17 2. At any such hearing on the felony complaint, the judge must be able  
18 to hear and see the image of each witness clearly through the independent  
19 audio-visual system and such sound and visual image shall be similar to

21 present together with the judge testifying in the courtroom. Documents,  
22 photographs and the like offered at the hearing may be exchanged among  
23 the parties by electronic means. A stenographic transcription or appro-
