section
5 eleven hundred eleven of this article pursuant to this section that the
6 vehicle had been reported to the police as stolen prior to the time the
7 violation occurred and had not been recovered by such time. For purposes
8 of asserting the defense provided by this subdivision it shall be suffi-
9 cient that a certified copy of the police report on the stolen vehicle
10 be sent by first class mail to the court having jurisdiction.

11 (j) An owner who is a lessor of a vehicle to which a notice of liabil-
12 ity was issued pursuant to subdivision (g) of this section shall not be
13 liable for the violation of subdivision (d) of section eleven hundred
14 eleven of this article, provided that he or she sends to the court
15 having jurisdiction a copy of the rental, lease or other such contract
16 document covering such vehicle on the date of the violation, with the
17 name and address of the lessee clearly legible, within thirty-seven days
18 after receiving notice from the court of the date and time of such
19 violation, together with the other information contained in the original
20 notice of liability. Failure to send such information within such thir-
21 ty-seven day time period shall render the owner liable for the penalty
22 prescribed by this section. Where the lessor complies with the
23 provisions of this subdivision, the lessee of such vehicle on the date
24 of such violation shall be deemed to be the owner of such vehicle for
25 purposes of this section, shall be subject to liability for the
26 violation of subdivision (d) of section eleven hundred eleven of this
27 article pursuant to this section and shall be sent a notice of liability
28 pursuant to subdivision (g) of this section.

29 (k) 1. If the owner liable for a violation of subdivision (d) of
30 section eleven hundred eleven of this article pursuant to this section
31 was not the operator of the vehicle at the time of the violation, the
32 owner may maintain an action for indemnification against the operator.

33 2. Notwithstanding any other provision of this section, no owner of a
34 vehicle shall be subject to a monetary fine imposed pursuant to this
35 section if the operator of such vehicle was operating such vehicle with-
36 out the consent of the owner at the time such operator failed to obey a
37 traffic-control indication. For purposes of this subdivision there shall
38 be a presumption that the operator of such vehicle was operating such
39 vehicle with the consent of the owner at the time such operator failed
40 to obey a traffic-control indication.

41 (l) Nothing in this section shall be construed to limit the liability
42 of an operator of a vehicle for any violation of subdivision (d) of
43 section eleven hundred eleven of this article.

44 (m) When the village has established a demonstration program pursuant
45 to this section, all fines and penalties collected under such program
46 shall be distributed in accordance with subdivision ten of section eigh-
47 teen hundred three of this chapter.

48 (n) Any village that adopts a demonstration program pursuant to subdi-
49 vision (a) of this section shall submit an annual report detailing the
50 results of the use of such traffic-control signal photo violation-moni-
51 toring system to the governor, the temporary president of the senate and
52 the speaker of the assembly on or before June first, two thousand twen-
53 ty-one and on the same date in each succeeding year in which the demon-

2 violation-monitoring systems were used;

4 intersections where a traffic-control signal photo violation-monitoring
5 system is used for the three years preceding the installation of such
6 system, to the extent the information is maintained by the department;

7 3. the aggregate number, type and severity of accidents reported at
8 intersections where a traffic-control signal photo violation-monitoring
9 system is used for the reporting year, as well as for each year that the
10 traffic-control signal photo violation-monitoring system has been opera-
11 tional, to the extent the information is maintained by the department;

12 4. the number of events and number of violations recorded at each
13 intersection where a traffic-control signal photo violation-monitoring
14 system is used and in the aggregate on a daily, weekly and monthly
15 basis;

16 5. the number of notices of liability issued for violations recorded
17 by such system at each intersection where a traffic-control signal photo
18 violation-monitoring system is used;

19 6. the number of fines imposed and total amount of fines paid after
20 first notice of liability;

21 7. the number and percentage of violations adjudicated and results of
22 such adjudications including breakdowns of disposition made for
23 violations recorded by such systems which shall be provided at least
24 annually to such village by the respective courts and bureaus conducting
25 such adjudications;

26 8. the total amount of revenue realized by such village from such
27 adjudications including a breakdown of revenue realized by such village
28 for each year since deployment of its traffic-control signal photo
29 violation-monitoring system;

30 9. expenses incurred by such village in connection with the program;
31 and

32 10. quality of the adjudication process and its results which shall be
33 provided at least annually to such village by the respective courts and
34 bureaus conducting such adjudications.

35 (o) It shall be a defense to any prosecution for a violation of subdi-
36 vision (d) of section eleven hundred eleven of this article pursuant to
37 a local law or ordinance adopted pursuant to this section that such
38 traffic-control indications were malfunctioning at the time of the
39 alleged violation.

40 § 12. This act shall take effect immediately; provided, however that
41 section eleven of this act shall take effect on the thirtieth day after
42 it shall have become a law and shall expire on December 1, 2025, when
43 upon such date the provisions of section eleven of this act shall be
44 deemed repealed; provided, further, that any such local law as may be
45 enacted pursuant to section eleven of this act shall remain in full
46 force and effect only until December 1, 2025.
