2019-2020 Regular Sessions

IN ASSEMBLY

January 17, 2019

Introduced by M. of A. ABINANTI -- read once and referred to the Committee on Election Law

AN ACT to amend the election law, in relation to authorizing online facilitation of voter registration

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The election law is amended by adding a new section 5-205
2 to read as follows:

3 § 5-205. Online voter registration. a. The state board of elections
4 shall provide a secure website and mobile application that allows any
5 individual qualified to vote in the state to confidentially submit to
6 his or her county board of elections through such website and mobile
7 application the information collected on a voter registration applica-
8 tion form pursuant to section 5-210 of this title for the purpose of
9 registering to vote or updating such individual's voter registration.
10 Such website and mobile application shall allow such individual to elec-
11 tronically provide a signature of a quality and likeness comparable to a
12 signature written with ink, consistent with subdivision c of this
13 section. The website and mobile application shall also allow such indi-
14 vidual to view the notices contained on or accompanying a printed voter
15 registration application form.

16 b. Such website and mobile application shall also conspicuously set
17 forth information concerning the timeframes and deadlines for applying
18 to register to vote or updating registration, to assist such individual
19 in ascertaining whether the registration or update will take effect for
20 the next election. Such website and mobile application shall also
21 conspicuously set forth information concerning how a voter may confirm
22 his or her registration information.

23 c. The website and mobile application provided pursuant to this
24 section shall permit the submission of an individual's signature through
25 one or more methods determined by the state board of elections to result

1 in a signature of a quality and likeness comparable to a signature writ-
2 ten with ink. Methods to be considered by the state board of elections
3 shall include, but not be limited to: (i) the uploading of an electronic
4 file; and (ii) direct input through a touch or stylus interface. In
5 addition to any other method or methods utilized pursuant to this subdi-
6 vision, a county board of elections may, with the consent of an individ-
7 ual, utilize a signature previously provided by such individual to an
8 agency or to the department of motor vehicles, if the county board of
9 elections determines that such signature otherwise meets the require-
10 ments of this section and may be used consistent with the applicable law
11 governing the use of the signature provided.

12 d. To the extent practicable and consistent with the privacy of users,
13 data security and applicable law, the state board of elections shall
14 make available to the public a web application program interface that
15 permits programs approved by such board to directly transmit voter
16 registration application form information to such board and to county
17 boards of election in a manner equivalent to the submission authorized
18 by subdivision a of this section.

19 § 2. The opening paragraph of paragraph (b) of subdivision 4 of
20 section 3-212 of the election law, as amended by chapter 79 of the laws
21 of 1992, is amended to read as follows:

22 Said annual report, as required by paragraph (a) of this subdivision,
23 shall include a detailed description of existing programs designed to
24 enhance voter registration, including the number of voter registration
25 application forms received and transmitted to the New York state board
26 of elections during the preceding calendar year pursuant to section
27 5-205 of this chapter, both in total and disaggregated for the website
28 and mobile application. Such report shall include a voter registration
29 action plan which details the various activities and programs of each
30 board, including a description of those steps which shall be taken in
31 the future to increase registration opportunities, especially for those
32 identifiable groups of persons historically underrepresented on the
33 rolls of registered voters; and coordinate voter education programs with
34 school districts, colleges and universities within the board's jurisdic-
35 tion including voter registration of qualified applicants and instruc-
36 tional or extracurricular activities promoting participation in the
37 electoral process.

38 § 3. This act shall take effect on the one hundred eightieth day after
39 it shall have become a law. Effective immediately, the addition, amend-
40 ment and/or repeal of any rule or regulation necessary for the implemen-
41 tation of this act on its effective date are authorized to be made and
42 completed on or before such effective date.
