

STATE OF NEW YORK

10447

IN ASSEMBLY

May 18, 2020

Introduced by COMMITTEE ON RULES -- (at request of M. of A. Joyner) --
read once and referred to the Committee on Health

AN ACT in relation to requiring that COVID-19 contact tracers be representative of the cultural and linguistic diversity of the communities in which they serve to the greatest extent practicable; and providing for the repeal of such provisions upon the expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. The department of health and any other state agency, the
2 New York city department of health and mental hygiene and any other New
3 York city agency, and any entity within the New York city health and
4 hospitals corporation that hires persons after the effective date of
5 this act to perform contact tracing pertaining to COVID-19 infections
6 within the city of New York, shall hire contact tracers who are representative of the cultural and linguistic diversity of the communities in
7 which they serve to the greatest extent practicable.
8
9 § 2. The department of health, the New York city department of health
10 and mental hygiene, and the New York city health and hospitals corporation shall annually submit a report on contact tracer worker diversity
11 including outreach efforts to recruit a diverse workforce to the governor, the temporary president of the senate and the speaker of the assembly beginning no later than December 31, 2020.
12
13 § 3. This act shall take effect immediately and shall expire and be
14 deemed repealed January 1, 2022.
