(3) Whenever the legality of a proposed local law, ordinance, rule or regulation of a town is brought into issue by the legislative body of a city or the board of trustees of a village, and such issue concerns the rights of a city or village pursuant to subdivision one of section forty-six-a of the navigation law, the town shall seek an opinion from the attorney general prior to the adoption of the local law, ordinance, rule or regulation. A city or village may put a town on notice of their concerns relating to the legality of a proposed local law, ordinance, rule or regulation as it relates to subdivision one of section forty-six-a of the navigation law by sending the town notice via certified mail, or hand delivering such notice to the office of the town clerk, prior to the adoption of such local law, ordinance, rule or regulation. If no opinion is issued by the attorney general within sixty days of the request for such opinion by a town, then such town may proceed with their consideration of such local law, ordinance, rule or regulation, unless the attorney general requests a reasonable amount of additional time to review the legality of the proposal. A town shall not need to request an opinion from the attorney general if the impacted village or city consents to the adoption of the proposed local law, ordinance, rule or regulation. Nothing in this section shall prevent a village or city from proceeding with a civil cause of action against a town in relation to the rights of the village or city pursuant to subdivision one of section forty-six-a of the navigation law.
