2 by the division of criminal justice services pertaining to such volun-
3 teer or prospective volunteer or employee or prospective employee;
4 provided, however, that conviction records shall be requested only for
5 volunteers or prospective volunteers, employees or prospective employees
6 who have direct contact, as determined by such entity, with children
7 served by such entity. The fee for such record shall be paid by such
8 entity.

9 3. The conviction record shall be marked "confidential" upon receipt
10 by the person who has requested such records. Only such person shall
11 have access to such conviction record, and such conviction record shall

14 required by this subdivision shall be guilty of a class E felony.

15 4. Prior to requesting a conviction record of a volunteer or prospec-

17 criminal justice services, a representative of such entity shall inform
18 any such person who works directly with children in any activities
19 authorized by such entity that a request for a conviction record and
20 review thereof is required in order for such person to continue in the
21 same capacity or for such prospective volunteer or employee to be
22 accepted by such entity. Such person shall sign a form provided by the
23 division of criminal justice services stating that such person has been
24 informed of the reason for a request for his or her conviction record
25 and consents to such request. Such form shall accompany each request for
26 a conviction record made by the person of such entity requesting the
27 record.

29 his or her conviction record and before such person gives consent to the
30 provision of such record to such entity, a person may have access to his
31 or her conviction record as maintained by the division of criminal
32 justice services pursuant to the procedures of such division. Such
33 person shall be provided with all necessary information regarding access
34 to such records by a representative of such entity. Such person shall
35 also be provided by such division with information regarding procedures
36 for such person to verify the accuracy of such records. Such person
37 shall notify such entity if he or she wishes to have access to his or
38 her conviction record prior to giving consent to such entity's request
39 for such record.

40 6. A prospective volunteer or employee may withdraw from the applica-
41 tion process, whether or not he or she has had access to his or her
42 conviction record and whether or not such record has been received by
43 such entity, without prejudice. If the conviction record of such person
44 has been received by such entity, the person designated by such entity
45 to have access to conviction records shall destroy such record if the
46 prospective volunteer or employee is not hired and/or accepted by such
47 entity or withdraws from the application process.

48 7. The conviction record of such a person shall be destroyed by the
49 person designated by such entity to have access to conviction records
50 when such volunteer or employee no longer has direct contact with chil-
51 dren served by such entity.

52 8. The provisions of this section shall not, however, be applicable to
53 any person who has a minor child under the care and supervision of such
54 entity where he or she volunteers or is employed or seeks employment.

55 9. The division of criminal justice services shall respond to any
56 request for a conviction record which is accompanied by a form signed by

1 the subject of such request consenting to the provision of such record
2 made pursuant to this section within fourteen days after such inquiry is
3 received. The commissioner of such division shall promulgate rules and
4 regulations providing for a hearing for a prospective volunteer or
5 volunteer or employee or prospective employee before representatives of
6 such division and the department for purposes of verifying the accuracy
7 of his or her conviction record and for access by such persons to perti-
8 nent documents related thereto.

9 10. For purposes of this section, "conviction record" shall mean any
10 record maintained by the division of criminal justice services of
11 convictions of a crime in violation of the penal law or any other law of
12 another jurisdiction which, if committed in this state, would constitute
13 a crime.

14 § 2. Subdivision 8-a of section 837 of the executive law, as amended
15 by chapter 561 of the laws of 2006, is amended to read as follows:

16 8-a. Charge a fee when, pursuant to statute or the regulations of the
17 division, it conducts a search of its criminal history records and
18 returns a report thereon in connection with an application for employ-
19 ment or for a license or permit or returns a conviction report thereon
20 as required by section three hundred seventy-eight-b of the social
21 services law. The division shall adopt and may, from time to time,
22 amend a schedule of such fees which shall be in amounts determined by
23 the division to be reasonably related to the cost of conducting such
24 searches and returning reports thereon but, in no event, shall any such
25 fee exceed twenty-five dollars and an additional surcharge of fifty
26 dollars. The comptroller is hereby authorized to deposit such fees into
27 the general fund, provided, however, that the monies received by the
28 division of criminal justice services for payment of the additional
29 surcharge shall be deposited in equal amounts to the general fund and to
30 the fingerprint identification and technology account. Notwithstanding
31 the foregoing, the division shall not request or accept any fee for
32 searching its records and supplying a criminal history report pursuant
33 to section two hundred fifty-one-b of the general business law relating
34 to participating in flight instruction at any aeronautical facility,
35 flight school or institution of higher learning.

36 § 3. This act shall take effect on the one hundred twentieth day after
37 it shall have become a law provided, however, that the commissioner of
38 the division of criminal justice services shall promulgate rules and
39 regulations prior to such effective date necessary to implement the
40 provisions of this act.
