AN ACT to amend the public housing law, in relation to establishing a COVID-19 emergency rental assistance program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public housing law is amended by adding a new article
2 14 to read as follows:

ARTICLE XIV

COVID-19 EMERGENCY RENTAL ASSISTANCE PROGRAM

Section 600. Legislative findings.

601. Definitions.

602. Authority to implement emergency rental assistance.

603. Eligibility.

604. Payment of emergency vouchers.

605. Rental obligation.

606. Assistance payment.

607. Verification of income and assets.

608. Housing assistance payment contracts for units newly rented for homeless individuals and families.

609. Inspection of units newly rented for homeless individuals and families.

610. Housing obligations.

611. Reports by the commissioner.

19 § 600. Legislative findings. The legislature finds that it is in the
20 public interest to ensure that New Yorkers are not rendered homeless or
21 severely financially burdened because of an inability to pay the cost of
22 housing and other necessities due to loss of income related to the wide-
23 spread outbreak of the coronavirus commonly known as COVID-19. The
24 legislature further finds that the outbreak of COVID-19 has exacerbated

1 the health risks associated with being homeless and that there is a need
2 for increased funding to provide permanent housing for homeless individ-
3 uals and families as an essential part of the state's efforts to miti-
4 gate the threat of COVID-19 to public health. The legislature further
5 finds that providing funding for individuals, families and households to
6 pay rent that they would otherwise have difficulty paying will promote
7 the stability and proper maintenance of the housing stock and assist
8 communities in recovering from the adverse social and economic effects
9 of the COVID-19 outbreak.

40 commissioner, as soon as practicable and subject to the appropriation of
41 funds for this purpose, shall implement a program of rental assistance
42 in the form of emergency vouchers for those eligible pursuant to section
43 six hundred three of this article. The commissioner may delegate the
44 administration of portions of this program to any state agency, public
45 housing agency, city, county, town, or non-profit organization in
46 accordance with the provisions of this article. The commissioner shall
47 delegate the administration of this program for the city of New York to
48 a public housing agency or agencies operating solely in the city of New
49 York. Any state agency, public housing agency, city, county, town, or
50 non-profit organization delegated to administer this program shall
51 receive an administrative fee to cover the costs of administration. The
52 commissioner may provide technical or administrative support to assist
53 any state agency, public housing agency, city, county, town, or non-pro-
54 fit organization to provide emergency rental assistance related to the
55 outbreak of COVID-19 with funding allocated by the federal government to

1 such public housing agency, city, county, or town, or non-profit organ-
2 ization.

3 2. Pursuant to 8 U.S.C. 1621(d), any individual, family, or household
4 who would be eligible but for 8 U.S.C. 1621(a) for state or local bene-
5 fits for emergency rental assistance shall be eligible for such benefits
6 during the covered period, and for a period of up to two years if such
7 individual, family, or household becomes eligible for such benefits due
8 to homelessness.

9 § 603. Eligibility. The commissioner shall promulgate standards for
10 determining eligibility for this program.

11 1. An individual, family or household shall be eligible for this
12 program if:

13 (a) the individual, family, or household is a tenant or occupant in
14 their primary residence in the state of New York, including both tenants
15 and occupants of dwelling units and manufactured home tenants and
16 proprietary leaseholders of co-operative dwelling units, their monthly
17 rent obligation is greater than thirty percent of their current monthly
18 adjusted income, their current monthly adjusted income is less than one
19 hundred twenty percent of the area median income as adjusted for family
20 size, and during the covered period:

21 (i) the individual, family, or household suffered a financial hardship
22 due to loss of income, as determined in a manner prescribed by the
23 commissioner in consultation with the department of taxation and
24 finance; or

25 (ii) an individual or member of the family or household became unem-
26 ployed, and qualified for unemployment;

27 (b) the individual, family, or household is at risk of homelessness
28 during the covered period or within ninety days after the covered peri-
29 od; or

30 (c) the individual, family, or household is homeless during the
31 covered period or within ninety days after the covered period.

32 2. In addition to the eligibility criteria in subdivision one of this
33 section, the commissioner may promulgate limits on assets as part of any
34 determination of eligibility for this program.

35 3. An individual or family in receipt of rental assistance under this
36 program shall no longer be financially eligible for assistance when:

37 (a) the individual's, family's or household's monthly income has been
38 restored to an amount equal to or greater than the individual's, fami-
39 ly's or household's income prior to the loss referenced in subparagraph
40 (i) of paragraph (a) of subdivision one of this section;

41 (b) the individual's, family's, or household's monthly rent obligation
42 is no longer greater than thirty percent of their monthly adjusted
43 income;

44 (c) the individual, family, or household has received rental assist-
45 ance for the greater of six months or the duration of the covered peri-
46 od. However, those individuals, families or households who receive
47 assistance pursuant to paragraph (c) of subdivision one of this section
48 shall be eligible until they have received two years of rental assist-
49 ance.

50 4. Any individual, family or household in receipt of rental assistance
51 under this program shall be obligated to report all changes of ten
52 percent or more of their monthly income while participating in the
53 program in order to maintain eligibility.

54 5. The commissioner shall establish preferences prioritizing individ-
55 uals, families or households with the greatest economic and social need

1 in processing applications for this program. Such preferences shall
2 account for at a minimum:

3 (a) the historical income level of the individual, family or household
4 as it relates to the area median income;

5 (b) the current adjusted income of the individual, family, or house-
6 hold as it relates to the area median income;

7 (c) the rent burden of the individual, family or household;

8 (d) the percentage of income lost by the individual, family or house-
9 hold;

10 (e) the individual or a member of the family or household's status as
11 a victim of domestic violence; and

12 (f) whether the individual, family or household was homeless or at
13 risk of homelessness during the covered period or within ninety days
14 after the covered period.

15 6. The commissioner shall promulgate standards by which any entity
16 designated to administer this program pursuant to subdivision one of
17 section six hundred two of this article shall issue a preliminary deter-
18 mination of eligibility upon initial receipt of the application, if it
19 is practicable to do so without unduly impeding implementation of the
20 program. Any such preliminary determination shall not be binding on the
21 commissioner or any entity designated to administer this program and
22 shall not excuse any existing statutory or contractual obligations of
23 the landlord or the applicant individual, family, or household.

24 7. Eviction proceedings for rental arrears that would be eligible for
25 coverage under this program cannot be commenced against an individual,
26 family or household who has applied for this program unless or until a
27 determination of ineligibility is made. If eviction proceedings are
28 commenced against an individual, family or household who subsequently
29 applies for benefits under this program, all proceedings for missed rent
30 payments during the covered period shall be stayed until a determination
31 of ineligibility has been made.

32 8. Any ambiguity in eligibility criteria promulgated by the commis-
33 sioner shall be resolved in favor of the applicant when determining
34 eligibility.

35 9. Any information collected about an individual, family or household
36 in the process of determining eligibility shall solely be used for the
37 purposes of determining eligibility and shall not be shared with any
38 other governmental agency.

39 10. An individual, family or household shall not be eligible for this
40 program if they live in housing owned or managed by a public housing
41 authority or receive rental assistance from a program in which their
42 rental obligation is adjusted to be no greater than thirty percent of
43 their income when their income decreases.

44 11. An individual full-time college student or family or household
45 consisting exclusively of full-time college students is ineligible for
46 this program unless each individual in the family or household satisfies
47 the following conditions:

48 (a) the individual shall have established a household separate from
49 his or her parents or legal guardians for at least one year prior to
50 application for admission or shall meet the United States department of
51 education's definition of independent student; and

52 (b) the individual shall not be claimed as a dependent by his or her
53 parents or legal guardians pursuant to internal revenue service (IRS)
54 regulations.

55 12. Applicants shall not be expected or required to repay any assist-
56 ance granted through this program unless otherwise required by law.

1 Assistance shall not be considered income for purposes of public bene-
2 fits or other public assistance. There shall be no requirement on appli-
3 cants to seek assistance from other sources, including charitable
4 contributions, for eligibility.

5 § 604. Payment of emergency vouchers. 1. The emergency voucher shall
6 be paid directly to the owner of the dwelling unit or manufactured home
7 park occupied by the voucher recipient for rent due from the voucher
8 recipient and any rental arrears owed that were not paid for which the
9 recipient would otherwise have been eligible pursuant to section six
10 hundred three of this article. Any arrears payment shall be equal to
11 the amount for which the recipient would have been eligible as deter-
12 mined by section six hundred six of this article.

13 2. Acceptance of vouchers as payment for rent due or rental arrears
14 shall constitute agreement by the recipient:

15 (a) to waive any late fees due on any rental arrears;

16 (b) to keep constant the monthly rent due for the dwelling unit such
17 that it shall remain the amount that was due at the time of application
18 to the program for any and all months for which the voucher is accepted
19 as payment; and

20 (c) at the option of the tenant, to extend any lease or rental agree-
21 ment for the use and occupancy of the applicable dwelling unit that
22 expired or is due to expire during the covered period or sixty days
23 following the expiration of the covered period to a date at least sixty
24 days from the expiration of the covered period under the terms of the
25 lease or rental agreement existing prior to the expiration of the lease
26 or rental agreement. Where the dwelling unit that is the subject of the
27 lease or rental agreement contains four or fewer units, the landlord may
28 decline to extend the lease or tenancy if the landlord intends to imme-
29 diately occupy the unit for the landlord's personal use or the use of an
30 immediate family member as a primary residence.

31 § 605. Rental obligation. 1. The monthly rental obligation of each
32 recipient shall be thirty percent of the monthly adjusted income of the
33 individual, family, or household.

34 2. If an individual, family or household shares a dwelling or manufac-
35 tured home with one or more individuals who are not part of their family
36 or household, the monthly rental obligation of the individual, family or
37 household shall be calculated using the portion of the individual, fami-
38 ly's or household's rent for which they are responsible rather than the
39 entire rent for the shared dwelling unit or manufactured home.

40 § 606. Assistance payment. 1. The amount of the monthly rental assist-
41 ance payment with respect to any dwelling unit or manufactured home
42 shall be the difference between the monthly contractual or statutory
43 rent for the unit or home and and thirty percent of the individual,
44 family or household's adjusted income.

45 2. Notwithstanding subdivision one of this section, the maximum
46 monthly assistance payment for the individual, family or household shall
47 be the difference between the rental obligation established in section
48 six hundred five of this article, up to two hundred fifty percent of the
49 fair market rent for the rental area or in accordance to any
50 restrictions that may apply to funding provided for this purpose.

51 3. In addition to any rental assistance payments, the commissioner
52 shall also authorize the full payment of utilities for any recipient
53 individual, family or household for the time period during which the
54 individual, family or household qualifies for rental assistance pursuant
55 to section six hundred three of this article. Any such payments shall be
56 paid directly to the utility provider. For the purposes of this

1 section, utility payments shall encompass all payments the individual,
2 family or household is obligated to pay for gas, electricity, heat,
3 water, sewer, and solid waste disposal services.

4 § 607. Verification of income and assets. The commissioner shall
5 establish procedures that are appropriate and necessary to assure that
6 information regarding income, and assets to the extent necessary to
7 determine eligibility, provided by individuals, families and households,
8 applying for or receiving assistance under this article is complete and
9 accurate. Verification may include without limitation: paycheck stubs,
10 earning statements, tax records, W-2 forms, written statements from a
11 former or current employer, telephone or in-person contact with a former
12 or current employer, statements or affidavits signed by the applicant,
13 or other methods approved by the commissioner.

14 § 608. Housing assistance payment contracts for units newly rented for
15 homeless individuals and families. 1. A housing assistance payment
16 contract shall be entered into between the relevant agency administering
17 this program and the owner of a dwelling unit when the voucher recipient
18 qualified for the program by being homeless. The housing assistance
19 payment contract entered into pursuant to this section shall establish
20 the maximum monthly rent (including utilities and all maintenance and
21 management charges) the owner is entitled to receive for each dwelling
22 unit with respect to which such assistance payments are to be made. Each
23 housing assistance payment contract entered into by the agency adminis-
24 tering this program and the owner of a dwelling unit shall provide:

25 (a) that the lease between the tenant and the owner shall be for a
26 term of not less than one year;

27 (b) that the dwelling unit owner shall offer leases to tenants
28 assisted under this article that:

29 (i) are in a standard form used in the locality by the dwelling unit
30 owner; and

31 (ii) contain terms and conditions that:

32 (A) are consistent with federal, state, and local law; and

33 (B) apply generally to tenants in the property who are not assisted
34 under this article;

35 (iii) shall provide that during the term of the lease, the owner shall
36 not terminate the tenancy except for serious or repeated violation of
37 the terms and conditions of the lease, for violation of applicable state
38 or local law, or for other good cause; and

39 (iv) shall provide that any termination of tenancy under this section
40 shall be preceded by the provision of written notice by the owner to the
41 tenant specifying the grounds for that action, and any relief shall be
42 consistent with applicable state and local law; and

43 (c) that any unit under an assistance contract originated under this
44 article shall only be occupied by the individual or family designated in
45 said contract and shall be the designated individual or family's primary
46 residence. Contracts shall not be transferable between units and shall
47 not be transferable between recipients. An individual or family may
48 transfer their voucher to a different unit under a new contract pursuant
49 to this article.

50 2. (a) For the homeless, the rent for dwelling units for which a hous-
51 ing assistance payment contract is established under this subdivision
52 shall be reasonable in comparison with rents charged for comparable
53 dwelling units in the private, unassisted local market.

54 (b) An agency administering this program shall, at the request of an
55 individual or family receiving tenant-based assistance under this subdivi-
56 vision, assist that individual or family in negotiating a reasonable

1 rent with a dwelling unit owner. "Reasonable rent" shall mean rent not
2 more than the rent charged on comparable units in the private unassisted
3 market and rent charged for comparable unassisted units in the premises.
4 Such agency shall review the rent for a unit under consideration by the
5 individual or family (and all rent increases for units under lease by
6 such individual or family) to determine whether the rent (or rent
7 increase) requested by the owner is reasonable. If an agency administer-
8 ing this program determines that the rent (or rent increase) for a
9 dwelling unit is not reasonable, the agency shall not make housing
10 assistance payments to the owner under this subdivision with respect to
11 that unit.

12 (c) Each agency administering this program shall make timely payment
13 of any amounts due to a dwelling unit owner under this subdivision. The
14 housing assistance payment contract between the owner and the agency
15 administering this program may provide for penalties for the late
16 payment of amounts due under the contract, which shall be imposed on the
17 agency in accordance with generally accepted practices in the local
18 housing market.

19 3. If an assisted individual or family vacates a dwelling unit for
20 which rental assistance is provided under a housing assistance payment
21 contract before the expiration of the term of the lease for the unit,
22 rental assistance pursuant to such contract may not be provided for the
23 unit after the month during which the unit was vacated.

24 4. Any voucher issued pursuant to this section for a homeless individ-
25 ual or family may be used for housing anywhere in the state. The rele-
26 vant agency administering this program shall inform voucher holders that
27 a voucher may be used anywhere in the state and, to the extent practica-
28 ble, shall assist voucher holders in finding housing in the area of
29 their choice.

30 § 609. Inspection of units newly rented for homeless individuals and
31 families. 1. Initial inspection. (a) In general. For each dwelling unit
32 for which a housing assistance payment contract is established, the
33 agency administering this program shall inspect the unit before any
34 assistance payment is made to determine whether the dwelling unit meets
35 the housing quality standards under subdivision two of this section,
36 except as provided in paragraphs (b) or (c) of this subdivision. Howev-
37 er, the commissioner may waive this inspection requirement to the extent
38 necessary to protect public health or expedite implementation of this
39 program.

40 (b) Correction of non-life-threatening conditions. In the case of any
41 dwelling unit that is determined, pursuant to an inspection under para-
42 graph (a) of this subdivision, not to meet the housing quality standards
43 under subdivision two of this section, assistance payments may be made
44 for the unit, notwithstanding subdivision three of this section, if
45 failure to meet such standards is a result only of non-life-threatening
46 conditions, as such conditions are established by the commissioner. An
47 agency making assistance payments pursuant to this paragraph for a
48 dwelling unit shall, thirty days after the beginning of the period for
49 which such payments are made, withhold any assistance payments for the
50 unit if any deficiency resulting in noncompliance with the housing qual-
51 ity standards has not been corrected by such time. The agency shall
52 recommence assistance payments when such deficiency has been corrected,
53 and may use any payments withheld to make assistance payments relating
54 to the period during which payments were withheld.

55 (c) Use of alternative inspection method for interim period. In the
56 case of any property that within the previous twenty-four months has met

1 the requirements of an inspection that qualifies as an alternative
2 inspection method pursuant to subdivision four of this section, an agen-
3 cy administering this program may authorize occupancy before the
4 inspection under paragraph (a) of this subdivision has been completed,
5 and may make assistance payments retroactive to the beginning of the
6 lease term after the unit has been determined pursuant to an inspection
7 under paragraph (a) of this subdivision to meet the housing quality
8 standards under subdivision two of this section. This paragraph may not
9 be construed to exempt any dwelling unit from compliance with the
10 requirements of subdivision four of this section.

11 2. Housing quality standards. The housing quality standards under this
12 subdivision are standards for safe and habitable housing established:

13 (a) by the commissioner for purposes of this subdivision; or

14 (b) by local housing codes or by codes adopted by public housing agen-
15 cies that:

16 (i) meet or exceed housing quality standards, except that the commis-
17 sioner may waive the requirement under this subparagraph to significant-
18 ly increase access to affordable housing and to expand housing opportu-
19 nities for individuals or families assisted under this subdivision,
20 except where such waiver could adversely affect the health or safety of
21 individuals or families assisted under this subdivision; and

22 (ii) do not severely restrict housing choice.

23 3. Inspection. The determination required under subdivision one of
24 this section shall be made by the agency administering this program
25 pursuant to an inspection of the dwelling unit conducted before any
26 assistance payment is made for the unit. Inspections of dwelling units
27 under this subdivision shall be made before the expiration of the
28 fifteen day period beginning upon a request by the resident or landlord
29 to the agency or, in the case of any agency that provides assistance
30 under this subdivision on behalf of more than one thousand two hundred
31 fifty individuals and families, before the expiration of a reasonable
32 period beginning upon such request.

33 4. Alternative inspection method. An inspection of a property shall
34 qualify as an alternative inspection method for purposes of this subdivi-
35 vision if:

36 (a) the inspection was conducted pursuant to requirements under a
37 federal, state, or local housing program; and

38 (b) pursuant to such inspection, the property was determined to meet
39 the standards or requirements regarding housing quality or safety appli-
40 cable to properties assisted under such program, and, if a non-state
41 standard or requirement was used, the agency administering this program
42 has certified to the commissioner that such standard or requirement
43 provides the same or greater protection to occupants of dwelling units
44 meeting such standard or requirement as would the housing quality stand-
45 ards under subdivision two of this section.

46 5. Interim inspections. Upon notification to the agency administering
47 this program, by an individual or family on whose behalf tenant-based
48 rental assistance is provided under this subdivision or by a government
49 official, that the dwelling unit for which such assistance is provided
50 does not comply with the housing quality standards under subdivision two
51 of this section, the agency shall inspect the dwelling unit:

52 (a) in the case of any condition that is life-threatening, within
53 twenty-four hours after the agency's receipt of such notification,
54 unless waived by the commissioner in extraordinary circumstances; and

55 (b) in the case of any condition that is not life-threatening, within
56 a reasonable time frame, as determined by the commissioner.

1 6. Inspection guidelines. The commissioner shall establish procedural
2 guidelines and performance standards to facilitate inspections of dwell-
3 ing units and conform such inspections with practices utilized in the
