AN ACT to amend the vehicle and traffic law and the public authorities law, in relation to authorizing a residential parking permit system in the city of New York; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Legislative findings and intent. The legislature finds that a lack of parking for residents of the city of New York has resulted in traffic hazards, congestion and air and noise pollution. In addition, such lack of parking poses a hazard to residents and other pedestrians in such areas.

The legislature further finds that a residential parking system will 7 reduce such hazards and will reduce pollution levels as well. The legislature, therefore, declares the necessity of this act to authorize the city of New York to adopt a residential parking system in accordance 10 with the provisions of this act.

§ 2. The vehicle and traffic law is amended by adding a new section 11 1640-q to read as follows: 12
