13 3. (a) The term "source agency" includes the department of motor vehi-
14 cles, any government agency designated pursuant to section 5-211 of this
15 title, the state university of New York and the city university of New
16 York, all public housing authorities listed in article thirteen of the

20 pursuant to paragraph (b) of this subdivision.

21 (b) The state board of elections may designate additional state agen-
22 cies to serve as sources for voter registration. In designating an agen-
23 cy under this paragraph, the state board of elections shall consider:

24 (i) the likelihood that source records reflect a large number of
25 eligible citizens;

26 (ii) the extent to which source records reflect eligible citizens who
27 would not otherwise be registered under the act to modernize voter
28 registration;

29 (iii) the accuracy of personal identification data in source records;
30 and

31 (iv) any additional factors designated by the chief election official
32 as reasonably related to accomplishing the purposes of the act to
33 modernize voter registration.

34 4. The state board of elections and the source agencies shall enter
35 into agreements to ensure that for each person described in subdivision
36 two of this section, each source agency electronically transmits to the

47 (g) an indication that the person intends to apply for an absentee
48 ballot, if any; and

53 The board of elections shall develop procedures to enable an eligible
54 citizen, whose information is transmitted pursuant to this section and
55 whose information lacks an electronic signature, to provide a signature
56 at the polling place or with an application for an absentee ballot

1 before voting. The board may require an elector who has not provided a
2 signature before arriving at the polling place or submitting an absentee
3 ballot to present a current and valid photo identification or a copy of
4 a current utility bill, bank statement, government check, paycheck, or
5 other government document that shows the name and address of the voter.

6 5. If an agency does not routinely request information concerning the
7 citizenship status of individuals, it shall maintain records sufficient
8 to transmit to the board of elections indications of United States citi-
9 zenship for each person described in subdivision two of this section,
10 but shall not retain, use, or share any such information relating to an
11 individual's citizenship for any other purpose.

12 6. Each source agency shall include for each person described in
13 subdivision two of this section a statement that he or she shall be
14 registered to vote, if he or she is not already so registered, provided,

18 or she shall not be registered to vote pursuant to the procedures in
19 this section at that time.

20 7. The state board of elections shall prepare and distribute to
21 participating agencies written instructions as to the implementation of
22 the program and shall be responsible for establishing training programs
23 for employees of source agencies listed in this section. Training shall
24 include requirements that employees of any source agency communicate to
25 each individual identified in subdivision two of this section that the
26 source agency maintains strict neutrality with respect to a person's
27 party enrollment and all persons seeking voter registration forms and
28 information shall be advised that government services are not condi-
29 tioned on being registered to vote, or eligibility to register to vote.
30 No statement shall be made nor any action taken to discourage the appli-
31 cant from registering to vote.

32 8. The agreements between the state board of elections and the source
33 agencies shall include the format in which information will be transmit-
34 ted, whether and how each entity will collect, in addition to the manda-
35 tory information listed in subdivision four of this section, additional
36 information on a voluntary basis from persons for the purpose of facili-
37 tating voter registration, the frequency of data transmissions, the
38 procedures, and other measures that will be used to ensure the security
39 and privacy of the information transmitted, and any other matter neces-
40 sary or helpful to implement the requirements of this section.

41 9. Each source agency shall cooperate with the state board of
42 elections and county board of elections to facilitate the voter regis-

45 person to vote or to update each such person's voter registration
46 record.

53 to vote, by January first, two thousand twenty-one.

54 § 2. Subdivision 5 of section 5-210 of the election law is amended by
55 adding a new paragraph (n) to read as follows:
