1     § 363-c. Application for license. 1. An application for a license  
2     shall be in writing, under oath, and in the form prescribed by the  
3     superintendent and shall contain such information as the superintendent  
4     may require by regulation. The application shall set forth all of the  
5     locations at which the applicant seeks to conduct business pursuant to  
6     this article. At the time of making the application for a license, the  
7     applicant shall pay to the superintendent a fee as prescribed by regu-  
8     lation for each proposed location for investigating the application.

9     2. In connection with an application for a license, the applicant  
10    shall submit an affidavit of financial solvency noting such capitaliza-  
11    tion requirements and access to such credit as may be prescribed by the  
12    regulations promulgated by the superintendent.

13    3. The applicant shall also prove, in form satisfactory to the super-  
14    intendent, that the applicant has available for the operation of such  
15    business at the location or locations specified in the application  
16    liquid assets of at least fifty thousand dollars. This amount shall be  
17    maintained for the period within which the licensee is licensed.

18    4. If a person or entity holding a license seeks to open another  
19    location for the conduct of activities licensable under this article,  
20    the licensee shall first submit written notification of this fact to the  
21    superintendent. The notification shall contain the address of the new  
22    location and the license number. An investigation fee as prescribed in  
23    regulations shall be paid for each additional location. The additional  
24    location shall be authorized upon written approval by the superintendent  
25    or after ninety days have passed since the notification was provided and  
26    investigation fee was paid unless the superintendent denies the request  
27    for an additional location prior to the expiration of the ninety days.  
28    The superintendent may deny a request for an additional location if the  
29    new location by the licensee is not in the public interest, in which  
30    case, the superintendent shall send a written denial to the licensee.

31    § 363-d. Conditions for issuance of a license. Upon the filing of such  
32    application and the payment of such fees, if the superintendent shall  
33    find that the financial responsibility, experience, character, and

35    applicant be a partnership or association, and of the officers and  
36    directors thereof if the applicant be a corporation, are such as to  
37    command the confidence of the community and to warrant belief that the  
38    business will be operated honestly, fairly, and efficiently within the  
39    purposes of this article, and if the superintendent shall find that the  
40    applicant has available for the operation of such business at each spec-  
41    ified location liquid assets of at least fifty thousand dollars, the  
42    superintendent shall thereupon execute a license at the location or  
43    locations specified in the said application. The superintendent shall  
44    transmit one copy of such license or licenses to the applicant and file  
45    the same in the office of the department. Each such license shall remain  
46    in full force and effect until it is surrendered by the licensee or  
47    revoked or suspended as hereinafter provided; if the superintendent  
48    shall not so find, a license shall not be issued and the superintendent  
49    shall notify the applicant of the denial. If an application is denied or  
50    withdrawn the superintendent shall return to the applicant the sum paid  
51    by the applicant as a license fee, retaining the investigation fee to  
52    cover the costs of investigating such application. The superintendent  
53    shall approve or deny every application for a master license under this  
54    article within ninety days from the filing thereof with the applicable  
55    fees.

1     § 363-e. Locations; change of address. 1. A license shall state the  
2     address at which the business is to be conducted and shall state fully  
3     the name of the licensee, and if the licensee is a partnership or asso-  
4     ciation, the names of the members thereof, and if a corporation, the  
5     date and place of its incorporation. No license shall be transferable or  
6     assignable.

7     2. Every location used by the licensee to conduct business must be  
8     identified in the application and approved by the superintendent. After  
9     a license has been issued, any application for a change in address or  
10    new location must be submitted within forty-five days of such proposed  
11    change or addition. The licensee shall pay to the superintendent a fee  
12    as prescribed by regulation for each change or addition and shall  
13    provide any information which may be required regarding such new  
14    location. If the superintendent is not satisfied that such change or  
15    addition is in accordance with the purposes of this article, the super-  
16    intendent shall refuse such change of location or additional location  
17    and notify the licensee of such determination.

18    § 363-f. Changes in control. 1. It shall be unlawful except with the  
19    prior approval of the superintendent for any action to be taken which  
20    results in a change of control of the business of a licensee. Prior to  
21    any change of control, the person desirous of acquiring control of the  
22    business of a licensee shall make written application to the superinten-  
23    dent and pay an investigation fee as prescribed by regulation. The  
24    application shall contain such information as the superintendent, by  
25    rule or regulation, may prescribe as necessary or appropriate for the  
26    purpose of making the determination required by subdivision two of this  
27    section.

28    2. The superintendent shall approve or disapprove the proposed change  
29    of control of a licensee in accordance with the provisions of sections  
30    three hundred sixty-three-c and three hundred sixty-three-d of this  
31    article. The superintendent shall approve or disapprove the application  
32    in writing within ninety days after the date the application is filed  
33    with the superintendent.

34    3. For a period of six months from the date of qualification thereof  
35    and for such additional period of time as the superintendent may  
36    prescribe, in writing, the provisions of subdivisions one and two of  
37    this section shall not apply to a transfer of control by operation of  
38    law to the legal representative, as defined in subdivision four of this  
39    section, of one who has control of a licensee. Thereafter, such legal  
40    representative shall comply with the provisions of subdivisions one and  
41    two of this section.

42    4. The term "legal representative", for the purposes of this section,  
43    shall mean one duly appointed by a court of competent jurisdiction to  
44    act as executor, administrator, trustee, committee, conservator or  
45    receiver, including one who succeeds a legal representative and one  
46    acting in an ancillary capacity thereto in accordance with the  
47    provisions of such court appointment.

48    5. As used in this section: (a) the term "person" includes an individ-  
49    ual, partnership, corporation, association or any other organization;  
50    and (b) the term "control" means the possession, directly or indirectly,  
51    of the power to direct or cause the direction of the management and  
52    policies of a licensee, whether through the ownership of voting stock of  
53    such licensee, the ownership of voting stock of any person which  
54    possesses such power or otherwise. Control shall be presumed to exist if  
55    any person, directly or indirectly, owns, controls or holds with power  
56    to vote ten per centum or more of the voting stock of any licensee or of

1 any person which owns, controls or holds with power to vote ten per  
2 centum or more of the voting stock of any licensee, but no person shall  
3 be deemed to control a licensee solely by reason of being an officer or  
4 director of such licensee or person. The superintendent may in his  
5 discretion, upon the application of a licensee or any person who,  
6 directly or indirectly, owns, controls or holds with power to vote or  
7 seeks to own, control or hold with power to vote any voting stock of  
8 such licensee, determine whether or not the ownership, control or hold-  
9 ing of such voting stock constitutes or would constitute control of such  
10 licensee for purposes of this section.

11 § 363-g. Grounds for suspension or revocation. 1. The superintendent  
12 may suspend or revoke any license issued under this article if the  
13 superintendent shall find that:

14 (a) the licensee has failed to pay any sum of money lawfully demanded  
15 by the superintendent or to comply with any demand, ruling, or require-  
16 ment of the superintendent within a reasonable period of time;

17 (b) the licensee has violated any provisions of this article; or

18 (c) any fact or condition exists which, if it had existed at the time  
19 of the original application for such license, clearly would have  
20 warranted the superintendent in refusing originally to issue such  
21 license.

22 2. The superintendent may on good cause shown, without notice or hear-  
23 ing, suspend any license for a period not exceeding thirty days, pending  
24 investigation.

25 3. Any licensee may surrender any license by delivering to the super-  
26 intendent written notice that the licensee thereby surrenders such  
27 license, but such surrender shall not affect such licensee's civil or  
28 criminal liability for acts committed prior to such surrender.

29 4. No revocation or suspension or surrender of any license shall  
30 impair or affect the obligation of any pre-existing lawful contract  
31 between the licensee and any borrower.

32 5. Every license issued pursuant to this article shall remain in force  
33 and effect until it shall have been surrendered, revoked, or suspended  
34 in accordance with the provisions of this article, but the superinten-  
35 dent shall have authority to reinstate suspended licenses or to issue  
36 new licenses to a licensee whose license or licenses shall have been  
37 revoked if no fact or condition then exists which clearly would have  
38 warranted the superintendent in refusing originally to issue such  
39 license under this article.

40 6. Whenever the superintendent shall revoke or suspend a license  
41 issued pursuant to this article, the superintendent shall execute a  
42 written order to that effect. The superintendent shall file one copy of  
43 such order in the office of the department and serve a copy upon the  
44 licensee, such order may be reviewed in the manner provided by article  
45 seventy-eight of the civil practice law and rules. Such special proceed-  
46 ing for review as authorized by this section must be commenced within  
47 thirty days from the date of such order of suspension or revocation.

48 § 363-h. Examinations. For the purpose of discovering violations of  
49 this article or securing information lawfully required under this arti-  
50 cle, the superintendent may at any time, and as often as may be deter-  
51 mined, either personally or by a person duly designated by the super-  
52 intendent, investigate the business and examine the books, accounts,  
53 records, and files used therein of every licensee in connection with the  
54 activity covered under this article. For that purpose the superintendent  
55 and duly designated representatives shall have free access to the  
56 offices and place of business, books, accounts, papers, records, files,

1 safes and vaults of all such licensees. The superintendent shall have  
2 authority to require the attendance of and to examine under oath all  
3 persons whose testimony may be required relative to such business.

4 § 363-i. Books and records. 1. The licensee shall keep and use in its  
5 business such books, accounts, and records as will enable the super-  
6 intendent to determine whether such licensee is complying with the  
7 provisions of this article and with the rules and regulations lawfully  
8 made by the superintendent pursuant to this article. Every licensee  
9 shall preserve such books, accounts, and records for at least two years  
10 after the last payment on any account was made or two years after an  
11 account is written off as a loss. Preservation of photographic repro-  
12 duction thereof or records in photographic form, including an optical  
13 disk storage system and the use of electronic data processing equipment  
14 that provides comparable records to those otherwise required and which  
15 are available for examination upon request shall constitute compliance  
16 with the requirements of this section.

17 2. Each licensee shall annually on or before the first day of April  
18 file a report with the superintendent giving such information as the  
19 superintendent may require concerning the business and operations during  
20 the preceding calendar year of each licensed place of business conducted  
21 by such licensee within the state under authority of this article. Such  
22 report shall be subscribed and affirmed as true by the licensee under  
23 the penalties of perjury and shall be in the form prescribed by the  
24 superintendent who shall make and publish annually a consolidated state-  
25 ment of condition showing the combined assets and liabilities of all  
26 licensed lenders. Such consolidated statement of condition shall be  
27 based upon the information contained in such reports. In addition to  
28 annual reports, the superintendent may require such additional regular  
29 or special reports as may be deemed necessary to the proper supervision  
30 of licensees under this article. Such additional reports shall be in the  
31 form prescribed by the superintendent and shall be subscribed and  
32 affirmed as true under the penalties of perjury.

33 § 363-j. Advertising. 1. No licensee shall advertise, print, display,  
34 publish, distribute, or broadcast or cause or permit to be advertised,  
35 printed, displayed, published, distributed, or broadcasted, in any  
36 manner whatsoever any statement or representation with regard to the  
37 rates, terms, costs or conditions for a commercial financing product  
38 which is false, misleading or deceptive.

39 2. No licensee shall make, directly or indirectly, orally or in writ-  
40 ing, by any method, practice or device, any representation that it is  
41 licensed under this article, except a representation that such licensee  
42 is licensed as a licensed commercial financing provider by the depart-  
43 ment.

44 3. No licensee shall transact any business subject to this article  
45 under any other name or at any other place of business than that named  
46 in the license, except as may be authorized by the superintendent.

47 § 363-k. Prohibited practices of licensees. 1. No licensee shall take  
48 any confession of judgment or any power of attorney running to himself  
49 or to any third person to confess judgment or to appear for the borrower  
50 in a judicial proceeding.

51 2. No licensee shall take any instrument in which blanks are left to  
52 be filled in after execution.

53 § 363-l. Penalties. 1. Any commercial financing product made by a  
54 person not licensed under this article, and not exempt, to a business or  
55 commercial enterprise located in this state shall be void, and the  
56 provider shall have no right to collect or receive any principal, inter-

1 est, fees or charges whatsoever. No action to enforce a transaction made  
2 in violation of this subdivision may be maintained.

3 2. Any person or other entity including the officers, directors,  
4 agents, and employees thereof, which shall violate or participate in the  
5 violation of any of the provisions of section three hundred sixty-three  
6 of this article shall be guilty of a misdemeanor.

7 § 363-m. Regulations. The superintendent is hereby authorized and  
8 empowered to make such general rules and regulations, and such specific  
9 rulings, demands, and findings as may be necessary for the proper  
10 conduct of the business authorized and licensed under and for the  
11 enforcement of this article, in addition hereto and not inconsistent  
12 herewith.

13 § 363-n. Severability. If any provision of this article or the appli-  
14 cation thereof to any person or circumstances is held to be invalid,  
15 such invalidity shall not affect other provisions or applications of  
16 this article which can be given effect without the invalid provision or  
17 application, and to this end the provisions of this article are severa-  
18 ble.

19 § 2. Paragraph 5 of subdivision a of section 10-136 of the administra-  
20 tive code of the city of New York, as added by local law number 80 of  
21 the city of New York for the year 1996, is amended to read as follows:

22 (5) "Check cashing business" shall mean any person duly licensed by

37 division of criminal justice services for the purpose of conducting a  
38 criminal history search and returning a report thereon in accordance  
39 with the procedures and requirements established by the division pursu-  
40 ant to the provisions of article thirty-five of the executive law, which  
41 shall include the payment of the prescribed processing fees. The super-  
42 intendent shall request that the division submit such fingerprints to  
43 the federal bureau of investigation, together with the processing fees  
44 prescribed by such bureau, for the purpose of conducting a criminal  
45 history search and returning a report thereon. An applicant shall not be  
46 required to submit his or her fingerprints as required by this subdivi-

48 department and the applicant has submitted such fingerprints to the
