The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 5004 of the civil practice law and rules, as 2 amended by chapter 258 of the laws of 1981, is amended to read as 3 follows:

§ 5004. Rate of interest. Interest shall be at the rate of nine per centum per annum, except where otherwise provided by statute, provided that in medical debt actions by a hospital licensed under article twenty-eight of the public health law or a health care professional authorized under title eight of the education law the interest rate shall be calculated at the one-year United States treasury bill rate. For the purposes of this section, the "one-year United States treasury bill rate" means the weekly average one-year constant maturity treasury yield, as published by the board of governors of the federal reserve system, for the calendar week preceding the date of the entry of the judgment awarding damage.
