

STATE OF NEW YORK

1133--A

2019-2020 Regular Sessions

IN ASSEMBLY

January 14, 2019

Introduced by M. of A. GOTTFRIED -- read once and referred to the Committee on Health -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the public health law, in relation to definitions and conforming changes pertaining to anatomical gifts; and to repeal certain provisions of such law relating thereto (Part A); to amend the public health law, in relation to changes in anatomical gift consent (Part B); and to amend the public health law, in relation to changes in anatomical gift revocation and amendment (Part C)

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent. The purpose of this legislation is to
2 enact changes to follow the Uniform Anatomical Gift Act (UAGA) as
3 updated in 2006 by the National Conference of Commissioners on Uniform
4 State Laws to enhance the organ donation process. Most states have
5 adopted these changes. While New York has made recent improvements to
6 our organ donation rules and participation rates, we are still way
7 behind most states and, as a result, still face a severe organ shortage.
8 It is estimated that bringing New York's anatomical gift consent rules
9 into agreement with UAGA would produce an additional 100 donors - for a
10 total of 200-300 additional organs available - over five years.

11 § 2. This act enacts into law changes to the anatomical gift process.
12 Each component is wholly contained within a Part identified as Parts A
13 through C. The effective date for each particular provision contained
14 within such Part is set forth in the last section of such Part. Any
15 provision in any section contained within a Part, including the effective
16 date of the Part, which makes a reference to a section "of this
17 act," when used in connection with that particular component, shall be
18 deemed to mean and refer to the corresponding section of the Part in
19 which it is found. Section three of this act sets forth the general
20 effective date of this act.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
