## IN ASSEMBLY

January 14, 2019

Introduced by M. of A. CROUCH, BRABENEC, PALUMBO -- read once and referred to the Committee on Governmental Operations

AN ACT to amend the executive law, the county law, the general municipal law and the public health law, in relation to requiring members of the state police, county, city, village, town and district police departments, sheriff's departments, fire departments and emergency medical service providers to be trained in the administration of opioid antagonists

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The executive law is amended by adding a new section 221-e to read as follows:

§ 221-e. Opioid antagonist training and use. 1. Definitions. As used in this section, the following terms shall have the following meanings:

(a) "Opioid" means an opiate as defined in section thirty-three hundred two of the public health law.

(b) "Opioid antagonist" means a federal food and drug administration-approved drug that, when administered, negates or neutralizes in whole or in part the pharmacological effects of an opioid in the body. The opioid antagonist is limited to naloxone or other medications approved by the department of health for this purpose.

2. All members of the state police shall be required to be trained in the administration of opioid antagonists and shall carry opioid antagonists in their vehicles when on duty.

3. All members of the state police shall:

(a) complete an initial training program, which may include a department of health registered opioid overdose prevention training program;

(b) complete a refresher training program at least every two years;

(c) contact the emergency medical system during any response to a victim of suspected drug overdose and advise if an opioid antagonist is being used;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
