## IN ASSEMBLY

June 5, 2020

Introduced by COMMITTEE ON RULES -- (at request of M. of A. Abinanti) --  
read once and referred to the Committee on Governmental Employees

AN ACT to provide a temporary retirement incentive for certain public employees (Part A); and to provide an age 55/25 years temporary retirement incentive for certain public employees (Part B)

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act enacts into law components of legislation that  
2 would enable public employers to offer a temporary retirement incentive  
3 to their employees, as well as to provide an age 55/25 years temporary  
4 incentive for certain public employees. Each component is wholly  
5 contained within a Part identified as Parts A and B. The effective date  
6 for each particular provision contained within such Part is set forth in  
7 the last section of such part. Any provision in any section contained  
8 within a Part, including the effective date of the Part, which makes  
9 reference to a section "of this act", when used in connection with that  
10 particular component, shall be deemed to mean and refer to the corre-  
11 sponding section of the Part in which it is found, unless noted other-  
12 wise. The benefits of this act shall not be applicable to anyone who  
13 first became a member of a public retirement system of the state on or  
14 after January first, two thousand ten.

15 § 2. Legislative findings. The legislature finds and declares that the  
16 retirement benefits provided for in this act are designed to achieve  
17 cost-savings for public employers and to avoid layoffs of public employ-  
18 ees in this time of fiscal need. Therefore, the retirement incentive  
19 benefit provided for in Part A of this act and the age 55/25 years  
20 retirement benefit provided for in Part B of this act are intended only  
21 to be temporary in nature for employees who are eligible to receive and  
22 qualify for the applicable benefit during the applicable time periods  
23 specified within each Part. Further, nothing in this act shall be  
24 construed to create an expectation of a future or continuing retirement  
25 benefit for any public employee who is not eligible to receive and qual-  
26 ify for the retirement benefits in this act during the applicable time  
27 periods.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

12 employer or to assure public health and safety;

13 b. Endanger the health or safety of employees of the state or a

34 applicable for the unified court system; (c) for state employers  
35 described in paragraphs (h), (i) and (j) of subdivision d of section one  
36 of this act as determined by the person or persons who make the election

38 board of trustees of the state university, city university and of each

42 act shall provide written notice to his or her employer on or before the  
43 twenty-first day preceding the end of the open period, or before the end  
44 of the applicable open period as such open period is determined by the  
45 director of state operations. Failure to provide such written notice  
46 shall render the employee ineligible for the retirement incentive  
47 provided by this act.

48 § 4. a. On or before August 31, 2020, a participating employer or a  
49 state employer described in paragraphs (b), (c), (d), (e) and (f) of  
50 subdivision d of section one of this act may elect to provide its  
51 employees the retirement incentive authorized by this act by (a) the  
52 enactment of a local law or (b) in the case of a participating employer  
53 which is not so empowered to act by local law or a state employer  
54 described in paragraphs (b), (c), (d), (e) and (f) of subdivision d of  
55 section one of this act, by the adoption of a resolution of its govern-  
56 ing body; provided however, no local law or resolution enacted pursuant

1 to this section shall in any manner supersede any local charter,  
2 provided further, that for an educational employer such election must be  
3 made by July 30, 2020. The local law or resolution shall specify the  
4 commencement date of the program and the length of the open period. For  
5 a community college operating under the program of state university of  
6 New York, such election shall be made by the board of trustees of such  
7 community college subject to the approval of its sponsor. A copy of such  
8 law or resolution shall be filed with the appropriate retirement system  
9 or systems, and, if applicable, on forms provided by such system. The  
10 local law or resolution shall be accompanied by the affidavit of the  
11 chief executive officer or other comparable official certifying to the  
12 information contained in subdivision b of this section.

13 b. Notwithstanding any other provision of law, the benefits provided  
14 by this act shall not be made available to any person who (a) has  
15 received any retirement incentive authorized by any provision of state  
16 law, or (b) who receives, has received or is eligible to receive a  
17 payment in a lump sum or in another form from a retirement incentive  
18 pursuant to the provisions of a collective bargaining agreement or by  
19 other arrangement with his or her employer, unless such person files a  
20 written statement with his or her employer, a copy of which shall be  
21 forwarded to the appropriate retirement system, that he or she agrees to  
22 waive any right to such payment. A participating employer who makes an  
23 election pursuant to this section and who offers or has offered a  
24 retirement incentive pursuant to the provisions of a collective bargain-  
25 ing agreement or by other arrangement shall prepare, and file with each  
26 retirement system, a list containing the names and social security  
27 numbers of all persons described in this subdivision. A participating  
28 employer is authorized to exempt persons in its employ from the  
29 provisions of paragraph (b) of this subdivision. Such exemption shall be  
30 made part of the election made pursuant to this section.

31 c. Notwithstanding any other provision of this act to the contrary,  
32 the mayor of the city of New York may declare employees of the community  
33 colleges of the city university of New York ineligible for the retire-  
34 ment incentive provided by this act by filing such notification with the  
35 chancellor of the city university of New York, with copies to the chair  
36 of the senate finance committee, the chair of the assembly ways and  
37 means committee and the director of the budget, in writing, no later

48 the open period; and

49 c. is otherwise eligible for a service retirement as of the effective  
50 date of the application for retirement shall be entitled to the retire-

53 to satisfy the eligibility condition of this section: a person who is at  
54 least age fifty with ten or more years service as of the effective date  
55 of retirement (other than a member of a retirement plan which provides

1 service without regard to age); a member of a retirement plan which  
2 provides for half-pay pension upon completion of twenty-five years of  
3 service without regard to age who has not accrued, excluding additional  
4 credit granted pursuant to this act, the minimum number of years of  
5 service required to retire with an allowance equal to fifty percent of

34 of the first two years by which retirement precedes age sixty-two, plus

29 precedes age sixty-two, plus a further reduction of three percent for  
30 each year by which retirement pursuant to this section precedes age  
31 sixty, provided, however, the foregoing reductions shall not apply: (i)  
32 in any case where an eligible employee can retire pursuant to a plan  
33 which permits retirement for service with immediate payability, exclu-  
34 sive of this act, prior to the age of fifty-five or (ii) to any time  
35 period subsequent to the point at which an eligible employee can retire  
36 for service without reduction of his or her service retirement allowance

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would provide a temporary retirement incentive for fiscal year 2020-2021 for eligible members of the New York State Teachers' Retirement System (NYSTRS). In Part A of the retirement incentive, employers who elect to participate would provide certain eligible employees a retirement incentive of one-twelfth of a year of additional service credit per year of accrued service credit up to a maximum of three additional years. To be eligible, a member must have attained age 50 or greater, with at least ten years of service. Members not subject to an early retirement reduction and less than age 55 at retirement will have their benefit reduced by five percent for each year their age precedes 55.

Part B of the retirement incentive would permit eligible Tier 2, 3 and 4 members of employers who elect to participate to retire without early retirement reductions upon attainment of at least age 55 with 25 years of service. Currently 30 years of service are required.

In order to receive either the Part A or Part B benefit, an eligible member of an employer who has elected to participate must retire during the employer's designated open period. For Part A, such open period shall be at least 30 but not more than 90 days in length and for educational employers, shall not extend beyond August 31, 2020. For Part B, the open period shall begin immediately after the election to participate and shall not extend beyond August 31, 2020. Members may not receive a benefit under both Part A and Part B. Employers participating in Part A or Part B (or both) would pay the cost of the retirement incentive over a period not to exceed five years, beginning in the state fiscal year ending March 31, 2022.

It is not possible to accurately forecast the total cost to the New York State Teachers' Retirement System employers electing to participate in this retirement incentive because the number of eligible members electing to retire under the incentive, their ages and the amount of service credited cannot be readily estimated. The Part A cost, measured as the increase in the present value of benefit per participating member, however, will range from 5% to approximately 250% of final average salary, depending on the member's age, years of service, and tier at retirement. The Part B cost per participating member will range from 3%

to approximately 200% of final average salary, depending on the member's age, years of service, and tier at retirement. The potential number of members eligible to benefit under Part A is much greater than under Part B.

Member data is from the System's most recent actuarial valuation files, consisting of data provided by the employers to the Retirement System. Data distributions and statistics can be found in the System's Comprehensive Annual Financial Report (CAFR). System assets are as reported in the System's financial statements, and can also be found in the CAFR. Actuarial assumptions and methods are provided in the System's Actuarial Valuation Report.

FISCAL NOTE.-- Pursuant to Legislative Law, Section 50:

This bill would provide additional service credit (one-twelfth of a year for each year of non-sick leave, non-Article 19 service credited as of the date of retirement, up to a maximum of three years) for certain members of the New York State and Local Employees' Retirement System, New York State Teachers Retirement System, New York City Teachers Retirement System, New York City Board of Education and the New York City Employees' Retirement System. Further, for certain members who are not otherwise eligible for a service retirement benefit, this bill would provide the ability to retire with reductions. This benefit would be available to only targeted positions.

In addition, this bill would eliminate the early retirement reductions at 25 years of service instead of at 30 years of service for retirement during a specified 90 day period for Tier 2, 3 and 4 members of the New York State and Local Employees' Retirement System, New York State Teachers Retirement System, New York City Teachers Retirement System, New York City Board of Education and the New York City Employees' Retirement System. Employers electing this provision can declare health and safety positions to be ineligible.

Retiring members may not receive both the additional service credit and the elimination of the early retirement reductions at 25 years of service instead of at 30 years of service.

If this bill is enacted, insofar as it affects the New York State and Local Employees' Retirement System (ERS), the additional cost for each member who receives these benefits will vary depending on the member's age, years of service, retirement plan and final average salary.

We anticipate that the per-member cost (at retirement) of the additional service credit benefit will average approximately 65% of a member's final average salary. This cost will be borne by each employer electing the incentive over a period not to exceed five years commencing with a payment in the State fiscal year ending March 31, 2022.

We anticipate that the per-member cost (at retirement) of the elimination of the early retirement reductions at 25 years of service instead of at 30 years of service will average approximately 110% of a member's final average salary. This cost will be borne by each employer electing the incentive over a period not to exceed five years commencing with a payment in the State fiscal year ending March 31, 2022.
