AN ACT to amend the public health law, in relation to patient notification regarding proceedings for medical misconduct, probation, and actions for medical malpractice

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public health law is amended by adding a new section 230-e to read as follows:

§ 230-e. Disciplinary proceedings and medical malpractice; notice to patients. 1. Any person who holds a license to practice medicine in this state pursuant to article one hundred thirty-one of the education law who either (a) was the subject of a proceeding pursuant to section two hundred thirty of this title that resulted in the revocation, surrender, suspension or limitation of such license; (b) is currently the subject of ongoing proceedings pursuant to section two hundred thirty of this title; (c) has been placed on probation by the office of professional medical conduct; (d) has received discipline from the office of professional medical conduct that did not result in the revocation, surrender, suspension or limitation of such license; or (e) received a verdict of guilty or entered into a settlement agreement in an action for medical malpractice; shall provide notification to such person's patients as set forth in subdivision two of this section.

2. Any person subject to the provisions of subdivision one of this section shall:

(a) notify each patient of such person in writing by first class mail within thirty days of the revocation, surrender, suspension or limitation of the license to practice medicine, of the commencement of a proceeding pursuant to section two hundred thirty of this title, of being placed on probation by the office of professional medical conduct,

1 or of receiving discipline from the office of professional medical
2 conduct that did not result in the revocation, surrender, suspension or
3 limitation of the license to practice medicine or the date of the
4 verdict of guilty or settlement agreement in an action for medical malp-
5 ractice. Upon completion of such mailing, such person shall file with
6 the commissioner a sworn statement that such mailing was made. Such
7 statement shall be made in a manner and form to be determined by the
8 commissioner and contain information the commissioner deems appropriate;
9 and

10 (b) notify each new patient in writing prior to any consultation with
11 or provision of any services for such patient.

12 3. Any person who holds a license to practice medicine in this state
13 pursuant to article one hundred thirty-one of the education law who is
14 subject to mandatory supervision as a result of disciplinary action
15 taken against them by the office of professional medical conduct, shall
16 disclose to all patients that they are subject to such supervision due
17 to such disciplinary action.

18 § 2. This act shall take effect on the thirtieth day after it shall
19 have become a law.
