1 help them get back up and running. To support this initiative, we are
2 directing the department to provide marketing and business assistance
3 grants to allow not-for-profit organizations, associations, munici-
4 palities, public benefits corporations and for-profit companies to high-
5 light all the great products and services our local communities have to
6 offer. Supporting local initiatives keeps more money in the community,
7 sustains local jobs, strengthens the economy, improves quality of life
8 and enhances customer service. By shopping at a locally-owned business
9 rather than international retailers, consumers can have a direct impact
10 in their community's recovery. The New York first--shop local program
11 will support marketing campaigns and social media strategies as well as
12 provide valuable business assistance, including search engine optimiza-
13 tion. This program will help to bridge the digital divide and encourage
14 new and existing customers to buy local.

46 tify appropriate and practical ways to measure the economic impact of
47 the program.

3 § 181-m. Reporting requirements. 1. Each funding recipient shall
4 provide an annual financial statement prepared according to generally
5 accepted accounting principles to the commissioner.

25 ship of any such department or agency with other agencies, individuals
26 or corporations for the carrying out of its functions, powers and
27 duties.

28 § 3. Notwithstanding any other law, rule or regulation to the contra-

31 corporation to fully fund programs created by this act.

32 § 4. This act shall take effect immediately.
