The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The general business law is amended by adding a new article  
2 29-CCC to read as follows:

### ARTICLE 29-CCC

542. Certificate of registration.

543. Certificate of registration refusal, suspension or revocation.

544. Inspections.

545. Violations.

§ 539. Definitions. As used in this article, the following terms shall have the following meanings:

1. "Pet" means an animal as defined by subdivision five of section three hundred fifty of the agriculture and markets law.

2. "Registered pet groomer" means an individual, registered as a pet groomer who bathes, brushes, dries, clips or styles a pet for financial remuneration.

LBD00600-02-9

1 3. "Pet groomer" means an individual, working under the supervision of  
2 a registered pet groomer at the grooming facility.

3 4. "Pet grooming facility" means a business permanently operating in  
4 New York state including mobile and home-based facilities where a pet  
5 may be bathed, dried, brushed, clipped or styled, and (i) pet grooming  
6 is the establishment's predominant source of sales, or (ii) pet grooming  
7 services are offered within a retail store. A pet grooming facility  
8 shall not include any self-service pet grooming facilities, including  
9 but not limited to businesses such as car wash facilities where pet  
10 grooming is ancillary to the primary business of the facility or busi-  
11 nesses that provide customers with pet grooming equipment and/or  
12 supplies for customers to use to groom their own personal pets and  
13 employees at such self-service pet grooming facilities only provide  
14 assistance demonstrating how to operate equipment properly and safely.  
15 If a self-service pet grooming facility also offers pet grooming  
16 services, then such facility shall be considered a pet grooming facility  
17 and a registered pet groomer would be required to be on premises.

18 § 540. Standard of care. 1. The primary concern of every person regis-  
19 tered pursuant to this article, and those working under the supervision  
20 of such person, shall be the safety and well-being of the pet in their  
21 care. No pet shall be left restrained or unrestrained while on a groom-  
22 ing table, in a bathing area or in a dryer. Pets shall be cared for  
23 according to the minimum standards of subdivisions one, two, three and  
24 four of section four hundred one of the agriculture and markets law, and  
25 any other sections of the agriculture and markets law relating to the  
26 care of pets.

27 2. Every location where pets are groomed shall display contact infor-  
28 mation for the secretary of state and a copy of their certificate of  
29 registration as required by section five hundred forty-two of this arti-  
30 cle.

31 § 541. Record keeping. 1. Each pet groomer shall keep and maintain  
32 records regarding each animal cared for and the owner thereof. Such  
33 records shall include the name, contact number, and address of the  
34 owner, the services provided, and the date such services were provided.

35 2. Records for each animal shall be maintained for a minimum period of  
36 one year from the date of service. During normal business hours, such  
37 records shall be made available to persons authorized by law to enforce  
38 the provisions of this article.

39 § 542. Certificate of registration. 1. Any person intending to own or  
40 operate a pet grooming business as defined in this article shall hold a  
41 certificate of registration issued by the secretary of state as required  
42 by this article.

43 2. The secretary of state, in cooperation and consultation with the  
44 department of agriculture and markets, shall establish a training  
45 program and examination procedure for applicants interested in obtaining  
46 such registration. The objectives of the training and examination shall  
47 be to ensure the applicants have sufficient skills to safeguard the  
48 health and safety of the animal, and to ensure that the applicants have  
49 attained adequate levels of skill to competently engage in pet grooming.  
50 The training and examination shall be available through an educational  
51 course or program approved by the department and shall be available  
52 online or on-site, and shall be held at least quarterly by the state or  
53 an authority approved by the secretary of state.

54 3. The secretary of state shall create and maintain a roster of regis-  
55 trants. Such record shall include disciplinary action, suspension of  
56 registration and revocation.

1 4. No individual shall be permitted to take an examination for a pet  
2 groomer's registration unless such applicant is at least eighteen years  
3 of age.

4 5. (a) If the applicant provides the necessary business information  
5 and has completed the training and passed the examination, the secretary  
6 of state shall issue such applicant a certificate of registration as a  
7 pet groomer upon payment of a forty dollar annual registration fee. At  
8 minimum, each registrant shall provide:

9 (i) the name of the pet grooming business;

10 (ii) the principal address, contact number, and names of all the  
11 owners of the business;

12 (iii) evidence of appropriate training, such as: (1) having been in  
13 the field of pet grooming either as an apprentice program or from a  
14 school or institution approved by the department and that provides  
15 instruction in pet grooming; or (2) has successfully completed a groom-  
16 ing certification course through a professional pet groomers and styl-  
17 ists alliance compliant membership organization in good standing at the  
18 time of completion and such program is approved by the department; and

19 (iv) any other information that the department deems necessary and  
20 appropriate.

21 (b) Individuals currently engaged in pet grooming on the effective  
22 date of this article may apply for a certificate of registration by  
23 providing:

24 (i) payment of the same registration fee as required in paragraph (a)  
25 of this subdivision;

26 (ii) the name of the pet grooming business;

27 (iii) the principal address, contact number, and names of all the  
28 owners of the business;

29 (iv) evidence of completion of a training program approved by the  
30 department; and

31 (v) any other information that the department deems necessary and  
32 appropriate.

33 (c) The department shall provide each pet grooming business which has  
34 complied with the registration requirements as provided for in this  
35 article with a certificate of registration and an identification card or  
36 certificate, which shall have an identification number and expiration  
37 date.

38 6. A registered pet groomer may employ individuals, under his or her  
39 direct supervision. A registered pet groomer must be on premises at all  
40 times that a pet is being groomed. The name of the person in charge of  
41 any pet grooming facility shall be posted in a conspicuous place in such  
42 facility and the certificate of registration of such person shall be  
43 prominently displayed.

44 § 543. Certificate of registration refusal, suspension or revocation.

45 1. The secretary of state may decline to grant or renew, or may suspend  
46 or revoke a pet groomer's certificate of registration for a false state-  
47 ment as to a material matter in the application for such certificate of  
48 registration, for persistent improper record keeping or business prac-  
49 tices, or for a violation of any provision of this law or any law relat-  
50 ing to the humane treatment of animals.

51 2. The secretary of state shall conduct a hearing before revoking or  
52 suspending any certificate of registration or before issuing any order  
53 directing the cessation of unauthorized activities. At least ten days  
54 prior to the date set for the hearing, the holder of such certificate of  
55 registration shall be notified in writing, or the person alleged to have  
56 engaged in unauthorized activities, of any charges made and shall afford

1 such person an opportunity to be heard in person or by counsel in refer-  
2 ence hereto. The hearing on such charges shall be at such time and  
3 place as the department shall prescribe. Any pet grooming business or  
4 pet groomer whose certificate of registration is revoked, denied, or  
5 suspended may reapply after re-taking a training course and re-passing  
6 an examination as well as demonstrate to the secretary of state their  
7 ability to provide for the humane and appropriate care and safety of  
8 pets in their care.

9 3. Any action of the secretary of state pursuant to this section shall  
10 be subject to judicial review in a proceeding pursuant to article seven-  
11 ty-eight of the civil practice law and rules.

12 § 544. Inspections. The secretary of state or his or her authorized  
13 agents shall be authorized to jointly coordinate with the commissioner  
14 of agriculture and markets or his or her authorized agents to inspect  
15 pet grooming facilities to ensure compliance with the provisions of this  
16 article. Nothing herein shall limit the ability of the department of  
17 agriculture and markets to enforce the provisions of the agriculture and  
18 markets law as applicable to such facility. Authority to conduct such  
19 inspections to enforce the provisions of this article and report thereon  
20 may be delegated by the secretary of state to a municipality.

21 § 545. Violations. 1. In addition to denial, revocation, suspension or  
22 refusal of renewal of a certificate of registration, as otherwise  
23 provided in this article, any violation of a provision of this article  
24 is a civil offense, for which a penalty of not less than one hundred  
25 dollars nor more than five hundred dollars for each violation may be  
26 imposed, provided however for violations not affecting the health and  
27 safety of a person or a pet at the pet grooming facility, the secretary  
28 of state may allow for a cure period or other opportunity for ameliora-  
29 tive action, the successful completion of which will prevent the imposi-  
30 tion of penalties on the party or parties subject to enforcement. The  
31 secretary of state shall implement an appeals process for such regis-  
32 tered pet groomer who wishes to contest the imposition of a penalty  
33 related to a civil offense.

34 2. The provisions of this article may be concurrently enforced by the  
35 secretary of state and by any municipality to which the secretary of  
36 state has delegated authority. Moneys collected thereunder shall be  
37 retained by the local municipality.

38 3. Nothing in this article shall be construed to limit or restrict any  
39 municipality with a population of one million or more from enacting or  
40 enforcing a local law, rule, regulation or ordinance governing pet  
41 groomers, provided however, that any such local law, rule, regulation,  
42 or ordinance shall be no less stringent than the applicable provisions  
43 of this article.

44 § 2. This act shall take effect on the one hundred eightieth day after  
45 it shall have become a law. Effective immediately, the addition, amend-  
46 ment and/or repeal of any rule or regulation necessary for the implemen-  
47 tation of this act on its effective date are authorized to be made and  
48 completed on or before such effective date.
