2 new subdivision 38 to read as follows:

3 38. "Computer generated registration list" means a printed or elec-
4 tronic list of voters in alphabetical order for a single election
5 district or poll site, generated from a computer registration file for
6 each election and containing for each voter listed, a facsimile of the
7 signature of the voter. Such a list may be in a single volume or in more
8 than one volume. The list may be utilized in place of registration poll
9 records, to establish a person's eligibility to vote in the polling
10 place on election day.

11 (a) The state board of elections shall promulgate minimum security
12 standards for any electronic device, and any network or system to which
13 the electronic device is connected, that is used to store or otherwise
14 access a computer generated registration list, and shall also promulgate
15 a list of devices that are approved for use. No local board of elections
16 shall be permitted to use such a device unless the state board of
17 elections has previously approved the device for use and has certified
18 that the network or system to which the electronic device is connected
19 is compliant with the minimum security standards.

20 (b) The minimum security standards for such devices shall be commensu-
21 rate with the level of security risk applicable to such devices and

4 (c) The state board of elections shall promulgate minimum redundancy
5 procedures to ensure a list of registration records is available that
6 provides necessary information in a compressed format to ensure voting
7 continues if the electronic computer generated registration system
8 becomes unavailable for any poll site or election district that utilizes
9 such an electronic computer generated registration list.

10 § 2. Subdivision 1 of section 4-128 of the election law, as amended by
11 chapter 125 of the laws of 2011, is amended to read as follows:

15 one copy of the instruction booklet for inspectors, a sufficient number
16 of maps, street finders or other descriptions of all of the polling
17 places and election districts within the political subdivision in which
18 the polling place is located to enable the election inspectors and poll
19 clerks to determine the correct election district and polling place for
20 each street address within the political subdivision in which the poll-

46 permit one to see or ascertain how a voter votes, or how he or she has
47 voted nor shall they permit any other person to be less than three feet
48 from the ballot scanner, ballot marking device, or privacy booth while
49 occupied. The election inspectors or clerks attending the ballot scan-

51 face of the ballot scanner, ballot marking device, or the interior of
52 the privacy booth to see that the ballot scanner, ballot marking device,
53 or privacy booth has not been damaged or tampered with. During elections
54 the door or other covering of the counter compartment of the machine
55 shall not be unlocked or opened except by a member of the board of

1 elections, a voting machine custodian or any other person upon the
2 specific instructions of the board of elections.

3 § 8. Subdivisions 2, 2-a, 3, 4 and 5 of section 8-302 of the election
4 law, subdivision 2-a as added by chapter 179 of the laws of 2005, subdivi-

7 125 of the laws of 2011 and subparagraph (ii) of paragraph (e) of subdivi-
8 sion 3 as separately amended by chapters 3 and 6 of the laws of 2019,
9 are amended to read as follows:

10 2. The voter shall give [~~his~~] the voter's name and [~~his~~] the voter's
11 residence address to the inspectors. An inspector shall then loudly and
12 distinctly announce the name and residence of the voter.

13 2-a. (a) If a voter's name appears in the ledger or computer generated
14 registration list with a notation indicating that the voter's identity
15 was not yet verified as required by the federal Help America Vote Act,
16 the inspector shall require that the voter produce one of the following
17 types of identification before permitting the voter to cast his or her
18 vote on the voting machine:

19 (i) a driver's license or department of motor vehicles non-driver
20 photo ID card or other current and valid photo identification;

21 (ii) a copy of a current utility bill, bank statement, government
22 check, paycheck or other government document that shows the name and
23 address of the voter.

24 (b) If the voter produces an identification document listed in para-
25 graph (a) of this subdivision, the inspector shall indicate so in the
26 ledger or computer generated registration list, the voter will be deemed
27 verified as required by the federal Help America Vote Act and the voter
28 shall be permitted to cast his or her vote on the voting machine.

29 (c) If the voter does not produce an identification document listed in
30 paragraph (a) of this subdivision, the voter shall only be entitled to
31 vote by affidavit ballot unless a court order provides otherwise.

32 3. (a) If an applicant is challenged, the board, without delay, shall
33 either enter his name in the second section of the challenge report
34 together with the other entries required to be made in such section
35 opposite the applicant's name or make an entry next to [~~his~~] the voter's
36 name [~~on~~] in the computer generated registration list or in the place
37 provided [~~at the end of~~] in the computer generated registration list.

38 (b) A person who claims to have moved to a new address within the
39 election district in which he or she is registered to vote shall be
40 permitted to vote in the same manner as other voters unless challenged
41 on other grounds. The inspectors shall enter the names and new addresses
42 of all such persons in either the first section of the challenge report
43 or in the place provided [~~at the end of~~] in the computer generated
44 registration list and shall also enter the new address next to such
45 person's address on such computer generated registration list. When the
46 registration poll records of persons who have voted from new addresses
47 within the same election district are returned to the board of
48 elections, such board shall change the addresses on the face of such
49 registration poll records without completely obliterating the old
50 addresses and shall enter such new addresses and the new addresses for
51 any such persons whose names were [~~on~~] in computer generated registra-
52 tion lists into its computer records for such persons.

53 (c) A person who claims a changed name shall be permitted to vote in
54 the same manner as other voters unless challenged on other grounds. The
55 inspectors shall either enter the names of all such persons in the first
56 section of the challenge report or in the place provided [~~at the end of~~]

1 in the computer generated registration list, in the form in which they
2 are registered, followed in parentheses by the name as changed or enter
3 the name as changed next to such voter's name on the computer generated
4 registration list. The voter shall sign first on the registration poll
5 record or ~~[on]~~ in the computer generated registration list, the name
6 under which the voter is registered and, immediately above it, the new
7 name, provided that ~~[on]~~ in such ~~[a computer generated]~~ registration
8 list, the new name may be signed in the place provided ~~[at the end of~~
9 ~~such list]~~. When the registration poll record of a person who has voted
10 under a new name is returned to the board of elections, such board shall
11 change ~~[his]~~ the voter's name on the face of each ~~[of his]~~ registration
12 ~~[records]~~ record without completely obliterating the old one, and there-
13 after such person shall vote only under his or her new name. If a voter
14 has signed a new name ~~[on]~~ in a computer generated registration list,
15 such board shall enter such voter's new name and new signature in such
16 voter's computer record.

17 (d) If an applicant requests assistance in voting and qualifies there-
18 for, the board shall provide assistance as directed by this chapter, and
19 shall without delay either enter such applicant's name and the other
20 entries required in the third section of the challenge report or make an
21 entry next to such applicant's name ~~[on]~~ in the computer generated
22 registration list or in the place provided ~~[at the end of the computer~~
23 ~~generated]~~ in such registration list.

24 (e) Whenever a voter presents himself or herself and offers to cast a
25 ballot, and he or she claims to live in the election district in which
26 he or she seeks to vote but no registration poll record can be found for
27 him or her in the poll ledger or his or her name does not appear ~~[on]~~ in
28 the computer generated registration list or his or her signature does
29 not appear next to his or her name ~~[on]~~ in such ~~[computer generated]~~
30 registration list or his or her registration poll record or the computer
31 generated registration list does not show him or her to be enrolled in
32 the party in which he or she claims to be enrolled, a poll clerk or
33 election inspector shall consult a map, street finder or other
34 description of all of the polling places and election districts within
35 the political subdivision in which said election district is located and
36 if necessary, contact the board of elections to obtain the relevant
37 information and advise the voter of the correct polling place and
38 election district for the residence address provided by the voter to
39 such poll clerk or election inspector. Thereafter, such voter shall be
40 permitted to vote in said election district only as hereinafter
41 provided:

42 (i) He or she may present a court order requiring that he or she be
43 permitted to vote. At a primary election, such a court order must speci-
44 fy the party in which the voter is permitted to vote. ~~[He]~~ The voter
45 shall be required to sign ~~[his]~~ their full name on top of the first page
46 of such order, together with ~~[his]~~ the voter's registration serial
47 number, if any, and ~~[his]~~ the voter's name and the other entries
48 required shall then be entered without delay in the fourth section of
49 the challenge report or in the place provided ~~[at the end of]~~ in the
50 computer generated registration list, or, if such person's name appears
51 on ~~[the computer generated]~~ such registration list, the board of
52 elections may provide a place to make such entry next to his or her name
53 on such list. The voter shall then be permitted to vote in the manner
54 otherwise prescribed for voters whose registration poll records are
55 found in the ledger or whose names are found on the computer generated
56 registration list; or

(ii) He or she may swear to and subscribe an affidavit stating that he or she has duly registered to vote, the address in such election district from which he or she registered, that he or she remains a duly qualified voter in such election district, that his or her registration poll record appears to be lost or misplaced or that his or her name and/or his or her signature was omitted from the computer generated registration list or such record indicates the voter already voted when he or she did not do so or that he or she has moved within New York state since he or she last registered, the address from which he or she was previously registered and the address at which he or she currently resides, and at a primary election, the party in which he or she is enrolled. The inspectors of election shall offer such an affidavit to each such voter whose residence address is in such election district. Each such affidavit shall be in a form prescribed by the state board of elections, shall be printed on an envelope of the size and quality used for an absentee ballot envelope, and shall contain an acknowledgment that the affiant understands that any false statement made therein is perjury punishable according to law. Such form prescribed by the state board of elections shall request information required to register such voter should the county board determine that such voter is not registered and shall constitute an application to register to vote. The voter's name and the entries required shall then be entered without delay and without further inquiry in the fourth section of the challenge report or in the place provided [~~at the end of~~] in the computer generated registration list, with the notation that the voter has executed the affidavit hereinabove prescribed, or, if such person's name appears [~~on the computer generated~~] in such registration list, the board of elections may provide a place to make such entry next to his or her name [~~on~~] in such list. The voter shall then, without further inquiry, be permitted to vote an affidavit ballot provided for by this chapter. Such ballot shall thereupon be placed in the envelope containing his or her affidavit, and the envelope sealed and returned to the board of elections in the manner provided by this chapter for protested official ballots, including a statement of the number of such ballots.

4. At a primary election, a voter whose registration poll record is in the ledger or computer generated registration list shall be permitted to vote only in the primary of the party in which such record shows [~~him~~] the voter to be enrolled unless [~~he~~] the voter shall present a court order pursuant to the provisions of subparagraph (i) of paragraph (e) of subdivision three of this section requiring that [~~he~~] the voter be permitted to vote in the primary of another party, or unless [~~he~~] the voter shall present a certificate of enrollment issued by the board of elections, not earlier than one month before such primary election, pursuant to the provisions of this chapter which certifies that [~~he~~] the voter is enrolled in a party other than the one in which such record shows [~~him~~] the voter to be enrolled, or unless he or she shall subscribe an affidavit pursuant to the provisions of subparagraph (ii) of paragraph (e) of subdivision three of this section.

5. Except for voters unable to sign their names, no person shall be permitted to vote without first identifying himself or herself as required by this chapter.

§ 9. Subdivisions 1, 2 and 3 of section 8-304 of the election law, subdivisions 1 and 2 as amended by chapter 425 of the laws of 1986, are amended to read as follows:

1. A person before being allowed to vote shall be required, except as provided in this chapter, to sign his or her name on the back of his or

1 her registration poll record on the first line reserved for his or her
2 signature at the time of election which is not filled with a previous
3 signature, or ~~[on the line of]~~ in the space provided in the computer
4 generated registration list reserved for ~~[his]~~ the voter's signature.
5 The two inspectors in charge shall satisfy themselves by a comparison of
6 this signature with ~~[his]~~ the voter's registration signature and by
7 comparison of ~~[his]~~ the voter's appearance with the descriptive material
8 on the face of the registration poll record that ~~[he]~~ the voter is the
9 person registered. If they are so satisfied they shall enter the other
10 information required for the election on the same line with the voter's
11 latest signature, shall sign their names or initials in the spaces
12 provided therefor, and shall permit the applicant to vote. Any inspector
13 or inspectors not satisfied shall challenge the applicant forthwith.

14 2. If a person who alleges ~~[his]~~ an inability to sign his or her name
15 presents himself or herself to vote, the board of inspectors shall
16 permit ~~[him]~~ such person to vote, unless challenged on other grounds,
17 provided ~~[he]~~ the voter had been permitted to register without signing
18 ~~[his]~~ the voter's name. The board shall enter the words "Unable to Sign"
19 in the space on ~~[his]~~ the voter's registration poll record reserved for
20 ~~[his]~~ the voter's signature or on the line ~~[of]~~ or space the computer
21 generated registration list reserved for ~~[his]~~ the voter's signature at
22 such election. If ~~[his]~~ the voter's signature appears upon ~~[his]~~ the
23 voter's registration record or ~~[upon]~~ in the computer generated regis-
24 tration list the board shall challenge ~~[him]~~ the voter forthwith, except
25 that if such a person claims that he or she is unable to sign his or her
26 name by reason of a physical disability incurred since ~~[his]~~ the voter's
27 registration, the board, if convinced of the existence of such disabili-
28 ty, shall permit him or her to vote, shall enter the words "Unable to
29 Sign" and a brief description of such disability in the space reserved
30 for ~~[his]~~ the voter's signature at such election. At each subsequent
31 election, if such disability still exists, ~~[he]~~ the voter shall be enti-
32 tled to vote without signing ~~[his]~~ their name and the board of inspec-
33 tors, without further notation, shall enter the words "Unable to Sign"
34 in the space reserved for ~~[his]~~ the voter's signature at such election.

35 3. The voter's facsimile signature ~~[made by him upon registration and~~
36 ~~his signature made at subsequent elections]~~ shall be effectively
37 concealed from the voter by a blotter or ~~[piece of opaque paper]~~ other
38 means until after the voter shall have completed ~~[his]~~ the signature.

39 § 10. Subdivision 3 of section 8-306 of the election law, as amended
40 by chapter 154 of the laws of 1991, is amended to read as follows:

41 3. Any voter who requires assistance to vote by reason of blindness,
42 disability or inability to read or write may be given assistance by a
43 person of the voter's choice, other than the voter's employer or agent
44 of the employer or officer or agent of the voter's union. A voter enti-
45 tled to assistance in voting who does not select a particular person may
46 be assisted by two election inspectors not of the same political faith.
47 The inspectors or person assisting a voter shall enter the voting
48 machine or booth with ~~[him]~~ the voter, help ~~[him]~~ the voter in the prep-
49 aration of ~~[his]~~ the voter's ballot and, if necessary, in the return of
50 the voted ballot to the inspectors for deposit in the ballot box. The
51 inspectors shall enter in the ~~[remarks space on the registration poll~~
52 ~~card of an assisted voter, or next to the name of]~~ space provided for
53 such voter ~~[on]~~ in the computer generated registration list, the name of
54 each officer or person rendering such assistance.

§ 11. Subdivision 2 of section 8-508 of the election law, as amended by chapter 200 of the laws of 1996, paragraph (b) as amended by chapter 6 of the laws of 2019, is amended to read as follows:

2. (a) The first section of such report shall be reserved for the inspectors of election to enter the name, address and registration serial number of each person who claims a change in name, or a change of address within the election district, together with the new name or address of each such person. In lieu of preparing section one of the challenge list, the board of elections may provide, next to the name of each voter ~~[on]~~ in the computer generated registration list, a place for the inspectors of election to record the information required to be entered in such section one, or provide ~~[at the end of such computer generated]~~ elsewhere in such registration list, a place for the inspectors of election to enter such information.

(b) The second section of such report shall be reserved for the board of inspectors to enter the name, address and registration serial number of each person who is challenged at the time of voting together with the reason for the challenge. If no voters are challenged, the board of inspectors shall enter the words "No Challenges" across the space reserved for such names.
