33 present and future parental and inheritance rights and obligations to a
34 resulting child.

35 (e) "Embryo" means a cell or group of cells containing a diploid
36 complement of chromosomes or group of such cells, not a gamete or

42 cavity.

44 has the potential to form an embryo when combined with another gamete.
45 Sperm and eggs are gametes.

46 (h) "Surrogacy agreement" is an agreement between at least one
47 intended parent and a person acting as surrogate intended to result in a

51 intended parent, who enters into a surrogacy agreement to bear a child

(m) "Parent" means an individual who has established a parent-child relationship under this act or other law.

(n) "Participant" is an individual who either: provides a gamete that is used in assisted reproduction, is an intended parent, is a person acting as surrogate, or is the spouse of an intended parent or person acting as surrogate.

(o) "Record" means information inscribed in a tangible medium or stored in an electronic or other medium that is retrievable in perceivable form.

(p) "Retrieval" means the procurement of eggs or sperm from a gamete provider.

(q) "Spouse" means an individual married to another, or who has a legal relationship entered into under the laws of the United States or of any state, local or foreign jurisdiction, which is substantially equivalent to a marriage, including a civil union or domestic partnership.

581-202. Proceeding for judgment of parentage of a child conceived through assisted reproduction.

581-203. Proceeding for judgment of parentage of a child conceived pursuant to a surrogacy agreement.

581-204. Judgment of parentage for intended parents who are spouses.

581-205. Inspection of records.

581-206. Jurisdiction, and exclusive continuing jurisdiction.

§ 581-201. Judgment of parentage. (a) A civil proceeding may be maintained to adjudicate the parentage of a child under the circumstances set forth in this article. This proceeding is governed by the civil practice law and rules.

(b) A judgment of parentage may be issued prior to birth but shall not become effective until the birth of the child.

(c) A petition for a judgment of parentage or nonparentage of a child conceived through assisted reproduction may be initiated by (1) a child, or (2) a parent, or (3) a participant, or (4) a person with a claim to parentage, or (5) the support/enforcement agency or other governmental agency authorized by other law, or (6) a representative authorized by law to act for an individual who would otherwise be entitled to maintain a proceeding but who is deceased, incapacitated, or a minor, in order to legally establish the child-parent relationship of either a child born

1 through assisted reproduction under part three of this article or a
2 child born pursuant to a surrogacy agreement under part four of this
3 article.

4 § 581-202. Proceeding for judgment of parentage of a child conceived
5 through assisted reproduction. (a) A proceeding for a judgment of
6 parentage with respect to a child conceived through assisted repro-
7 duction may be commenced:

8 (1) if the intended parent resides in New York state, in the county
9 where the intended parent resides any time after pregnancy is achieved
10 or in the county where the child was born or resides; or

11 (2) if the intended parent and child do not reside in New York state,
12 up to ninety days after the birth of the child in the county where the
13 child was born.

14 (b) The petition for a judgment of parentage must be verified.

15 (c) Where a petition includes the following statements, the court must
16 adjudicate any intended parent to be the parent of the child:

17 (1) a statement that an intended parent has been a resident of the
18 state for at least ninety days or if an intended parent is not a New
19 York state resident, that the child will be or was born in the state
20 within ninety days of filing; and

21 (2) a statement from the gestating intended parent that the gestating
22 intended parent became pregnant as a result of assisted reproduction;
23 and

24 (3) in cases where there is a non-gestating intended parent, a state-
25 ment from the gestating intended parent and non-gestating intended
26 parent that the non-gestating intended parent consented to assisted
27 reproduction pursuant to section 581-304 of this article; and

28 (4) proof of any donor's donative intent.

29 (d) The following shall be deemed sufficient proof of a donor's dona-
30 tive intent for purposes of this section:

31 (1) in the case of an anonymous donor or where gametes or embryos have
32 previously been relinquished to a gamete or embryo storage facility or
33 in the presence of a health care practitioner, a statement from the
34 gamete or embryo storage facility or health care practitioner that the
35 donor does not retain any parental or proprietary interest in the
36 gametes or embryos; or

37 (2) in the case of a donation from a known donor, either: a. a record
38 from the gamete or embryo donor acknowledging the donation and confirm-
39 ing that the donor has no parental or proprietary interest in the
40 gametes or embryos. The record shall be signed by the gestating
41 intended parent and the gamete or embryo donor. The record may be, but
42 is not required to be, signed:

43 (i) before a notary public, or

44 (ii) before two witnesses who are not the intended parents, or

45 (iii) before a health care practitioner; or

46 b. clear and convincing evidence that the gamete or embryo donor
47 agreed, prior to conception, with the gestating parent that the donor
48 has no parental or proprietary interest in the gametes or embryos.

49 (3) In the absence of evidence pursuant to paragraph two of this
50 subdivision, notice shall be given to the donor at least twenty days
51 prior to the proceeding by delivery of a copy of the petition and
52 notice. Upon a showing to the court, by affidavit or otherwise, on or
53 before the date of the proceeding or within such further time as the
54 court may allow, that personal service cannot be effected at the donor's
55 last known address with reasonable effort, notice may be given, without
56 prior court order therefore, at least twenty days prior to the proceed-

ing by registered or certified mail directed to the donor's last known address. Notice by publication shall not be required to be given to a donor entitled to notice pursuant to the provisions of this section.

(4) Notwithstanding the above, where sperm is provided under the supervision of a health care practitioner to someone other than the sperm provider's intimate partner or spouse without a record of the sperm provider's intent to parent, the sperm provider is presumed to be a donor and notice is not required.

(e) In cases not covered by subdivision (c) of this section, the court shall adjudicate the parentage of the child consistent with part three of this article.

(f) Where the requirements of subdivision (c) of this section are met or where the court finds the intended parent to be a parent under subdivision (e) of this section, the court shall issue a judgment of parentage:

(1) declaring, that upon the birth of the child, the intended parent is the legal parent of the child; and

(2) ordering the intended parent to assume responsibility for the maintenance and support of the child immediately upon the birth of the child; and

(3) if there is a donor, ordering that the donor is not a parent of the child; and

(4) ordering that upon the birth of the child, a copy of the judgment of parentage be served on the (i) department of health or New York city department of mental health and hygiene, or (ii) registrar of births in the hospital where the child is born and directing that the hospital report the parentage of the child to the appropriate department of health in conformity with the court order. If an original birth certificate has already issued, the court shall issue an order directing the appropriate department of health to amend the birth certificate in an expedited manner and seal the previously issued birth certificate.

§ 581-203. Proceeding for judgment of parentage of a child conceived pursuant to a surrogacy agreement. (a) The proceeding may be commenced at any time after the surrogacy agreement has been executed by all of the parties. Any party to the surrogacy agreement not joining in the petition must be served with notice of the proceeding. Failure to respond to the notice shall be considered a default and no further notice shall be required.

(b) The petition for a judgment of parentage must be verified and include the following:

(1) a statement that the person acting as surrogate or at least one of the intended parents has been a resident of the state for at least ninety days at the time the surrogacy agreement was executed; and

(2) a certification from the attorney representing the intended parent or parents and the attorney representing the person acting as surrogate that the requirements of part four of this article have been met; and

(3) a statement from all parties to the surrogacy agreement that they entered into the surrogacy agreement knowingly and voluntarily.

(c) Where a petition satisfies subdivision (b) of this section the court shall issue a judgment of parentage, without additional proceedings or documentation:

(1) declaring, that upon the birth of the child born during the term of the surrogacy agreement, the intended parent or parents is the legal parent or parents of the child; and

(2) declaring, that upon the birth of the child born during the term of the surrogacy agreement, the person acting as surrogate, and the

1 spouse of the person acting as surrogate, if any, is not the legal
2 parent of the child; and

3 (3) ordering the person acting as surrogate and the spouse of the
4 person acting as surrogate, if any, to transfer the child to the
5 intended parent or parents if this has not already occurred; and

6 (4) ordering the intended parent or parents to assume responsibility
7 for the maintenance and support of the child immediately upon the birth
8 of the child; and

9 (5) ordering that upon the birth of the child, a copy of the judgment
10 of parentage be served on the (i) department of health or New York city
11 department of mental health and hygiene, or (ii) registrar of births in
12 the hospital where the child is born and directing that the hospital
13 report the parentage of the child to the appropriate department of
14 health in conformity with the court order. If an original birth certif-
15 icate has already issued, the court shall issue an order directing the
16 appropriate department of health to amend the birth certificate in an
17 expedited manner and seal the previously issued birth certificate.

18 (d) In the event the certification required by paragraph two of subdivi-
19 vision (b) of this section cannot be made because of a technical or
20 non-material deviation from the requirements of this article; the court
21 may nevertheless enforce the agreement and issue a judgment of parentage
22 if the court determines the agreement is in substantial compliance with
23 the requirements of this article.

24 § 581-204. Judgment of parentage for intended parents who are spouses.
25 Notwithstanding or without limitation on presumptions of parentage that
26 apply, a judgment of parentage may be obtained under this part by
27 intended parents who are each other's spouse.

28 § 581-205. Inspection of records. Court records relating to
29 proceedings under this article shall be sealed. The parties to the
30 proceeding and the child shall have the right to inspect the entire
31 court record.

32 § 581-206. Jurisdiction, and exclusive continuing jurisdiction. (a)
33 Proceedings pursuant to this article may be instituted in the supreme or
34 family court.

35 (b) Subject to the jurisdictional standards of section seventy-six of
36 the domestic relations law, the court conducting a proceeding under this
37 article has exclusive, continuing jurisdiction of all matters relating
38 to the determination of parentage until the child attains the age of one
39 hundred eighty days.

40 PART 3

41 CHILD OF ASSISTED REPRODUCTION

42 Section 581-301. Scope of article.

43 581-302. Status of donor.

44 581-303. Parentage of child of assisted reproduction.

45 581-304. Consent to assisted reproduction.

46 581-305. Limitation on spouses' dispute of parentage of child of
47 assisted reproduction.

48 581-306. Effect of embryo disposition agreement between intended
49 parents which transfers legal rights and disposi-
50 tioned control to one intended parent.

51 581-307. Effect of death of intended parent.

52 § 581-301. Scope of article. This article does not apply to the birth
53 of a child conceived by means of sexual intercourse.

54 § 581-302. Status of donor. A donor is not a parent of a child
55 conceived by means of assisted reproduction.

1 § 581-303. Parentage of child of assisted reproduction. (a) An indi-
2 vidual who provides gametes for, or who consents to, assisted reprod-
3 uction with the intent to be a parent of the child with the consent of
4 the gestating parent as provided in section 581-304 of this part, is a
5 parent of the resulting child for all legal purposes.

6 (b) The court shall issue a judgment of parentage pursuant to this
7 article upon application by any participant.

8 § 581-304. Consent to assisted reproduction. (a) Where the intended
9 parent who gives birth to a child by means of assisted reproduction is a
10 spouse, the consent of both spouses to the assisted reproduction is
11 presumed and neither spouse may challenge the parentage of the child,
12 except as provided in section 581-305 of this part.

13 (b) Where the intended parent who gives birth to a child by means of
14 assisted reproduction is not a spouse, the consent to the assisted
15 reproduction must be in a record in such a manner as to indicate the
16 mutual agreement of the intended parents to conceive and parent a child
17 together.

18 (c) The absence of a record described in subdivision (b) of this
19 section shall not preclude a finding that such consent existed if the
20 court finds by clear and convincing evidence that at the time of the
21 assisted reproduction the intended parents agreed to conceive and parent
22 the child together.

23 § 581-305. Limitation on spouses' dispute of parentage of child of
24 assisted reproduction. (a) Except as otherwise provided in subdivision
25 (b) of this section, neither spouse may challenge the presumption of
26 parentage of the child unless:

27 (1) within two years after learning of the birth of the child a
28 proceeding is commenced to adjudicate parentage; and

29 (2) the court finds by clear and convincing evidence that either
30 spouse did not consent for the non-gestating spouse to be a parent of
31 the child.

32 (b) A proceeding for a judgment of parentage may be maintained at any
33 time if the court finds by clear and convincing evidence that:

34 (1) the spouse did not consent to assisted reproduction by the indi-
35 vidual who gave birth; and

36 (2) the spouse and the individual who gave birth have not cohabited
37 since the spouse knew or had reason to know of the pregnancy; and

38 (3) the spouse never openly held out the child as his or her own.

39 (c) The limitation provided in this section applies to a spousal
40 relationship that has been declared invalid after assisted reproduction
41 or artificial insemination.

42 § 581-306. Effect of embryo disposition agreement between intended
43 parents which transfers legal rights and dispositional control to one
44 intended parent. (a) An embryo disposition agreement between intended
45 parents with joint dispositional control of an embryo shall be binding
46 under the following circumstances:

47 (1) it is in writing;

48 (2) each intended parent had the advice of independent legal counsel
49 prior to its execution; and

50 (3) where the intended parents are married, transfer of legal rights
51 and dispositional control occurs only upon divorce.

52 (b) The intended parent who transfers legal rights and dispositional
53 control of the embryo is not a parent of any child conceived from the
54 embryo unless the agreement states that he or she consents to be a
55 parent.

(c) If the intended parent transferring legal rights and dispositional control consents to be a parent, he or she may withdraw his or her consent to be a parent upon written notice to the embryo storage facility and to the other intended parent prior to transfer of the embryo. If he or she timely withdraws consent to be a parent he or she is not a parent for any purpose including support obligations but the embryo transfer may still proceed.

(d) An embryo disposition agreement or advance directive that is not in compliance with subdivision (a) of this section may still be found to be enforceable by the court after balancing the respective interests of the parties except that the intended parent who divested him or herself of legal rights and dispositional control may not be declared to be a parent for any purpose without his or her consent. The parent awarded legal rights and dispositional control of the embryos shall, in this instance, be declared to be the only parent of the child.

§ 581-307. Effect of death of intended parent. If an individual who consented in a record to be a parent by assisted reproduction dies before the transfer of eggs, sperm, or embryos, the deceased individual is not a parent of the resulting child unless the deceased individual consented in a signed record that if assisted reproduction were to occur after death, the deceased individual would be a parent of the child, provided that the record complies with the estates, powers and trusts law.

5 acting as surrogate, if applicable, have been represented throughout the
6 contractual process and the duration of the contract and its execution
7 by independent legal counsel of their own choosing which shall be paid
8 for by the intended parent or parents except that a person acting as
9 surrogate who is receiving no compensation may waive the right to have
10 the intended parent or parents pay the fee for such legal counsel; and

11 (5) the person acting as surrogate has, or the surrogacy agreement
12 stipulates that prior to the embryo transfer, the person acting as

20 acting as surrogate who is receiving no compensation may waive the right
21 to have the intended parent or parents pay for the health insurance
22 policy. The intended parent or parents shall also pay for or reimburse
23 the person acting as surrogate for all co-payments, deductibles and any
24 other out-of-pocket medical costs associated with pregnancy, except that
25 a person acting as surrogate who is receiving no compensation may waive
26 the right to have the intended parent or parents make such payments or
27 reimbursements.

28 (b) The intended parent or parents shall be eligible to enter into an
29 enforceable surrogacy agreement under this article if he, she or they
30 have met the following requirements at the time the surrogacy agreement
31 was executed:

32 (1) the intended parent or parents has been represented throughout the
33 contractual process and the duration of the contract and its execution
34 by independent legal counsel of his, her or their own choosing; and

35 (2) he or she is an adult person who is not in a spousal relationship,
36 or adult spouses together, or any two adults who are intimate partners
37 together, except an adult in a spousal relationship is eligible to enter
38 into an enforceable surrogacy agreement without his or her spouse if:

39 (i) they are living separate and apart pursuant to a decree or judg-

41 subscribed by the parties thereto and acknowledged or proved in the form
42 required to entitle a deed to be recorded; or

43 (ii) they have been living separate and apart for at least three years
44 prior to execution of the surrogacy agreement.

45 (3) where the spouse of an intended parent is not a required party to
46 the agreement, the spouse is not an intended parent and shall not have
47 rights or obligations to the child.

48 § 581-403. Requirements of surrogacy agreement. A surrogacy agreement
49 shall be deemed to have satisfied the requirements of this article and
50 be enforceable if it meets the following requirements:

51 (a) it shall be in a signed record verified by:

52 (1) each intended parent, and

53 (2) the person acting as surrogate, and the spouse of the person
54 acting as surrogate, if any, unless:

14 part; and

15 (e) the person acting as surrogate and the spouse of the person acting
16 as surrogate, if applicable, and the intended parent or parents shall
17 have been represented throughout the contractual process and the dura-

19 counsel of their own choosing; and

20 (f) if the surrogacy agreement provides for the payment of compen-
21 sation to the person acting as surrogate, those funds shall have been
22 placed in escrow with an independent escrow agent prior to the person
23 acting as surrogate commencing with any medical procedure other than
24 medical evaluations necessary to determine the person acting as surro-
25 gate's eligibility; and

26 (g) the surrogacy agreement must include information disclosing how
27 the intended parent or parents will cover the medical expenses of the
28 person acting as surrogate and the child. If health care coverage is
29 used to cover the medical expenses, the disclosure shall include a
30 review of the health care policy provisions related to coverage for the
31 person acting as surrogate's pregnancy, including any possible liability
32 of the person acting as surrogate's third-party liability liens or other
33 insurance coverage, and any notice requirements that could affect cover-

35 (h) the surrogacy agreement must comply with all of the following
36 terms:

37 (1) As to the person acting as surrogate and the spouse of the person

40 and attempt to carry and give birth to the child; and

41 (ii) the person acting as surrogate and the spouse of the person
42 acting as surrogate, if applicable, agree to surrender custody of all
43 resulting children to the intended parent or parents immediately upon
44 birth; and

45 (iii) the surrogacy agreement shall include the name of the attorney
46 representing the person acting as surrogate and, if applicable, the
47 spouse of the person acting as surrogate; and

48 (iv) the surrogacy agreement must permit the person acting as surro-
49 gate to make all health and welfare decisions regarding themself and
50 their pregnancy including but not limited to, whether to consent to a
51 cesarean section or multiple embryo transfer, and notwithstanding any
52 other provisions in this chapter, provisions in the agreement to the
53 contrary are void and unenforceable. This article does not diminish the
54 right of the person acting as surrogate to terminate a pregnancy; and

1 (v) the surrogacy agreement must permit the person acting as a surro-
2 gate to utilize the services of a health care practitioner of the
3 person's choosing; and

4 (vi) the surrogacy agreement must not limit the right of the person
5 acting as surrogate to terminate or continue the pregnancy or reduce or
6 retain the number of fetuses or embryos the person is carrying; and

7 (vii) the surrogacy agreement must provide that, upon request, the
8 intended parent or parents have or will procure and pay for a life
9 insurance policy for the person acting as surrogate; the person acting
10 as surrogate may designate the beneficiary of the person's choosing; and

11 (viii) the surrogacy agreement shall provide for the right of the
12 person acting as surrogate, upon request, to obtain counseling to
13 address issues resulting from the person's participation in the surroga-
14 cy agreement. The cost of that counseling shall be paid by the intended
15 parent or parents.

16 (2) As to the intended parent or parents:

17 (i) the intended parent or parents agree to accept custody of all
18 resulting children immediately upon birth regardless of number, gender,
19 or mental or physical condition; and

20 (ii) the intended parent or parents agree to assume responsibility for
21 the support of all resulting children immediately upon birth; and

22 (iii) the surrogacy agreement shall include the name of the attorney
23 representing the intended parent or parents; and

24 (iv) the surrogacy agreement shall provide that the rights and obli-
25 gations of the intended parent or parents under the surrogacy agreement
26 are not assignable; and

27 (v) the intended parent or parents agree to execute a will, prior to
28 the embryo transfer, designating a guardian for all resulting children
29 who is authorized to perform the intended parent's or parents' obli-
30 gations pursuant to the surrogacy agreement.

31 § 581-404. Surrogacy agreement: effect of subsequent spousal relation-
32 ship. (a) After the execution of a surrogacy agreement under this arti-
33 cle, the subsequent spousal relationship of the person acting as surro-
34 gate does not affect the validity of a surrogacy agreement, the consent
35 of the spouse of the person acting as surrogate to the agreement shall
36 not be required, and the spouse of the person acting as surrogate shall
37 not be the presumed parent of any resulting children.

38 (b) The subsequent separation or divorce of the intended parents does
39 not affect the rights, duties and responsibilities of the intended
40 parents as outlined in the surrogacy agreement.

41 § 581-405. Termination of surrogacy agreement. After the execution of
42 a surrogacy agreement but before the person acting as surrogate becomes
43 pregnant by means of assisted reproduction, the person acting as surro-
44 gate, the spouse of the person acting as surrogate, if applicable, or
45 any intended parent may terminate the surrogacy agreement by giving
46 notice of termination in a record to all other parties. Upon proper
47 termination of the surrogacy agreement the parties are released from all
48 obligations recited in the surrogacy agreement except that the intended
49 parent or parents remains responsible for all expenses that are reim-
50 bursable under the agreement which have been incurred by the person
51 acting as surrogate through the date of termination. Unless the agree-
52 ment provides otherwise, the person acting as surrogate is entitled to
53 keep all payments received and obtain all payments to which the person
54 is entitled up until the date of termination. Neither a person acting as
55 surrogate nor the spouse of the person acting as surrogate, if any, is

1 liable to the intended parent or parents for terminating a surrogacy
2 agreement as provided in this section.

3 § 581-406. Parentage under compliant surrogacy agreement. Upon the
4 birth of a child conceived by assisted reproduction under a surrogacy
5 agreement that complies with this part, each intended parent is, by
6 operation of law, a parent of the child and neither the person acting as
7 a gestational surrogate nor the person's spouse, if any, is a parent of
8 the child.

9 § 581-407. Insufficient surrogacy agreement. If a surrogacy agreement
10 does not meet the material requirements of this article, the agreement
11 is not enforceable and the court shall determine parentage based on the
12 intent of the parties, taking into account the best interests of the
13 child. An intended parent's absence of genetic connection to the child
14 is not a sufficient basis to deny that individual a judgment of legal
15 parentage.

16 § 581-408. Absence of surrogacy agreement. Where there is no surrogacy
17 agreement, the parentage of the child will be determined based on other
18 laws of this state.

19 § 581-409. Dispute as to surrogacy agreement. (a) Any dispute which
20 is related to a surrogacy agreement other than disputes as to parentage
21 shall be resolved by the supreme court, which shall determine the
22 respective rights and obligations of the parties.

23 (b) Except as expressly provided in the surrogacy agreement, the
24 intended parent or parents and the person acting as surrogate shall be
25 entitled to all remedies available at law or equity in any dispute
26 related to the surrogacy agreement.

27 (c) There shall be no specific performance remedy available for a
28 breach by the person acting as surrogate of a surrogacy agreement term
29 that requires the person acting as surrogate to be impregnated or to
30 terminate or continue the pregnancy or to reduce or retain the number of
31 fetuses or embryos the person acting as surrogate is carrying.

32 PART 5

33 PAYMENT TO DONORS AND PERSONS ACTING AS SURROGATES

34 Section 581-501. Reimbursement.

35 581-502. Compensation.

36 § 581-501. Reimbursement. (a) A donor who has entered into a valid
37 agreement to be a donor may receive reimbursement from an intended
38 parent or parents for economic losses incurred in connection with the
39 donation which result from the retrieval or storage of gametes or embr-
40 yos.

41 (b) Premiums paid for insurance against economic losses directly
42 resulting from the retrieval or storage of gametes or embryos for
43 donation may be reimbursed.

44 § 581-502. Compensation. (a) Compensation may be paid to a donor or
45 person acting as surrogate based on medical risks, physical discomfort,
46 inconvenience and the responsibilities they are undertaking in
47 connection with their participation in the assisted reproduction. Under
48 no circumstances may compensation be paid to purchase gametes or embryos
49 or for the relinquishment of a parental interest in a child.

50 (b) The compensation, if any, paid to a donor or person acting as
51 surrogate must be reasonable and negotiated in good faith between the
52 parties, and said payments to a person acting as surrogate shall not
53 exceed the duration of the pregnancy and recuperative period of up to
54 eight weeks after the birth of any resulting children.

(c) Compensation may not be conditioned upon the purported quality or genome-related traits of the gametes or embryos.

(d) Compensation may not be conditioned on actual genotypic or phenotypic characteristics of the donor or of any resulting children.

§ 124. Proceedings regarding parental rights, status or obligations. In any action or proceeding involving a dispute between the [~~birth mother~~] genetic surrogate and [~~(i) the genetic father, (ii) the genetic mother, (iii) both the genetic father and genetic mother, or (iv) the parent or parents of the genetic father or genetic mother~~] any party with a claim to legal parentage pursuant to a genetic surrogate parenting agreement, regarding parental rights, status or obligations with respect to a child born pursuant to a genetic surrogate parenting [~~contract~~] agreement:

7 § 4135-b. Voluntary acknowledgments of [~~paternity~~] parentage; child
8 born out of wedlock. 1. (a) Immediately preceding or following the
9 in-hospital birth of a child to an unmarried [~~woman~~] person or to a
10 person who gave birth to a child conceived through assisted
11 reproduction, the person in charge of such hospital or his or her desig-
12 nated representative shall provide to the [~~child's mother and~~] unmarried
13 person who gave birth to the child and the putative father, if such
14 father is readily identifiable and available, or to the person who gave
15 birth and the other intended parent of a child conceived through
16 assisted reproduction if such person is readily identifiable and avail-
17 able, the documents and written instructions necessary for such mother
18 and putative [~~father~~] persons to complete an acknowledgment of [~~paterni-~~
19 ~~ty~~] parentage witnessed by two persons not related to the signatory.
20 Such acknowledgment, if signed by both parties, at any time following
21 the birth of a child, shall be filed with the registrar at the same time
22 at which the certificate of live birth is filed, if possible, or anytime
23 thereafter. Nothing herein shall be deemed to require the person in
24 charge of such hospital or his or her designee to seek out or otherwise
25 locate a putative father or intended parent of a child conceived through
26 assisted reproduction who is not readily identifiable or available.

27 (b) The following persons may sign an acknowledgment of parentage to
28 establish the parentage of the child:

29 (i) An unmarried person who gave birth to the child and another person
30 who is a genetic parent.

31 (ii) A married or unmarried person who gave birth to the child and
32 another person who is an intended parent under section 581-303 of the
33 family court act of a child conceived through assisted reproduction.

34 (c) An acknowledgment of parentage shall be in a record signed by the
35 person who gave birth to the child and by either the genetic parent
36 other than the person who gave birth to the child or a person who is a
37 parent under section 581-303 of the family court act of the child
38 conceived through assisted reproduction.

39 (d) An acknowledgment of parentage is void if, at the time of signing,
40 any of the following are true:

41 (i) A person other than the person who gave birth to the child or a
42 person seeking to establish parentage through an acknowledgment of
43 parentage is a presumed parent of the child under section twenty-four of
44 the domestic relations law;

45 (ii) A court has entered a judgment of parentage of the child;

46 (iii) Another person has signed a valid acknowledgment of parentage
47 with regard to the child;

48 (iv) The child has a parent under section 581-303 of the family court
49 act other than the signatories;

50 (v) The person seeking to establish parentage is a gamete donor under
51 section 581-302 of the family court act;

52 (vi) The person seeking to establish parentage asserts that he or she
53 is a parent under section twenty-four of the domestic relations law;

54 (vii) The person seeking to establish parentage asserts that he or she
55 is a parent of a child conceived through assisted reproduction and the

1 person is in fact, not a parent under section 581-303 of the family
2 court act.

3 (e) The acknowledgment shall be executed on a form provided by the
4 commissioner developed in consultation with the appropriate commissioner
5 of the department of family assistance, which shall include the social
6 security number of the ~~[mother]~~ person who gave birth to the child and
7 of the ~~[putative father]~~ acknowledged parent and provide in plain
8 language (i) a statement by the ~~[mother]~~ person who gave birth to the
9 child consenting to the acknowledgment of ~~[paternity]~~ parentage and a
10 statement that the ~~[putative father]~~ acknowledged parent is the only
11 possible ~~[father]~~ other genetic parent or that the acknowledged parent
12 is an intended parent and the child was conceived through assisted
13 reproduction, (ii) a statement by the putative father, if any, that he
14 is the biological father of the child, and (iii) a statement that the
15 signing of the acknowledgment of ~~[paternity]~~ parentage by both parties
16 shall have the same force and effect as an order of filiation entered
17 after a court hearing by a court of competent jurisdiction, including an
18 obligation to provide support for the child except that, only if filed
19 with the registrar of the district in which the birth certificate has
20 been filed, will the acknowledgment have such force and effect with
21 respect to inheritance rights.

22 ~~[(b)]~~ (f) Prior to the execution of an acknowledgment of ~~[paternity]~~
23 parentage, the ~~[mother]~~ person who gave birth to the child and the
24 ~~[putative father]~~ other signatory shall be provided orally, which may be
25 through the use of audio or video equipment, and in writing with such
26 information as is required pursuant to this section with respect to
27 their rights and the consequences of signing a voluntary acknowledgment
28 of ~~[paternity]~~ parentage including, but not limited to:

29 (i) that the signing of the acknowledgment of ~~[paternity]~~ parentage
30 shall establish the ~~[paternity]~~ parentage of the child and shall have
31 the same force and effect as an order of ~~[paternity]~~ parentage or filia-
32 tion issued by a court of competent jurisdiction establishing the duty
33 of both parties to provide support for the child;

34 (ii) that if such an acknowledgment is not made, the ~~[putative father]~~
35 signatory other than the person who gave birth to the child can be held
36 liable for support only if the family court, after a hearing, makes an
37 order declaring that the ~~[putative father]~~ person is the ~~[father]~~ parent
38 of the child whereupon the court may make an order of support which may
39 be retroactive to the birth of the child;

40 (iii) that if made a respondent in a proceeding to establish ~~[paterni-~~
41 ty] parentage the ~~[putative father]~~ signatory other than the person who
42 gave birth to the child has a right to free legal representation if
43 indigent;

44 (iv) that ~~[the putative father]~~ an alleged genetic parent has a right
45 to a genetic marker test or to a DNA test when available;

46 (v) that by executing the acknowledgment, the ~~[putative father]~~
47 alleged genetic parent waives ~~[his]~~ their right to a hearing, to which
48 ~~[he]~~ they would otherwise be entitled, on the issue of ~~[paternity]~~
49 parentage;

50 (vi) that a copy of the acknowledgment of ~~[paternity]~~ parentage shall
51 be filed with the putative father registry pursuant to section three
52 hundred seventy-two-c of the social services law, and that such filing
53 may establish the child's right to inheritance from the putative father
54 pursuant to clause (B) of subparagraph two of paragraph (a) of section
55 4-1.2 of the estates, powers and trusts law;

(vii) that, if such acknowledgment is filed with the registrar of the district in which the birth certificate has been filed, such acknowledgment will establish inheritance rights from the putative father or the other intended parent of a child conceived through assisted reproduction pursuant to clause (A) of subparagraph two of paragraph (a) of section 4-1.2 of the estates, powers and trusts law;

(viii) that no further judicial or administrative proceedings are required to ratify an unchallenged acknowledgment of ~~[paternity]~~ parentage provided, however, that:

(A) A signatory to an acknowledgment of ~~[paternity]~~ parentage, who had attained the age of eighteen at the time of execution of the acknowledgment, shall have the right to rescind the acknowledgment within the earlier of sixty days from the date of signing the acknowledgment or the date of an administrative or a judicial proceeding (including, but not limited to, a proceeding to establish a support order) relating to the child in which the signatory is a party, provided that the "date of an administrative or a judicial proceeding" shall be the date by which the respondent is required to answer the petition;

(B) A signatory to an acknowledgment of ~~[paternity]~~ parentage, who had not attained the age of eighteen at the time of execution of the acknowledgment, shall have the right to rescind the acknowledgment anytime up to sixty days after the signatory's attaining the age of eighteen years or sixty days after the date on which the respondent is required to answer a petition (including, but not limited to, a petition to establish a support order) relating to the child, whichever is earlier; provided, however, that the signatory must have been advised at such proceeding of his or her right to file a petition to vacate the acknowledgment within sixty days of the date of such proceeding;

(ix) that after the expiration of the time limits set forth in clauses (A) and (B) of subparagraph (viii) of this paragraph, any of the signatories may challenge the acknowledgment of ~~[paternity]~~ parentage in court only on the basis of fraud, duress, or material mistake of fact, with the burden of proof on the party challenging the voluntary acknowledgment;

(x) that the ~~[putative father and mother]~~ person who gave birth to the child and the other signatory may wish to consult with attorneys before executing the acknowledgment; and that they have the right to seek legal representation and supportive services including counseling regarding such acknowledgment;

(xi) that the acknowledgment of ~~[paternity]~~ parentage may be the basis for the ~~[putative father]~~ signatory other than the person who gave birth to the child establishing custody and visitation rights to the child and for requiring the ~~[putative father's]~~ consent of the signatory other than the person who gave birth to the child prior to an adoption proceeding;

(xii) that the ~~[mother's]~~ refusal of the person who gave birth to the child to sign the acknowledgment shall not be deemed a failure to cooperate in establishing ~~[paternity for]~~ parentage of the child; and

(xiii) that the child may bear the last name of either parent, or any combination thereof, which name shall not affect the legal status of the child.

In addition, the governing body of such hospital shall insure that appropriate staff shall provide to the ~~[child's mother and putative father]~~ person who gave birth to the child and the other signatory, prior to the ~~[mother's]~~ discharge from the hospital of the person who gave birth to the child, the opportunity to speak with hospital staff to

1 obtain clarifying information and answers to their questions about
2 ~~[paternity]~~ parentage establishment, and shall also provide the tele-
3 phone number of the local support collection unit.

4 ~~[(a)]~~ (g) Within ten days after receiving the certificate of birth,
5 the registrar shall furnish without charge to each parent or guardian of
6 the child or to the ~~[mother]~~ person who gave birth at the address desig-
7 nated by her for that purpose, a certified copy of the certificate of
8 birth and, if applicable, a certified copy of the written acknowledgment
9 of ~~[paternity]~~ parentage. If the ~~[mother]~~ person who gave birth is in
10 receipt of child support enforcement services pursuant to title six-A of
11 article three of the social services law, the registrar also shall
12 furnish without charge a certified copy of the certificate of birth and,
13 if applicable, a certified copy of the written acknowledgment of ~~[pater-~~
14 ~~nity]~~ parentage to the social services district of the county within
15 which the ~~[mother]~~ person who gave birth resides.

16 2. (a) When a child's ~~[paternity]~~ parentage is acknowledged voluntar-
17 ily pursuant to section one hundred eleven-k of the social services law,
18 the social services official shall file the executed acknowledgment with
19 the registrar of the district in which the birth occurred and in which
20 the birth certificate has been filed.

21 (b) Where a child's ~~[paternity]~~ parentage has not been acknowledged
22 voluntarily pursuant to paragraph (a) of subdivision one of this section
23 or paragraph (a) of this subdivision, the ~~[child's mother and the puta-~~
24 ~~tive father]~~ person who gave birth to the child and the other signatory
25 may voluntarily acknowledge a child's ~~[paternity]~~ parentage pursuant to
26 this paragraph by signing the acknowledgment of ~~[paternity]~~ parentage.

27 (c) A signatory to an acknowledgment of ~~[paternity]~~ parentage, who has
28 attained the age of eighteen at the time of execution of the acknowledg-
29 ment shall have the right to rescind the acknowledgment within the
30 earlier of sixty days from the date of signing the acknowledgment or the
31 date of an administrative or a judicial proceeding (including, but not
32 limited to, a proceeding to establish a support order) relating to the
33 child in which either signatory is a party; provided that for purposes
34 of this section, the "date of an administrative or a judicial proceed-
35 ing" shall be the date by which the respondent is required to answer the
36 petition.

37 (d) A signatory to an acknowledgment of ~~[paternity]~~ parentage, who has
38 not attained the age of eighteen at the time of execution of the
39 acknowledgment, shall have the right to rescind the acknowledgment
40 anytime up to sixty days after the signatory's attaining the age of
41 eighteen years or sixty days after the date on which the respondent is
42 required to answer a petition (including, but not limited to, a petition
43 to establish a support order) relating to the child in which the signa-
44 tory is a party, whichever is earlier; provided, however, that the
45 signatory must have been advised at such proceeding of his or her right
46 to file a petition to vacate the acknowledgment within sixty days of the
47 date of such proceeding.

48 (e) After the expiration of the time limits set forth in paragraphs
49 (c) and (d) of this subdivision, any of the signatories may challenge
50 the acknowledgment of ~~[paternity]~~ parentage in court only on the basis
51 of fraud, duress, or material mistake of fact, with the burden of proof
52 on the party challenging the voluntary acknowledgment. The acknowledg-
53 ment shall have full force and effect once so signed. The original or a
54 copy of the acknowledgment shall be filed with the registrar of the
55 district in which the birth certificate has been filed.

3. (a) An executed acknowledgment of [~~paternity~~] parentage executed by [~~the mother and father of a child born out of wedlock~~] any two people eligible to sign such an acknowledgment under paragraph (b) of subdivision one of this section, married or unmarried, shall establish the [~~paternity~~] parentage of a child and shall have the same force and effect as an order of [~~paternity~~] parentage or filiation issued by a court of competent jurisdiction. Such acknowledgement shall thereafter be filed with the registrar pursuant to subdivision one or two of this section.

(b) A registrar with whom an acknowledgment of [~~paternity~~] parentage has been filed pursuant to subdivision one or two of this section shall file the acknowledgment with the state department of health and the putative father registry.

4. The court shall give full faith and credit to an acknowledgment of parentage effective in another state if the acknowledgment was in a signed record and otherwise complies with the law of the other state.

5. A new certificate of birth shall be issued if the certificate of birth of [~~a~~] the child [~~born out of wedlock~~] as defined in paragraph (b) of subdivision one of section four thousand one hundred thirty-five of this article has been filed without entry of the name of the [~~father~~] signatory other than the person who gave birth, and the commissioner thereafter receives a notarized acknowledgment of [~~paternity~~] parentage accompanied by the written consent of the [~~putative father and mother~~] person who gave birth to the child and other signatory to the entry of the name of such [~~father~~] person, which consent may also be to a change in the surname of the child.

6. Any reference to an acknowledgment of paternity in any law of this state shall be interpreted to mean an acknowledgment of parentage signed pursuant to this section or signed in another state consistent with the law of that state.

§ 8. The article heading of article 8 of the domestic relations law, as added by chapter 308 of the laws of 1992, is amended to read as follows:
