43 § 9-b. Subparagraph 1 of paragraph a of subdivision 6 of section 3602

45 the laws of 2000, is amended to read as follows:

46 (1) For new construction and the purchase of existing structures, the  
47 cost allowances shall be based upon the rated capacity of the building  
48 or addition and a basic per pupil allowance of up to six thousand three  
49 hundred seventy-five dollars adjusted monthly by a statewide index  
50 reflecting changes in the cost of labor and materials since July first,  
51 nineteen hundred ninety-two, established by the commissioner of labor,  
52 modified by an annual county or multi-county labor market composite wage  
53 rate, established by the commissioner of labor in consultation with the  
54 commissioner, for July first of the base year, commencing July first,  
55 nineteen hundred ninety-seven for general construction contracts awarded  
56 on or after July first, nineteen hundred ninety-eight, indexed to the

1 median of such county or multi-county rates, but not less than one.  
2 Such base allowance shall apply to a building or an addition housing  
3 grades prekindergarten through six and shall be adjusted for a building  
4 or an addition housing grades seven through nine by a factor of one and  
5 four-tenths, for a building or an addition housing grades seven through  
6 twelve by a factor of one and five-tenths, for a building or addition  
7 housing special education programs by a factor of two, except that where  
8 such building or addition is connected to, or such space is located  
9 within, a public school facility housing programs for nondisabled  
10 pupils, as approved by the commissioner, a factor of three shall be  
11 used. Rated capacity of a building or an addition shall be determined by  
12 the commissioner based on space standards and other requirements for  
13 building construction specified by the commissioner. Such assigned  
14 capacity ratings shall include, in addition to those spaces used for the  
15 instruction of pupils, those spaces which are used for elementary and  
16 secondary school libraries, cafeterias, prekindergarten instructional

27 reduced by the commissioner by an amount proportional to the remaining  
28 unused portion of the useful life of the existing buildings, provided  
29 however that the commissioner may waive such requirement upon a finding  
30 that replacement of the existing building is necessary to protect the  
31 health and safety of students or staff, that reconstruction and modern-  
32 ization of the existing building would not adequately address such  
33 health and safety problems, and that the need to replace the building  
34 was not caused by failure to adequately maintain the building. If the  
35 commissioner of labor resets the statewide index reflecting changes in  
36 the costs of labor and materials since July first, nineteen hundred  
37 ninety-two, the commissioner shall adopt regulations to supersede the  
38 basic per pupil allowance of up to six thousand three hundred seventy-  
39 five dollars to the imputed allowance in effect at that time.

40 § 9-c. Subparagraph (iii) of paragraph (j) of subdivision 1 of

47 purpose. Building space used for such a clinic shall be excluded from  
48 the rated capacity of the school building for the purpose of computing

6-i. Building aid for approved expenditures for debt service for tax certiorari financing. In addition to the apportionments payable to a school district pursuant to subdivision six of this section, beginning with debt service in the two thousand nineteen--two thousand twenty school year and thereafter, the commissioner is hereby authorized to apportion to any school district additional building aid pursuant to this subdivision for its approved debt service expenditures for financing the cost of a tax certiorari, where the total value of the bond exceeds the total general fund expenditures for the school district for the year prior to the year in which the school district first receives bond proceeds. In order to have such debt service expenditures approved, the school district shall submit to the commissioner, in a form he or she prescribes, documentation relating to the issuance of such bond, including but not limited to the original tax certiorari, the amortization schedule of such bond, and any other documentation deemed necessary. Provided, however, that in the event the school district refunds the original bond at any point, the school district shall provide such updated documentation as required by the commissioner, who shall adjust the annual approved expenditures accordingly. Any gifts, donations or interest earned by the board of cooperative educational services or on behalf of the board of cooperative educational services by the dormitory authority or any other source shall not be deducted in determining the cost of services allocated to each component school district. Any payments made to a component school district by the board of cooperative educational services pursuant to subdivision eleven of section six-p of the general municipal law attributable to an approved cost of service computed pursuant to this subdivision shall be deducted from the cost of services allocated to such component school district. The expense of

1 transportation provided by the board of cooperative educational services  
2 pursuant to paragraph q of subdivision four of this section shall be  
3 eligible for aid apportioned pursuant to subdivision seven of section  
4 thirty-six hundred two of this chapter and no board of cooperative  
5 educational services transportation expense shall be an approved cost of

13 b. Aid for career education. There shall be apportioned to such city  
14 school districts and other school districts which were not components of  
15 a board of cooperative educational services in the base year for pupils  
16 in grades ~~ten~~ nine through twelve in attendance in career education  
17 programs as such programs are defined by the commissioner, subject for  
18 the purposes of this paragraph to the approval of the director of the  
19 budget, an amount for each such pupil to be computed by multiplying the  
20 career education aid ratio by three thousand nine hundred dollars. Such  
21 aid will be payable for weighted pupils attending career education  
22 programs operated by the school district and for weighted pupils for  
23 whom such school district contracts with boards of cooperative educa-  
24 tional services to attend career education programs operated by a board  
25 of cooperative educational services. Weighted pupils for the purposes of  
26 this paragraph shall mean the sum of (i) the product of the attendance  
27 of students in grade nine multiplied by the special services phase-in  
28 factor plus (ii) the attendance of students in grades ten through twelve  
29 in career education sequences in trade, industrial, technical, agricul-  
30 tural or health programs plus the product of sixteen hundredths multi-

33 the attendance of students in grades ten through twelve in career educa-  
34 tion sequences in business and marketing as defined by the commissioner  
35 in regulations; provided that the special services phase-in factor shall  
36 be (i) for the two thousand nineteen--two thousand twenty school year,  
37 twenty-five percent (0.25), (ii) for the two thousand twenty--two thou-  
38 sand twenty-one school year, fifty percent (0.5), (iii) for the two

40 percent (0.75), and (iv) for the two thousand twenty-two--two thousand  
41 twenty-three school year and thereafter, one hundred percent (1.0). The  
42 career education aid ratio shall be computed by subtracting from one the  
43 product obtained by multiplying fifty-nine percent by the combined  
44 wealth ratio. This aid ratio shall be expressed as a decimal carried to  
45 three places without rounding, but not less than thirty-six percent.

46 Any school district that receives aid pursuant to this paragraph shall  
47 be required to use such amount to support career education programs in  
48 the current year.

49 A board of education which spends less than its local funds as defined  
50 by regulations of the commissioner for career education in the base year  
51 during the current year shall have its apportionment under this subdivi-  
52 sion reduced in an amount equal to such deficiency in the current or a  
53 succeeding school year, provided however that the commissioner may waive  
54 such reduction upon determination that overall expenditures per pupil in  
55 support of career education programs were continued at a level equal to

2 preceding school year.

10 students pursuant to a contract with a private transportation contrac-  
11 tor, provided that the board finds that the contract cost is appropriate  
12 and entry into a piggyback contract will result in a cost savings to the  
13 school district. For purposes of this paragraph, a "piggyback contract"  
14 means a contract for the transportation of students that: (1) provides  
15 transportation to a location outside the students' school district of  
16 residence to which another school district is already providing trans-  
17 portation to its own students through an existing contract with a  
18 private transportation contractor, other than a cooperatively bid  
19 contract; (2) is entered into by the private transportation contractor  
20 and each school district involved; and (3) provides for transportation  
21 in accordance with the terms and conditions of such existing transporta-

23 of public libraries and library systems chartered by the regents of the  
24 state of New York or established by act of the legislature subject to  
25 the limitations provided in subdivision [~~five~~] six of this section and  
26 upon approval by the commissioner, except that state aid may be provided  
27 for up to seventy-five percent of the total project approved costs for  
28 buildings of public libraries that are located in an economically disad-  
29 vantaged community and that state aid may be provided for up to ninety  
30 percent of the total project approved costs for buildings of public  
31 libraries that are located in an economically distressed community.  
32 Provided however that the state liability for aid paid pursuant to this  
33 section shall be limited to funds appropriated for such purpose. Aid  
34 shall be provided on approved expenses incurred during the period  
35 commencing July first and ending June thirtieth for up to three years,  
36 or until the project is completed, whichever occurs first. Fifty percent  
37 of such aid shall be payable to each system or library upon approval of  
38 the application by the department. Forty percent of such aid shall be  
39 payable in the next state fiscal year. The remaining ten percent shall  
40 be payable upon project completion.

41 2. Each application for state aid shall be submitted by the board of  
42 trustees of the library or library system responsible for the operation  
43 of the subject building to the commissioner for his or her review and  
44 approval, after having been reviewed and approved by the governing board  
45 of the public library system of which such library is a member. Each  
46 application shall:

47 a. demonstrate that resources are or shall be available to provide for  
48 maximum utilization of the project if approved;

49 b. contain verification in such form as may be acceptable to the  
50 commissioner that the total cost of the project, exclusive of state aid,  
51 has been or will be obtained;

52 c. demonstrate that library operations would be made more economical  
53 as a consequence of approval;

54 d. be limited to one project concerning such building, provided that  
55 no building shall be the subject of more than one application per year;

1 e. contain documentation, where such an application requests state aid

4 communities. Such documentation may demonstrate need through poverty  
5 rates, concentrations of English language learners, low high school  
6 graduation rates, limited fiscal capacity or other relevant factors;  
7 ~~[and]~~

8 f. contain documentation, where such an application requests state aid  
9 in an amount greater than seventy-five percent, demonstrating how the  
10 project will address the service needs of one or more economically  
11 distressed communities. An application must demonstrate that the average  
12 poverty rate within the library's service area is equal to or greater  
13 than the New York state average poverty rate using federal census data;  
14 and the library must demonstrate that it lacks the capacity to provide  
15 twenty-five percent of the project costs; and

16 g. provide such other information as may be required by the commis-  
17 sioner.

18 3. In approving any application that would receive state aid beyond

20 of the library system shall give particular attention to addressing the  
21 library service needs of economically disadvantaged communities as  
22 provided for in paragraph e of subdivision two of this section.

23 4. In approving any application that would receive state aid beyond  
24 seventy-five percent of the total project approved costs, the board of  
25 trustees of the library system shall give particular attention to  
26 addressing the library service needs of economically distressed communi-  
27 ties as provided for in paragraph f of subdivision two of this section.

29 system in subdivision six of this section may be used to support the  
30 total costs for projects that would receive state aid beyond seventy-  
31 five percent of the total project approved costs.

32 5. In approving any application the commissioner shall consider the  
33 condition of existing libraries and, where appropriate, the needs of  
34 isolated or economically disadvantaged communities, provided that no  
35 application shall be approved for a project that is deemed by the  
36 commissioner to have been completed prior to the date of the applica-  
37 tion.

38 ~~[5-]~~ 6. Aid shall be distributed pursuant to this section as follows:

39 a. sixty percent of the funds appropriated pursuant to this section  
40 shall be made available to libraries within each system by the commis-  
41 sioner in such manner as to insure that the ratio of the amount received  
42 within each system to the whole of the aid made available pursuant to  
43 this paragraph is no greater than the ratio of the population served by  
44 such system to the population of the state;

45 b. forty percent of the funds appropriated pursuant to this section  
46 shall be made available to library systems or libraries within each  
47 system by the commissioner in such manner as to insure that an equal  
48 amount is received within each system in the state;

49 c. any funds made available pursuant to paragraph a or b of this  
50 subdivision which by April first of each succeeding fiscal year, are  
51 declined by such libraries or library systems for any reason, or which  
52 cannot otherwise be used by such libraries or library systems for any  
53 reason, shall be made available by the commissioner to other eligible  
54 libraries within such system, or if no such library can use such funds  
55 shall be reallocated among the other library systems and their libraries

1 in a manner that will to the extent possible provide from such reallo-  
2 cated funds an equal amount to each such system.

3 ~~[6-]~~ 7. The commissioner shall adopt rules and regulations as are  
4 necessary to carry out the purposes and provisions of this section.

5 ~~[7-]~~ 8. The commissioner shall submit to the temporary president of  
6 the senate and the speaker of the assembly an annual report describing  
7 those projects that have received state funding of greater than fifty  
8 percent of project costs and the communities to be served by those  
9 projects.

10 § 51-b. Section 2 of chapter 498 of the laws of 2011 amending the

22 provisions of this chapter and the provisions of this section, provided  
23 that library construction aid pursuant to section 273-a of the education  
24 law shall not be payable from the appropriations for the support of  
25 public libraries and provided further that no library, library system or  
26 program, as defined by the commissioner of education, shall receive less  
27 total system or program aid than it received for the year 2001--2002  
28 except as a result of a reduction adjustment necessary to conform to the  
29 appropriations for support of public libraries.

30 Notwithstanding any other provision of law to the contrary the moneys

31 contractual agreements with architects and/or engineers to state-wide  
32 contracts to provide building construction surveys on a regional basis  
33 for a fixed fee per square foot. Such building condition surveys shall

(iv) Schedule D: One-fifth of all school districts, as assigned by the commissioner and excluding those school districts that shall conduct their building condition survey pursuant to Schedule A, Schedule B, and Schedule C, shall conduct a building condition survey in the two thousand twenty-four--two thousand twenty-five school year. The remaining school districts, other than those assigned to Schedule A, Schedule B, and Schedule C, shall conduct a visual inspection as required pursuant to sections four hundred nine-d and four hundred nine-e of this chapter in the two thousand twenty-four--two thousand twenty-five school year;

The setting of the detention shall take into account (a) the proximity to the community in which the person alleged to be or adjudicated as a person in need of supervision lives with such person's parents or to which such person will be discharged, and (b) the existing educational setting of such person and the proximity of such setting to the location of the detention setting.

4. Whenever detention is authorized and ordered pursuant to this article, for a person alleged to be or adjudicated as a person in need of supervision, a family court in a city having a population of one million or more shall, notwithstanding any other provision of law, direct detention in a foster care facility established and maintained pursuant to the social services law. In all other respects, the detention of such a person in a foster care facility shall be subject to the identical terms and conditions for detention as are set forth in this article and in section two hundred thirty-five of this act.

5. (a) The court shall not order or direct detention under this article, unless the court determines that there is no substantial likelihood that the youth and his or her family will continue to benefit from diversion services, and that continuation in the home would not be appropriate because such continuation would (i) continue or worsen the circumstances alleged in the underlying petition, or that created the need for a petition to be sought, or (ii) create a safety risk to the child or the child's family and that all other available alternatives to detention have been exhausted; and

(b) ~~[Where the youth is sixteen years of age or older, the court shall not order or direct detention under this article, unless the court determines and states in its order that special circumstances exist to warrant such detention.]~~

~~(c)~~ If the respondent may be a sexually exploited child as defined in subdivision one of section four hundred forty-seven-a of the social services law, the court may direct the respondent to an available short-term safe house as defined in subdivision two of section four hundred forty-seven-a of the social services law as an alternative to detention.

§ 4. Intentionally omitted.

§ 4-a. Section 727 of the family court act, as amended by chapter 920 of the laws of 1982, subdivisions (a) and (b) as amended by chapter 419 of the laws of 1987, is amended to read as follows:

§ 727. Rules of court authorizing release before filing of petition.

(a) The agency responsible for operating a ~~[detention facility]~~ foster care program certified by the office of children and family services or a certified or approved family boarding home, or in a city of one million or more, the agency responsible for operating a foster care facility, may release a child in custody before the filing of a petition to the custody of his parents or other relative, guardian or legal custodian when the events occasioning the taking into custody appear to involve a petition to determine whether a person is in need of supervision rather than a petition to determine whether a person is a juvenile delinquent.

(b) When a release is made under this section such release may, but need not, be conditioned upon the giving of a recognizance in accord with paragraph (i) of subdivision (b) of section seven hundred twenty-four ~~[(b)-(i)] of this part.~~

(c) If the probation service for any reason does not release a child under this section, the child shall promptly be brought before a judge of the court, if practicable, and section seven hundred twenty-eight of this part shall apply.

§ 5. Subdivisions (c) and (d) of section 728 of the family court act, subdivision (d) as added by chapter 145 of the laws of 2000, paragraph (i) as added and paragraph (ii) of subdivision (d) as renumbered by section 5 of part E of chapter 57 of the laws of 2005, and paragraph (iii) as amended and paragraph (iv) of subdivision (d) as added by section 10 of subpart B of part Q of chapter 58 of the laws of 2011, are amended to read as follows:

(c) An order of release under this section may, but need not, be conditioned upon the giving of a recognizance in accord with ~~[sections seven hundred twenty-four (b)]~~ paragraph (i) of subdivision (b) of section seven hundred twenty-four of this article.

(d) Upon a finding of facts and reasons which support a detention order pursuant to this section, the court shall also determine and state in any order directing detention:

(i) that there is no substantial likelihood that the youth and his or her family will continue to benefit from diversion services, and that continuation in the home would not be appropriate because such continuation would (A) continue or worsen the circumstances alleged in the underlying petition, or that created the need for a petition to be sought, or (B) create a safety risk to the child or the child's family and that all other available alternatives to detention have been exhausted; and

(ii) whether continuation of the child in the child's home would be contrary to the best interests of the child based upon, and limited to, the facts and circumstances available to the court at the time of the hearing held in accordance with this section; and

(iii) where appropriate, whether reasonable efforts were made prior to the date of the court hearing that resulted in the detention order, to prevent or eliminate the need for removal of the child from his or her home or, if the child had been removed from his or her home prior to the court appearance pursuant to this section, where appropriate, whether reasonable efforts were made to make it possible for the child to safely return home; and

(iv) whether the setting of the detention takes into account the proximity to the community in which the person alleged to be or adjudicated as a person in need of supervision lives with such person's parents or to which such person will be discharged, and the existing educational setting of such person and the proximity of such setting to the location of the detention setting.

§ 6. Intentionally omitted.

§ 7. Subdivision (b), paragraph (i) of subdivision (d) and subdivision (f) of section 735 of the family court act, subdivision (b) as amended by chapter 38 of the laws of 2014, paragraph (i) of subdivision (d) as amended by chapter 535 of the laws of 2011 and subdivision (f) as added by section 7 of part E of chapter 57 of the laws of 2005, are amended to read as follows:

(b) The designated lead agency shall:

1 (i) confer with any person seeking to file a petition, the youth who  
2 may be a potential respondent, his or her family, and other interested  
3 persons, concerning the provision of diversion services before any peti-  
4 tion may be filed; and

5 (ii) diligently attempt to prevent the filing of a petition under this  
6 article or, after the petition is filed, to prevent the placement of the  
7 youth into foster care in accordance with section seven hundred fifty-  
8 six of this article; and

9 (iii) assess whether the youth would benefit from residential respite  
10 services; and

11 (iv) assess whether the youth is a sexually exploited child as defined  
12 in section four hundred forty-seven-a of the social services law and, if  
13 so, whether such youth should be referred to a safe house; and

14 (v) determine whether alternatives to detention are appropriate to  
15 avoid remand of the youth to detention; [~~and~~]

16 [~~(v)~~] (vi) assess whether remaining in the home would cause the  
17 continuation or worsening of the circumstances that created the need for  
18 a petition to be sought, or create a safety risk to the child, or the  
19 child's family; and

20 (vii) determine whether an assessment of the youth for substance use  
21 disorder by an office of alcoholism and substance abuse services certi-  
22 fied provider is necessary when a person seeking to file a petition  
23 alleges in such petition that the youth is suffering from a substance  
24 use disorder which could make the youth a danger to himself or herself  
25 or others. Provided, however, that notwithstanding any other provision  
26 of law to the contrary, the designated lead agency shall not be required  
27 to pay for all or any portion of the costs of such assessment or for any  
28 substance use disorder or detoxification services, except in cases where  
29 medical assistance for needy persons may be used to pay for all or any  
30 portion of the costs of such assessment or services. The office of alco-  
31 holism and substance abuse services shall make a list of its certified  
32 providers available to the designated lead agency.

33 (i) providing, at the first contact, information on the availability  
34 of or a referral to services in the geographic area where the youth and  
35 his or her family are located that may be of benefit in avoiding the  
36 need to file a petition under this article; including the availability,  
37 for up to twenty-one days, of a residential respite program, if the  
38 youth and his or her parent or other person legally responsible for his  
39 or her care agree, and the availability of other non-residential crisis  
40 intervention programs such as family crisis counseling or alternative  
41 dispute resolution programs or an educational program as defined in  
42 section four hundred fifty-eight-1 of the social services law.

43 (f) Efforts to prevent the filing of a petition pursuant to this  
44 section may extend until the designated lead agency determines that  
45 there is no substantial likelihood that the youth and his or her family  
46 will benefit from further attempts. Efforts at diversion pursuant to  
47 this section may continue after the filing of a petition where the  
48 designated lead agency determines that the youth and his or her family  
49 will benefit from further attempts to prevent placement of the youth  
50 from entering foster care in accordance with section seven hundred  
51 fifty-six of this article.

52 § 8. Intentionally omitted.

53 § 9. Intentionally omitted.

54 § 10. Intentionally omitted.

55 § 11. Intentionally omitted.

56 § 12. Intentionally omitted.

§ 12-a. Section 751 of the family court act, as amended by chapter 100 of the laws of 1993, is amended to read as follows:

§ 751. Order dismissing petition. If the allegations of a petition under this article are not established, the court shall dismiss the petition. The court may in its discretion dismiss a petition under this article, in the interests of justice where attempts have been made to adjust the case as provided for in sections seven hundred thirty-five and seven hundred forty-two of this article and the probation service has exhausted its efforts to successfully adjust such case as a result of the petition's failure to provide reasonable assistance to the probation service. In dismissing a petition pursuant to this section, the court shall consider whether a referral of services would be appropriate to meet the needs of the respondent and his or her family.

§ 13. Section 754 of the family court act, subdivision 1 as designated by chapter 878 of the laws of 1976, paragraph (c) of subdivision 1 as amended by section 4 of part V of chapter 383 of the laws of 2001, the closing paragraph of subdivision 1 as added by section 5 of part V of chapter 55 of the laws of 2012, subdivision 2 as amended by chapter 7 of the laws of 1999, subparagraph (ii) of paragraph (a) of subdivision 2 as amended by section 20 and the closing paragraph of paragraph (b) of subdivision 2 as amended by section 21 of part L of chapter 56 of the laws of 2015, is amended to read as follows:

§ 754. Disposition on adjudication of person in need of supervision.  
1. Upon an adjudication of person in need of supervision, the court shall enter an order of disposition:

(a) Discharging the respondent with warning;

(b) Suspending judgment in accord with section seven hundred fifty-five of this part;

(c) Continuing the proceeding and placing the respondent in accord with section seven hundred fifty-six of this part; [~~provided, however, that the court shall not place the respondent in accord with section seven hundred fifty-six where the respondent is sixteen years of age or older, unless the court determines and states in its order that special circumstances exist to warrant such placement~~]; or

(d) Putting the respondent on probation in accord with section seven hundred fifty-seven of this part.

The court may order an eligible person to complete an education reform program in accordance with section four hundred fifty-eight-1 of the social services law, as part of a disposition pursuant to paragraph (a), (b) or (d) of this subdivision.

2. (a) Notwithstanding any other provision of law to the contrary, the court shall not order placement with the local commissioner of social services pursuant to section seven hundred fifty-six of this part unless the court finds and states in writing that:

(i) no appropriate suitable relative or suitable private person is available for placement pursuant to section seven hundred fifty-six of this part; and

(ii) placement in the child's home would not be appropriate because such placement would:

(A) continue or worsen the circumstances alleged in the underlying petition; or

(B) create a safety risk to the child, or the child's family.

(b) The order shall state the court's reasons for the particular disposition. If in accordance with paragraph (a) of this subdivision the court determines placement is appropriate and places the child in accordance with section seven hundred fifty-six of this part, the court

1 in its order shall determine: (i) whether continuation in the child's  
2 home would be contrary to the best interest of the child and where  
3 appropriate, that reasonable efforts were made prior to the date of the  
4 dispositional hearing held pursuant to this article to prevent or elimi-  
5 nate the need for removal of the child from his or her home and, if the  
6 child was removed from his or her home prior to the date of such hear-  
7 ing, that such removal was in the child's best interest and, where  
8 appropriate, reasonable efforts were made to make it possible for the  
9 child to return safely home. If the court determines that reasonable  
10 efforts to prevent or eliminate the need for removal of the child from  
11 the home were not made but that the lack of such efforts was appropriate  
12 under the circumstances, the court order shall include such a finding;  
13 and (ii) in the case of a child who has attained the age of fourteen,  
14 the services needed, if any, to assist the child to make the transition  
15 from foster care to independent living. Nothing in this subdivision  
16 shall be construed to modify the standards for directing detention set  
17 forth in section seven hundred thirty-nine of this article.

18 ~~[(b)]~~ (c) For the purpose of this section, reasonable efforts to  
19 prevent or eliminate the need for removing the child from the home of  
20 the child or to make it possible for the child to return safely to the  
21 home of the child shall not be required where the court determines that:

22 (i) the parent of such child has subjected the child to aggravated  
23 circumstances, as defined in subdivision (g) of section seven hundred  
24 twelve of this article;

25 (ii) the parent of such child has been convicted of (A) murder in the  
26 first degree as defined in section 125.27 or murder in the second degree  
27 as defined in section 125.25 of the penal law and the victim was another  
28 child of the parent; or (B) manslaughter in the first degree as defined  
29 in section 125.20 or manslaughter in the second degree as defined in  
30 section 125.15 of the penal law and the victim was another child of the  
31 parent, provided, however, that the parent must have acted voluntarily  
32 in committing such crime;

33 (iii) the parent of such child has been convicted of an attempt to  
34 commit any of the crimes set forth in subparagraphs (i) and (ii) of this  
35 paragraph, and the victim or intended victim was the child or another  
36 child of the parent; or has been convicted of criminal solicitation as  
37 defined in article one hundred, conspiracy as defined in article one  
38 hundred five or criminal facilitation as defined in article one hundred  
39 fifteen of the penal law for conspiring, soliciting or facilitating any  
40 of the foregoing crimes, and the victim or intended victim was the child  
41 or another child of the parent;

42 (iv) the parent of such child has been convicted of assault in the  
43 second degree as defined in section 120.05, assault in the first degree  
44 as defined in section 120.10 or aggravated assault upon a person less  
45 than eleven years old as defined in section 120.12 of the penal law, and  
46 the commission of one of the foregoing crimes resulted in serious phys-  
47 ical injury to the child or another child of the parent;

48 (v) the parent of such child has been convicted in any other jurisdic-  
49 tion of an offense which includes all of the essential elements of any  
50 crime specified in subparagraph (ii), (iii) or (iv) of this paragraph,  
51 and the victim of such offense was the child or another child of the  
52 parent; or

53 (vi) the parental rights of the parent to a sibling of such child have  
54 been involuntarily terminated;  
55 unless the court determines that providing reasonable efforts would be  
56 in the best interests of the child, not contrary to the health and safe-

ty of the child, and would likely result in the reunification of the parent and the child in the foreseeable future. The court shall state such findings in its order.

If the court determines that reasonable efforts are not required because of one of the grounds set forth above, a permanency hearing shall be held within thirty days of the finding of the court that such efforts are not required. At the permanency hearing, the court shall determine the appropriateness of the permanency plan prepared by the social services official which shall include whether and when the child:

(A) will be returned to the parent; (B) should be placed for adoption with the social services official filing a petition for termination of parental rights; (C) should be referred for legal guardianship; (D) should be placed permanently with a fit and willing relative; or (E) should be placed in another planned permanent living arrangement with a significant connection to an adult willing to be a permanency resource for the child if the child is age sixteen or older and if the requirements of subparagraph (E) of paragraph (iv) of subdivision (d) of section seven hundred fifty-six-a of this part have been met. The social services official shall thereafter make reasonable efforts to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child as set forth in the permanency plan approved by the court. If reasonable efforts are determined by the court not to be required because of one of the grounds set forth in this paragraph, the social services official may file a petition for termination of parental rights in accordance with section three hundred eighty-four-b of the social services law.

~~(e)~~ (d) For the purpose of this section, in determining reasonable efforts to be made with respect to a child, and in making such reasonable efforts, the child's health and safety shall be the paramount concern.

~~(d)~~ (e) For the purpose of this section, a sibling shall include a half-sibling.

§ 13-a. Paragraph (a) of subdivision 7 of section 384-b of the social services law, as amended by chapter 113 of the laws of 2010, is amended to read as follows:

(a) For the purposes of this section, "permanently neglected child" shall mean a child who is in the care of an authorized agency and whose parent or custodian has failed for a period of either at least one year or fifteen out of the most recent twenty-two months following the date such child came into the care of an authorized agency substantially and continuously or repeatedly to maintain contact with or plan for the future of the child, although physically and financially able to do so, notwithstanding the agency's diligent efforts to encourage and strengthen the parental relationship when such efforts will not be detrimental to the best interests of the child. The court shall consider the special circumstances of an incarcerated parent or parents, or of a parent or parents participating in a residential substance abuse treatment program, when determining whether a child is a "permanently neglected child" as defined in this paragraph. In such cases, the court also shall consider the particular constraints, including but not limited to, limitations placed on family contact and the unavailability of social or rehabilitative services to aid in the development of a meaningful relationship between the parent and his or her child, that may impact the parent's ability to substantially and continuously or repeatedly maintain contact with his or her child and to plan for the future of his or her child as defined in paragraph (c) of this subdivision. Where a

1 court has previously determined in accordance with paragraph (b) of  
2 subdivision three of section three hundred fifty-eight-a of this chapter  
3 or section one thousand thirty-nine-b, subparagraph (A) of paragraph (i)  
4 of subdivision (b) of section one thousand fifty-two, paragraph ~~[(b)]~~  
5 (c) of subdivision two of section seven hundred fifty-four or paragraph  
6 (c) of subdivision two of section 352.2 of the family court act that  
7 reasonable efforts to make it possible for the child to return safely to  
8 his or her home are not required, the agency shall not be required to  
9 demonstrate diligent efforts as defined in this section. In the event  
10 that the parent defaults after due notice of a proceeding to determine  
11 such neglect, such physical and financial ability of such parent may be  
12 presumed by the court.

13 § 13-b. Subdivision (a) of section 755 of the family court act, as  
14 amended by chapter 124 of the laws of 1993, is amended to read as  
15 follows:

16 (a) Rules of court shall define permissible terms and conditions of a  
17 suspended judgment. The court may order as a condition of a suspended  
18 judgment restitution or services for public good pursuant to section  
19 seven hundred fifty-eight-a of this part, and~~[-except when the respond-~~  
20 ~~ent has been assigned to a facility in accordance with subdivision four~~  
21 ~~of section five hundred four of the executive law]~~ in cases wherein the  
22 record indicates that the consumption of alcohol by the respondent may  
23 have been a contributing factor, the court may order attendance at and  
24 completion of an alcohol awareness program established pursuant to  
25 section 19.25 of the mental hygiene law.

26 § 14. Section 756 of the family court act, as amended by chapter 920  
27 of the laws of 1982, paragraph (i) of subdivision (a) as amended by  
28 chapter 309 of the laws of 1996, the opening paragraph of paragraph (ii)  
29 of subdivision (a) as amended by section 11 of part G of chapter 58 of  
30 the laws of 2010, subdivision (b) as amended by chapter 7 of the laws of  
31 1999, and subdivision (c) as amended by section 10 of part E of chapter  
32 57 of the laws of 2005, is amended to read as follows:

33 § 756. Placement. (a) (i) For purposes of section seven hundred  
34 fifty-four of this part, the court may place the child in its own home  
35 or in the custody of a suitable relative or other suitable private  
36 person or a commissioner of social services, to the extent such commis-  
37 sioner shall direct placement in (1) a foster care program certified by  
38 the office of children and family services, (2) a certified or approved  
39 family boarding home, (3) in a city having a population of one million  
40 or more, a foster care facility established and maintained pursuant to  
41 the social services law, or (4) an available long term safe house for  
42 youth meeting the definition of a sexually exploited child as defined in  
43 subdivision one of section four hundred forty-seven-a of the social  
44 services law subject to the orders of the court.

45 (ii) Where the child is placed with the commissioner of the local  
46 social services district, the court may direct the commissioner to place  
47 the child with an authorized agency or class of authorized agencies,  
48 including, if the court finds that the respondent is a sexually  
49 exploited child as defined in subdivision one of section four hundred  
50 forty-seven-a of the social services law, an available long-term safe  
51 house. Unless the dispositional order provides otherwise, the court so  
52 directing shall include one of the following alternatives to apply in  
53 the event that the commissioner is unable to so place the child:

54 (1) the commissioner shall apply to the court for an order to stay,  
55 modify, set aside, or vacate such directive pursuant to the provisions

1 of section seven hundred sixty-two or seven hundred sixty-three of this  
2 part; or

3 (2) the commissioner shall return the child to the family court for a  
4 new dispositional hearing and order.

5 (b) Placements under this section may be for an initial period of  
6 ~~[twelve months]~~ ninety days. The court may extend a placement pursuant  
7 to section seven hundred fifty-six-a of this part. In its discretion,  
8 the court may recommend restitution or require services for public good  
9 pursuant to section seven hundred fifty-eight-a of this part in conjunc-  
10 tion with an order of placement. ~~[For the purposes of calculating the~~  
11 ~~initial period of placement, such placement shall be deemed to have~~  
12 ~~commenced sixty days after the date the child was removed from his or~~  
13 ~~her home in accordance with the provisions of this article.]~~ If the  
14 respondent has been in detention pending disposition, the initial period  
15 of placement ordered under this section shall be credited with and  
16 diminished by the amount of time spent by the respondent in detention  
17 prior to the commencement of the placement unless the court finds that  
18 all or part of such credit would not serve the best interests of the  
19 respondent.

20 (c) A placement pursuant to this section with the commissioner of  
21 social services shall not be directed in any detention facility~~[, but~~  
22 ~~the]~~. The court may direct detention pending transfer to a placement  
23 authorized and ordered under this section for no more than than  
24 ~~[fifteen]~~ ten days after such order of placement is made. Such direction  
25 shall be subject to extension pursuant to subdivision three of section  
26 three hundred ninety-eight of the social services law, upon written  
27 documentation to the office of children and family services that the  
28 youth is in need of specialized treatment or placement and the diligent  
29 efforts by the commissioner of social services to locate an appropriate  
30 placement.

31 § 14-a. Section 756-a of the family court act, as added by chapter 604  
32 of the laws of 1986, subdivision (a) as amended by chapter 309 of the  
33 laws of 1996, subdivisions (b) and (d) as amended by section 4 of part B  
34 of chapter 327 of the laws of 2007, subdivisions (c) and (e) as amended  
35 by chapter 7 of the laws of 1999, paragraph (ii) of subdivision (d) as  
36 amended by section 3 of part M of chapter 54 of the laws of 2016, para-  
37 graphs (iii), (iv) and (v) of subdivision (d) as amended by section 23  
38 and subdivision (d-1) as amended by section 24 of part L of chapter 56  
39 of the laws of 2015, is amended to read as follows:

40 § 756-a. Extension of placement. (a) In any case in which the child  
41 has been placed pursuant to section seven hundred fifty-six of this  
42 part, the child, the person with whom the child has been placed or the  
43 commissioner of social services may petition the court to extend such  
44 placement. Such petition shall be filed at least ~~[sixty]~~ thirty days  
45 prior to the expiration of the period of placement, except for good  
46 cause shown, but in no event shall such petition be filed after the  
47 original expiration date.

48 (b) The court shall conduct a permanency hearing concerning the need  
49 for continuing the placement. The child, the person with whom the child  
50 has been placed and the commissioner of social services shall be noti-  
51 fied of such hearing and shall have the right to be heard thereat.

52 (c) The provisions of section seven hundred forty-five of this article  
53 shall apply at such permanency hearing. If the petition is filed within  
54 ~~[sixty]~~ thirty days prior to the expiration of the period of placement,  
55 the court shall first determine at such permanency hearing whether good

1 cause has been shown. If good cause is not shown, the court shall  
2 dismiss the petition.

3 (d) At the conclusion of the permanency hearing the court may, in its  
4 discretion, order an extension of the placement for not more than [~~one~~  
5 ~~year~~] ninety days. The court must consider and determine in its order:

6 (i) where appropriate, that reasonable efforts were made to make it  
7 possible for the child to safely return to his or her home, or if the  
8 permanency plan for the child is adoption, guardianship or some other  
9 permanent living arrangement other than reunification with the parent or  
10 parents of the child, reasonable efforts are being made to make and  
11 finalize such alternate permanent placement including consideration of  
12 appropriate in-state and out-of-state placements;

13 (ii) in the case of a child who has attained the age of fourteen, (A)  
14 the services needed, if any, to assist the child to make the transition  
15 from foster care to successful adulthood; and (B)(1) that the permanency  
16 plan developed for the child, and any revision or addition to the plan  
17 shall be developed in consultation with the child and, at the option of  
18 the child, with up to two additional members of the child's permanency  
19 planning team who are selected by the child and who are not a foster  
20 parent of, or case worker, case planner or case manager for, the child,  
21 except that the local commissioner of social services with custody of  
22 the child may reject an individual so selected by the child if such  
23 commissioner has good cause to believe that the individual would not act  
24 in the best interests of the child, and (2) that one individual so  
25 selected by the child may be designated to be the child's advisor and,  
26 as necessary, advocate with respect to the application of the reasonable  
27 and prudent parent standard;

28 (iii) in the case of a child placed outside New York state, whether  
29 the out-of-state placement continues to be appropriate and in the best  
30 interests of the child;

31 (iv) whether and when the child: (A) will be returned to the parent;  
32 (B) should be placed for adoption with the social services official  
33 filing a petition for termination of parental rights; (C) should be  
34 referred for legal guardianship; (D) should be placed permanently with a  
35 fit and willing relative; or (E) should be placed in another planned  
36 permanent living arrangement with a significant connection to an adult  
37 willing to be a permanency resource for the child if the child is age  
38 sixteen or older and (1) the social services official has documented to  
39 the court: (I) intensive, ongoing, and, as of the date of the hearing,  
40 unsuccessful efforts made by the social services district to return the  
41 child home or secure a placement for the child with a fit and willing  
42 relative including adult siblings, a legal guardian, or an adoptive  
43 parent, including through efforts that utilize search technology includ-  
44 ing social media to find biological family members for children, (II)  
45 the steps the social services district is taking to ensure that (A) the  
46 child's foster family home or [~~child-care facility~~] other applicable  
47 foster care programs is following the reasonable and prudent parent  
48 standard in accordance with guidance provided by the United States  
49 department of health and human services, and (B) the child has regular,  
50 ongoing opportunities to engage in age or developmentally appropriate  
51 activities including by consulting with the child in an age-appropriate  
52 manner about the opportunities of the child to participate in activ-  
53 ities; and (2) the social services district has documented to the court  
54 and the court has determined that there are compelling reasons for  
55 determining that it continues to not be in the best interest of the  
56 child to return home, be referred for termination of parental rights and

1 placed for adoption, placed with a fit and willing relative, or placed  
2 with a legal guardian; and (3) the court has made a determination  
3 explaining why, as of the date of the hearing, another planned living  
4 arrangement with a significant connection to an adult willing to be a  
5 permanency resource for the child is the best permanency plan for the  
6 child; and

7 (v) where the child will not be returned home, consideration of appro-  
8 priate in-state and out-of-state placements.

9 (d-1) At the permanency hearing, the court shall consult with the  
10 respondent in an age-appropriate manner regarding the permanency plan;  
11 provided, however, that if the respondent is age sixteen or older and  
12 the requested permanency plan for the respondent is placement in another  
13 planned permanent living arrangement with a significant connection to an  
14 adult willing to be a permanency resource for the respondent, the court  
15 must ask the respondent about the desired permanency outcome for the  
16 respondent.

17 (e) Pending final determination of a petition to extend such placement  
18 filed in accordance with the provisions of this section, the court may,  
19 on its own motion or at the request of the petitioner or respondent,  
20 enter one or more temporary orders extending a period of placement not  
21 to exceed thirty days upon satisfactory proof showing probable cause for  
22 continuing such placement and that each temporary order is necessary.  
23 The court may order additional temporary extensions, not to exceed a  
24 total of fifteen days, if the court is unable to conclude the hearing  
25 within the thirty day temporary extension period. In no event shall the  
26 aggregate number of days in extensions granted or ordered under this  
27 subdivision total more than forty-five days. The petition shall be  
28 dismissed if a decision is not rendered within the period of placement  
29 or any temporary extension thereof. Notwithstanding any provision of law  
30 to the contrary, the initial permanency hearing shall be held within  
31 ~~[twelve months of the date the child was placed into care]~~ a reasonable  
32 period of time prior to the expiration of the initial period of place-  
33 ment pursuant to section seven hundred fifty-six of this article and no  
34 later than every twelve months thereafter. ~~[For the purposes of this~~  
35 ~~section, the date the child was placed into care shall be sixty days~~  
36 ~~after the child was removed from his or her home in accordance with the~~  
37 ~~provisions of this section.]~~

38 (f) Successive extensions of placement under this section may be  
39 granted, but no placement may be made or continued beyond the child's  
40 eighteenth birthday without his or her consent and in no event past his  
41 or her twenty-first birthday.

42 § 14-b. Section 757 of the family court act is amended by adding a new  
43 subdivision (e) to read as follows:

44 (e) The court may order services deemed appropriate to address the

46 § 15. Section 758-a of the family court act, as amended by chapter 73  
47 of the laws of 1979, subdivision 1 as amended by chapter 4 of the laws

7 ~~probation or suspended judgment, the~~] The court may require that the  
8 [~~infant~~] child pay out of his or her own funds or earnings the amount of

33 3. If the court requires restitution or services for the public good

35 an agency or person supervise the restitution or services and that such  
36 agency or person report to the court not less frequently than every six  
37 months, unless the order provides otherwise. Upon the written notice  
38 sent by a school district to the court and the appropriate probation  
39 department or agency which submits probation recommendations or reports

28 agency pursuant to court order, the social services official shall make  
29 expenditures in accordance with the regulations of the department for  
30 the care and maintenance of such child during the term of such placement  
31 subject to state reimbursement pursuant to section one hundred fifty-

38 (a) Notwithstanding any other provision of law to the contrary, except

43 subject to reimbursement with state funds only up to the extent of an  
44 annual appropriation made specifically therefor, after first deducting  
45 therefrom any federal funds properly received or to be received on  
46 account thereof; provided, however, that when such funds have been  
47 exhausted, a social services district may receive state reimbursement  
48 from other available state appropriations for that state fiscal year for  
49 eligible expenditures for services that otherwise would be reimbursable  
50 under such funding streams. Any claims submitted by a social services  
51 district for reimbursement for a particular state fiscal year for which  
52 the social services district does not receive state reimbursement from  
53 the annual appropriation for the approved close to home initiative may  
54 not be claimed against that district's appropriation for the initiative  
55 for the next or any subsequent state fiscal year.

(a-1) State reimbursement shall be made available for one hundred percent of eligible expenditures made by a social services district, exclusive of any federal funds made available for such purposes, for approved juvenile justice services under an approved close to home initiative provided to youth age sixteen years or older when such services would not otherwise have been provided to such youth absent the provisions of chapter fifty-nine of the laws of two thousand seventeen that increased the age of juvenile jurisdiction above fifteen years of age.

47 one hundred percent of their shelter supplements provided under this  
48 section to existing supplement recipients, unless there is no current or  
49 unmet need for supplements as defined in subparagraph (i) of paragraph  
50 (b) of subdivision three of this section in such district.

51 9. The commissioner shall issue a report on the home stability support

26 PART II

27 Section 1. Subdivision 2 of section 220 of the labor law, as amended  
28 by chapter 678 of the laws of 2007, is amended to read as follows:

29 2. ~~[Each] Every~~ contract ~~[to which the state or a public benefit~~  
30 ~~corporation or a municipal corporation or a commission appointed pursu-~~  
31 ~~ant to law is a party, and any contract for public work entered into by~~  
32 ~~a third party acting in place of, on behalf of and for the benefit of~~  
33 ~~such public entity pursuant to any lease, permit or other agreement~~  
34 ~~between such third party and the public entity, and which may involve~~  
35 ~~the employment of laborers, workers or mechanics]~~ for public work shall  
36 contain a stipulation that no laborer, worker or mechanic in the employ  
37 of the contractor, subcontractor or other person doing or contracting to  
38 do the whole or a part of the work contemplated by the contract shall be  
39 permitted or required to work more than eight hours in any one calendar  
40 day or more than five days in any one week except in cases of extraor-  
41 dinary emergency including fire, flood or danger to life or property. No  
42 such person shall be so employed more than eight hours in any day or  
43 more than five days in any one week except in such emergency. Extraor-  
44 dinary emergency within the meaning of this section shall be deemed to  
45 include situations in which sufficient laborers, workers and mechanics  
46 cannot be employed to carry on public work expeditiously as a result of  
47 such restrictions upon the number of hours and days of labor and the  
48 immediate commencement or prosecution or completion without undue delay  
49 of the public work is necessary in the judgment of the commissioner for  
50 the preservation of the contract site and for the protection of the life  
51 and limb of the persons using the same. Upon the application of any  
52 person interested, the commissioner shall make a determination as to  
53 whether or not on any public project or on all public projects in any  
54 area of this state, sufficient laborers, workers and mechanics of any or

1 all classifications can be employed to carry on work expeditiously if  
2 their labor is restricted to eight hours per day and five days per week,  
3 and in the event that the commissioner determines that there are not  
4 sufficient workers, laborers and mechanics of any or all classifications  
5 which may be employed to carry on such work expeditiously if their labor  
6 is restricted to eight hours per day and five days per week, and the  
7 immediate commencement or prosecution or completion without undue delay  
8 of the public work is necessary in the judgment of the commissioner for  
9 the preservation of the contract site and for the protection of the life  
10 and limb of the persons using the same, the commissioner shall grant a  
11 dispensation permitting all laborers, workers and mechanics, or any  
12 classification of such laborers, workers and mechanics, to work such  
13 additional hours or days per week on such public project or in such  
14 areas the commissioner shall determine. Whenever such a dispensation is  
15 granted, all work in excess of eight hours per day and five days per  
16 week shall be considered overtime work, and the laborers, workers and  
17 mechanics performing such work shall be paid a premium wage commensurate  
18 with the premium wages prevailing in the area in which the work is  
19 performed. No such dispensation shall be effective with respect to any  
20 public work unless and until the department of jurisdiction, as defined  
21 in this section, certifies to the commissioner that such public work is  
22 of an important nature and that a delay in carrying it to completion  
23 would result in serious disadvantage to the public. Time lost in any  
24 week because of inclement weather by employees engaged in the  
25 construction, reconstruction and maintenance of highways outside of the  
26 limits of cities and villages may be made up during that week and/or the  
27 succeeding three weeks.

28 § 2. Subdivision 5 of section 220 of the labor law is amended by

18 of 1971, is amended to read as follows:

19 § 232. Overtime. An employee, employed by a contractor or employed at  
20 a covered development project or at real property subject to a covered  
21 lease, who works more than eight hours in any one day or more than forty  
22 hours in any workweek shall be paid wages for such overtime at a rate  
23 not less than one-and-one-half times his prevailing basic cash hourly  
24 rate.

25 § 4. Section 233 of the labor law, as added by chapter 777 of the laws  
26 of 1971, is amended to read as follows:

27 § 233. Record keeping. 1. In all cases where service work is being  
28 performed pursuant to a contract therefor or covered lease, or covered  
29 development project, the contractor, or covered developer, or covered  
30 lessee or lessor shall keep original payrolls or transcripts thereof,  
31 subscribed and confirmed by him as true, under penalties of perjury,  
32 showing the hours and days worked by each employee, the craft, trade or  
33 occupation at which he was employed, and the wages paid. A covered  
34 developer, or covered lessee or lessor may satisfy this requirement by  
35 obtaining copies of employment records from a covered employer.

36 2. Where the wages paid include sums which are not paid directly to  
37 the workmen weekly and which are expended for supplements, the records  
38 required to be maintained shall include a record of such hourly payment  
39 on behalf of such employees, the supplement for which such payment has  
40 been made, and the name and address of the person to whom such payment  
41 has been made. In all such cases, the contractor or covered developer,  
42 or covered lessee or lessor shall keep a true and inscribed copy of the  
43 agreement under which such payments are made, a record of all net  
44 payments made thereunder, and a list of all persons for whom such  
45 payments are made. A covered developer, or covered lessee or lessor may  
46 satisfy this requirement by obtaining copies of employment records from  
47 a covered employer.

48 3. The records required to be maintained shall be kept on the site of  
49 the work during all of the time that work under the contract or other-  
50 wise subject to the requirements of this section is being performed.

51 4. All records required to be maintained shall be preserved for a  
52 period of three years after the completion of work.

53 5. A covered developer, or covered lessee or lessor shall include a  
54 requirement in all leases, management agreements or service contracts,  
55 and any subcontracts thereof, that any covered employer shall comply  
56 with the record keeping requirements of this section. The covered devel-

1 oper, or covered lessee or lessor shall obtain such records from any  
2 covered employer and preserve such records for a period of six years  
3 after the completion of the employee's work.

4 6. Failure to maintain such records as required shall create a rebutt-  
5 able presumption that the building service employees were not paid the  
6 wages and supplements required under this article.

7 § 5. Paragraph (f) of subdivision 1 of section 234 of the labor law,  
8 as added by chapter 777 of the laws of 1971, is amended to read as  
9 follows:

10 (f) to require a contractor or covered developer, or covered lessee or  
11 lessor to file with the fiscal officer a record of the wages actually  
12 paid by such contractor or covered developer, or covered lessee or  
13 lessor to the employees and of their hours of work;

14 § 6. The labor law is amended by adding a new section 235-a to read as  
15 follows:

16 § 235-a. Investigations, hearings, and private right of action for  
17 covered leases and covered development projects. 1. Whenever the fiscal  
18 officer has reason to believe that a building service employee perform-  
19 ing building service work in connection with a covered lease or covered  
20 development project has been paid less than the applicable prevailing  
21 wage and supplements or upon receipt of a written complaint, the fiscal  
22 officer shall conduct a special investigation to determine the facts  
23 relating thereto.

24 2. If, despite the requirements of law, the fiscal officer has not  
25 determined the prevailing wage as required in this article, the fiscal  
26 officer shall determine in the proceeding before him or her the wages  
27 prevailing at the time the work was performed for the crafts, trades or  
28 occupations of the employees involved.

29 3. In an investigation conducted under the provisions of this section,  
30 the inquiry of the fiscal officer shall not extend to work performed  
31 more than three years prior to: (a) the filing of the complaint, or (b)  
32 the commencement of the investigation upon the fiscal officer's own  
33 volition, whichever is earlier in point of time.

34 4. (a) The investigation and hearing shall be expeditiously conducted  
35 and upon the completion thereof the fiscal officer shall determine the  
36 issues raised and shall make and file an order in his or her office  
37 stating such determination and forthwith serve personally or by mail a  
38 copy of such order and determination together with a notice of filing  
39 upon all parties to the proceeding and upon the financial officer of the  
40 public agency involved.

41 (b) In addition to directing payment of wages found to be due, such  
42 order of the fiscal officer shall direct payment of liquidated damages  
43 in an amount equal to the greater of two percent of the annual value of  
44 the financial assistance or covered lease, or two-tenths of a percent of  
45 the total value of the financial assistance or covered lease. Where the  
46 fiscal officer is the commissioner, the penalty shall be paid to the  
47 commissioner for deposit in the state treasury. Where the fiscal officer  
48 is a city comptroller or other analogous officer, the penalty shall be  
49 paid to said officer for deposit in the city treasury.

50 (c) An order directing the payment to specified employees of wages  
51 found to be due and unpaid shall include interest at a rate not less  
52 than six per centum per year and not more than the rate of interest then  
53 in effect as prescribed by the superintendent of financial services  
54 pursuant to section fourteen-a of the banking law per annum from the  
55 time such wages should have been paid. In determining the rate of  
56 interest to be imposed the fiscal officer shall consider the size of the

1 employer's business, the good faith of the employer, the gravity of the  
2 violation, the history of previous violations of the employer, successor  
3 or substantially-owned affiliated entity, any officer of the covered  
4 developer, covered lessee or lessor, or covered employer who knowingly  
5 participated in the violation of this article, and any of the partners  
6 if the covered developer, covered lessee or lessor, or covered employer  
7 is a partnership or any of the five largest shareholders of the covered  
8 developer, covered lessee or lessor, or the covered employer, as deter-  
9 mined by the fiscal officer, and the failure to comply with recordkeep-  
10 ing or other non-wage requirements.

11 5. (a) Provided that no proceeding for judicial review as provided in  
12 this section shall then be pending and the time for initiation of such  
13 proceeding shall have expired, the fiscal officer shall file with the  
14 county clerk of the county where the employer resides or has a place of  
15 business the order of the fiscal officer containing the amount found to  
16 be due. The filing of such order shall have the full force and effect of  
17 a judgment duly docketed in the office of such clerk. The order may be  
18 enforced by and in the name of the fiscal officer in the same manner,  
19 and with like effect, as that prescribed by the civil practice law and  
20 rules for the enforcement of a money judgment.

21 (b) When a final determination has been made in favor of a complainant  
22 and the covered developer, covered lessee or lessor, or covered employer  
23 found violating this article has failed to make payment as required by  
24 the order of the fiscal officer, and provided that no relevant proceed-  
25 ing for judicial review shall then be pending and the time for initi-  
26 ation of such proceeding shall have expired, the fiscal officer may file  
27 a copy of the order of the fiscal officer containing the amount found to  
28 be due with the county clerk of the county of residence or place of  
29 business of any of the following:

30 (i) any substantially-owned affiliated entity or any successor of the  
31 covered developer, covered lessee or lessor, or covered employer;

32 (ii) any of the partners if the covered developer, covered lessee or  
33 lessor, or covered employer is a partnership or any of the five largest  
34 shareholders of the covered developer, covered lessee or lessor, or  
35 covered employer, as determined by the fiscal officer; or

36 (iii) any officer of the covered developer, covered lessee or lessor,  
37 or covered employer who knowingly participated in the violation of this  
38 article; provided, however, that the fiscal officer shall within five  
39 days of the filing of the order provide notice thereof to the partner or  
40 top five shareholders or successor or substantially-owned affiliated  
41 entity. The notified party may contest the filing on the basis that it  
42 is not a partner or one of the five largest shareholders, an officer of  
43 the covered developer, covered lessee or lessor, or covered employer who  
44 knowingly participated in the violation of this article, or a successor  
45 or substantially-owned affiliated entity. If, after reviewing the infor-  
46 mation provided by the notified party in support of such contest, the  
47 fiscal officer determines that the notified party is not within the  
48 definitions described herein, the fiscal officer shall immediately with-  
49 draw his or her filing of the order.

50 (c) The filing of such order shall have the full force and effect of a  
51 judgment duly docketed in the office of such clerk. The order may be  
52 enforced by and in the name of the fiscal officer in the same manner,  
53 and with like effect, as that prescribed by the civil practice law and  
54 rules for the enforcement of a money judgment.

55 6. When a final determination has been made and such determination is  
56 in favor of an employee, such employee may, in addition to any other

1 remedy provided by this article, institute an action in any court of  
2 appropriate jurisdiction against the entity found to have violated this  
3 article, any substantially-owned affiliated entity, any officer of the  
4 covered developer, covered lessee or lessor, or covered employer who  
5 knowingly participated in the violation of this article, and any of the  
6 partners if the covered developer, covered lessee or lessor, or covered  
7 employer is a partnership or any of the five largest shareholders of the  
8 covered developer, covered lessee or lessor, or covered employer, as  
9 determined by the fiscal officer, for the recovery of the difference  
10 between the sum, if any, actually paid to him or her by the aforesaid  
11 financial officer pursuant to said order and the amount found to be due  
12 him or her as determined by said order. Such action must be commenced  
13 within three years from the date of the filing of said order, or if the  
14 said order is reviewed in a proceeding pursuant to article seventy-eight  
15 of the civil practice law and rules, within three years after the termi-  
16 nation of such review proceeding.

17 7. (a) Any person claimed to be aggrieved by violation of this arti-  
18 cle shall have a cause of action in any court of competent jurisdiction  
19 against the entity alleged to have violated this article, any substan-  
20 tially-owned affiliated entity, any officer of the covered developer,  
21 covered lessee or lessor, or covered employer who knowingly participated  
22 in the violation of this article, and any of the partners if the covered  
23 developer, covered lessee or lessor, or covered employer is a partner-  
24 ship or any of the five largest shareholders of the covered developer,  
25 covered lessee or lessor, or covered employer, as determined by the  
26 fiscal officer, for the recovery of the difference between the sum, if  
27 any, actually paid to him or her by the aforesaid financial officer  
28 pursuant to said order and the amount found to be due him or her as  
29 determined by said order. The cause of action may seek damages, includ-  
30 ing punitive damages, and for injunctive relief and such other remedies  
31 as may be appropriate, unless such person has filed a complaint with the  
32 fiscal officer with respect to such claim. In an action brought by a  
33 building service employee, if the court finds in favor of the employee,  
34 it shall award the employee, in addition to other relief, his or her  
35 reasonable attorneys' fees and costs.

36 (b) Investigation by the fiscal officer shall not be a prerequisite to  
37 nor a bar against a person bringing a civil action under this section.  
38 Notwithstanding any inconsistent provision of subdivisions one through  
39 six of this section where a complaint filed with the fiscal officer is  
40 dismissed an aggrieved person shall maintain all rights to commence a  
41 civil action pursuant to this action as if no complaint had been filed.

42 (c) No procedure or remedy set forth in this section is intended to be  
43 exclusive or a prerequisite for asserting a claim for relief to enforce  
44 any rights hereunder in a court of law. This section shall not be  
45 construed to limit an employee's right to bring a common law cause of  
46 action for wrongful termination.

47 (d) Any judgment or court order awarding remedies under this section  
48 shall provide that if any amounts remain unpaid upon the expiration of  
49 ninety days following issuance of judgment, or ninety days after expira-  
50 tion of the time to appeal and no appeal is then pending, whichever is  
51 later, the total amount of judgment shall automatically increase by  
52 fifteen percent.

53 (e) In any action instituted upon a wage claim by a building service  
54 employee in which the employee prevails, the court may allow such  
55 employee, in addition to ordinary costs, a reasonable sum, not exceeding

1 one hundred dollars for expenses which may be taxed as costs. No assignee of a wage claim shall be benefited by this paragraph.

2  
3 (f) Notwithstanding any other provision of law, an action to recover upon a liability imposed by this article must be commenced within the greater of six years from the date the cause of action accrued or two years from the time the plaintiff or the person under whom the plaintiff claims discovered the fraud, or could with reasonable diligence have discovered it. The statute of limitations shall be tolled from the date an employee files a complaint with the fiscal officer or the fiscal officer commences an investigation, whichever is earlier, until an order to comply issued by the fiscal officer becomes final, or where the fiscal officer does not issue an order, until the date on which the fiscal officer notifies the complainant that the investigation has concluded.

15 8. (a) No person shall take any adverse action against an employee that penalizes an employee for, or is reasonably likely to deter an employee from, exercising or attempting to exercise rights under this article or interfere with an employee's exercise of rights under this article.

20 (b) Taking an adverse action includes, but is not limited to threatening, intimidating, disciplining, discharging, demoting, suspending, or harassing an employee, reducing the hours of pay of an employee, informing another employer than an employee has engaged in activities protected by this article, discriminating against the employee, including actions related to perceived immigration status or work authorization, and maintenance or application of an absence control policy that counts protected leave as an absence that may lead to or result in an adverse action.

29 (c) An employee need not explicitly refer to a provision of this article to be protected from an adverse action.

31 (d) A causal connection may be established between the exercise, attempted exercise, or anticipated exercise of rights protected by this article and an employer's adverse action against an employee or a group of employees by indirect or direct evidence.

35 (e) Retaliation is established when it is shown that a protected activity was a motivating factor for an adverse action, whether or not other factors motivated the adverse action.

38 9. (a) When a final determination has been made against a covered employer in favor of a complainant and the covered developer, or covered lessee or lessor has made payment to the complainant of any wages and interest due the complainant and any civil penalty, and providing that no relevant proceeding for judicial review shall then be pending and the time for initiation of such proceeding shall have expired, the covered developer, or covered lessee or lessor may file a copy of the order of the fiscal officer containing the amount found to be due with the county clerk of the county of residence or place of business of the covered employer. The filing of such order shall have the full force and effect of a judgment duly docketed in the office of such clerk. The judgment may be docketed in favor of the covered developer who may proceed as a judgment creditor against the covered employer for the recovery of all monies paid by the covered developer, or covered lessee or lessor under such order.

53 (b) When a covered developer, or covered lessee or lessor has made payment to a complainant of any wages and interest due to him or her because of a covered employer's violation of this article, the covered developer, or covered lessee or lessor may bring suit to recover all

1 monies paid by the covered developer, or covered lessee or lessor from  
2 the covered employer.

3 10. When two judgments or final orders pursuant to the provisions of  
4 this section have been entered against a covered developer, covered  
5 lessee or lessor, covered employer, successor, or any substantially-  
6 owned affiliated entity of the covered developer, covered lessee or  
7 lessor, or covered employer, any of the partners if the covered develop-  
8 er, covered lessee or lessor, or covered employer is a partnership, any  
9 of the five largest shareholders of the covered developer, covered  
10 lessee or lessor, or covered employer, any officer of the covered devel-  
11 oper, covered lessee or lessor, or covered employer who knowingly  
12 participated in the violation of this article within any consecutive  
13 six-year period determining that such covered developer, covered lessee  
14 or lessor, or covered employer and/or its successor, substantially-owned  
15 affiliated entity of the covered developer, covered lessee or lessor, or  
16 covered employer, any of the partners or any of the five largest share-  
17 holders of the covered developer, covered lessee or lessor, or covered  
18 employer, any officer of the covered developer, covered lessee or  
19 lessor, or covered employer who knowingly participated in the violation  
20 of this article has willfully failed to pay the prevailing wages in  
21 accordance with the provisions of this article, whether such failures  
22 were concurrent or consecutive and whether or not such final determi-  
23 nations concerning separate covered leases or awards of financial  
24 assistance are rendered simultaneously, such covered developer, covered  
25 lessee or lessor, covered employer, successor, and if the covered devel-  
26 oper, covered lessee or lessor, covered employer, successor, or any  
27 substantially-owned affiliated entity of the covered developer, covered  
28 lessee or lessor, or covered employer, any of the partners if the  
29 covered developer, covered lessee or lessor, or covered employer is a  
30 partnership, or any of the five largest shareholders of the covered  
31 developer, covered lessee or lessor, or covered employer, any officer of  
32 the covered developer, covered lessee or lessor, or covered employer who  
33 knowingly participated in the violation of this article, or any succes-  
34 sor is a corporation, any officer of such corporation who knowingly  
35 participated in such failure, shall be ineligible to enter into covered  
36 leases with a public agency or receive financial assistance for a period  
37 of five years from the date of the second order; provided, however, that  
38 where any such final order involves the falsification of payroll records  
39 or the kickback of wages, the covered developer, covered lessee or  
40 lessor, covered employer, successor, substantially-owned affiliated  
41 entity of the covered developer, covered lessee or lessor, or covered  
42 employer, any partner if the covered developer, covered lessee or  
43 lessor, or covered employer is a partnership or any of the five largest  
44 shareholders of the covered developer, covered lessee or lessor, or  
45 covered employer, any officer of the covered developer, covered lessee  
46 or lessor, or covered employer who knowingly participated in the  
47 violation of this article shall be ineligible to receive for a period of  
48 five years from the date of the first final order. Nothing in this  
49 subdivision shall be construed as affecting any provision of any other  
50 law or regulation relating to the awarding of financial assistance or  
51 entering into a covered lease with a public agency. The commissioner  
52 shall maintain a list of covered developers, and covered lessees or  
53 lessors, who are ineligible, including their names, address, date and  
54 duration of their ineligibility. Such list shall be updated and  
55 published as often as is necessary to keep it current.

§ 7. Subdivision 1 of section 237 of the labor law, as amended by chapter 698 of the laws of 1988, is amended and a new subdivision 5 is added to read as follows:

1. Subcontractors engaged for service work by a contractor or its subcontractor and covered employers, shall, upon receipt from the covered developer, or covered lessee or lessor, contractor or its subcontractor of the schedule of wages and supplements specified in the contract or article nine prevailing wage schedule, provide to the covered developer, covered lessee or lessor, contractor or its subcontractor a verified statement attesting that the covered employer or subcontractor has received and reviewed such schedule of wages and supplements, and agrees that it will pay the applicable prevailing wages and will pay or provide the supplements specified therein. Such verified statement shall be filed in the manner described in subdivision three of this section for subcontractors of a contractor or its subcontractor, and in the manner described in subdivision four of this section for covered employers. It shall be a violation of this article for any covered developer, covered lessee or lessor, contractor or its subcontractor to fail to provide for its subcontractor a copy of the schedule of wages and supplements specified in the contract or article nine prevailing wage schedules.

Such verified statement shall include a record of the days and hours worked and the wages paid to each building service employee employed at the covered development project, or at real property subject to a covered lease. Where the wages paid include sums which are not paid directly to the workmen weekly and which are expended for supplements, the statement shall include a record of such hourly payments on behalf of such employees, the supplement for which such payment has been made, and the name and address of the person to whom the payment has been made. Such statement shall be verified by the oath of the chief executive or chief financial officer of the covered developer, or covered lessee or lessor, or the designee of any such person that he or she has read such statements subscribed by him or her and knows the contents thereof, and that the same is true of his or her own knowledge, except with respect to wages and supplements owing by contract which may be certified upon information and belief. A violation of any provision of the statement, or failure to provide such statement, shall constitute a violation of this section. The fiscal officer or a public agency leasing or providing financial assistance may inspect the records maintained pursuant to section two hundred thirty-three of this article to verify these statements.

§ 8. Subdivision 1 of section 238 of the labor law, as added by chapter 777 of the laws of 1971, is amended and two new subdivisions 3 and 4 are added to read as follows:

1 to be false shall be guilty of perjury and punishable as provided by the  
2 penal law.

3 3. In the event of a failure by a covered developer, covered lessee or  
4 lessor, or covered employer to comply with the provisions of this arti-  
5 cle, the covered developer, covered lessee or lessor, or covered employ-  
6 er shall be provided with a written notice of failure to comply by the  
7 fiscal officer allowing ten days to cure the failure to comply. If the  
8 covered developer, covered lessee or lessor, or covered employer fails  
9 to timely cure in addition to any other remedies available at law or in  
10 equity, the fiscal officer shall be permitted to seek the following  
11 remedies:

18 the total value of the financial assistance or covered lease.

19 (c) Termination: a material breach of this article that continues for  
20 a period of six months or more, shall allow the public agency to termi-  
21 nate the financial assistance or covered lease.

23 this article: a payment of one thousand dollars per day for each day the

27 paid to the commissioner for deposit in the state treasury. Where the  
28 fiscal officer is a city comptroller or other analogous officer, the

9 evasion to the public agency having charge of such work, or who has  
10 entered into a covered lease or provided financial assistance for the  
11 covered development project for enforcement. Where such evidence indi-  
12 cates a noncompliance or evasion on the part of a subcontractor or  
13 covered employer, the contractor or covered developer, or covered lessee  
14 or lessors, shall be responsible for such noncompliance or evasion. It  
15 shall be the duty of the public agency in charge of such service work,
