The People of the State of New York, represented in Senate and Assembly, do enact as follows:

3 amended to read as follows:

4 a. Any owner of land used in agricultural production within an agri-
5 cultural district shall be eligible for an agricultural assessment
6 pursuant to this section. If an applicant rents land from another for
7 use in conjunction with the applicant's land for the production for sale
8 of crops, livestock or livestock products, the gross sales value of such
9 products produced on such rented land shall be added to the gross sales
10 value of such products produced on the land of the applicant for
11 purposes of determining eligibility for an agricultural assessment on
12 the land of the applicant. Such assessment shall be granted only upon an
13 annual application by the owner of such land on a form prescribed by the
14 commissioner of taxation and finance; provided, however, that after the
15 initial grant of agricultural assessment the annual application shall be

17 commissioner of taxation and finance and shall consist of only a certifi-
18 cation by the landowner that the landowner continues to meet the eligi-
19 bility requirements for receiving an agricultural assessment and seeks
20 an agricultural assessment for the same acreage that initially received
21 an agricultural assessment. The landowner shall maintain records docu-

1 change in acreage, whether land is added or removed, after the initial
2 grant of agricultural assessment. Any new owner of the land who wishes
3 to receive an agricultural assessment shall make an initial application
4 for such assessment. Such applications shall be on a form prescribed by
5 the commissioner of taxation and finance. The applicant shall furnish to
6 the assessor such information as the commissioner of taxation and
7 finance shall require, including classification information prepared for
8 the applicant's land or water bodies used in agricultural production by
9 the soil and water conservation district office within the county, and
10 information demonstrating the eligibility for agricultural assessment of
11 any land used in conjunction with rented land as specified in paragraph
12 b of subdivision four of section three hundred one of this article. Such
13 application shall be filed with the assessor of the assessing unit on or
14 before the appropriate taxable status date; provided, however, that (i)
15 in the year of a revaluation or update of assessments, as those terms
16 are defined in section one hundred two of the real property tax law, the
17 application may be filed with the assessor no later than the thirtieth
18 day prior to the day by which the tentative assessment roll is required
19 to be filed by law; or (ii) an application for such an assessment may be
20 filed with the assessor of the assessing unit after the appropriate
21 taxable status date but not later than the last date on which a petition
22 with respect to complaints of assessment may be filed, where failure to
23 file a timely application resulted from: (a) a death of the applicant's
24 spouse, child, parent, brother or sister, (b) an illness of the appli-
25 cant or of the applicant's spouse, child, parent, brother or sister,
26 which actually prevents the applicant from filing on a timely basis, as
27 certified by a licensed physician, or (c) the occurrence of a natural
28 disaster, including, but not limited to, a flood, or the destruction of
29 such applicant's residence, barn or other farm building by wind, fire or
30 flood. If the assessor is satisfied that the applicant is entitled to an
31 agricultural assessment, the assessor shall approve the application and
32 the land shall be assessed pursuant to this section. Not less than ten
33 days prior to the date for hearing complaints in relation to assess-
34 ments, the assessor shall mail to each applicant, who has included with
35 the application at least one self-addressed, pre-paid envelope, a notice
36 of the approval or denial of the application. Such notice shall be on a
37 form prescribed by the commissioner of taxation and finance which shall
38 indicate the manner in which the total assessed value is apportioned
39 among the various portions of the property subject to agricultural
40 assessment and those other portions of the property not eligible for
41 agricultural assessment as determined for the tentative assessment roll
42 and the latest final assessment roll. Failure to mail any such notice or
43 failure of the owner to receive the same shall not prevent the levy,
44 collection and enforcement of the payment of the taxes on such real
45 property.

46 § 2. Paragraphs (h) and (i) of subdivision 1 of section 104 of the
47 real property tax law, as added by section 1 of part U of chapter 61 of

5 have become a law. Effective immediately, the addition, amendment and/or
6 repeal of any rule or regulation necessary for the implementation of
7 this act on its effective date are authorized to be made and completed
