Introduced by COMMITTEE ON RULES -- (at request of M. of A. Gunther) --  
read once and referred to the Committee on Governmental Employees

AN ACT granting retroactive tier IV membership in the New York state and  
local employees' retirement system to David Goodman

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contrary,  
2 David Goodman, a member of the New York state and local employees'  
3 retirement system, who on November 24, 2009 commenced part time employ-  
4 ment with the town of Marcy, and who applied for membership in such  
5 retirement system on December 2, 2009, and who, for reasons not ascriba-  
6 ble to his own negligence, failed to become a member of the New York  
7 state and local employees' retirement system on December 2, 2009 and  
8 therefore has tier V instead of tier IV status, shall be deemed to have  
9 joined such retirement system on November 24, 2009, the commencement of  
10 his employment with the town of Marcy, if within one year of the effec-  
11 tive date of this act he shall file an application therefor with the  
12 state comptroller. Upon receipt of such application, David Goodman shall  
13 be deemed to have joined the New York state and local employees' retire-  
14 ment system on November 24, 2009.

15 § 2. All past service costs of implementing the provisions of this act  
16 shall be borne by the town of Marcy, and there shall be no refund of  
17 member contributions to David Goodman.

18 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow David Goodman, currently a Tier 6 member of the  
New York State and Local Employees' Retirement System, to elect into  
Tier 4 by changing his date of membership to November 24, 2009. There  
will be no refund of member contributions.

If this bill is enacted during the 2020 legislative session, we antic-  
ipate that there will be an increase of approximately \$5,500 in the  
annual contributions of the Mohawk Valley Psychiatric Center for the  
fiscal year ending March 31, 2021. In future years, this cost will vary  
as the billing rates and salary of David Goodman change.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD15820-03-0

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$46,800 which will be borne by the Town of Marcy as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2021.
