IN ASSEMBLY

January 22, 2019

Introduced by M. of A. WOERNER -- Multi-Sponsored by -- M. of A. ABINAN-TI, ARROYO, CARROLL, COLTON, FAHY, GOTTFRIED, JONES, QUART, L. ROSEN-THAL, SEAWRIGHT, STEC, STECK, THIELE -- read once and referred to the Committee on Ways and Means

AN ACT to amend the tax law, in relation to establishing a forestry stewardship and habitat conservation credit for personal income and business franchise taxes

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1	Section 1. Section 606 of the tax law is amended by adding a new
2	subsection (jjj) to read as follows:
3	(jjj) Forestry stewardship and habitat conservation credit. (1) In the
4	case of a taxpayer who owns land that is subject to an agreement with
5	the department of environmental conservation, by which such land is
6	committed to forestry stewardship, or habitat conservation, or both,
7	there shall be allowed a credit for twenty-five percent of the real
8	property taxes paid on such land. In no event shall the credit allowed
9	under this subsection in combination with any other credit for such real
10	property taxes under this section exceed the total amount of such taxes
11	paid during the taxable year.
12	(2) For the purposes of this subsection:
13	(a) "Eligible tract" shall mean a tract of land of at least twenty-
14	five contiguous acres that has been inspected by the department of envi-
15	ronmental conservation, a wildlife biologist certified by The Wildlife
16	Society, or a fisheries biologist certified by the American Fisheries
17	Society, and based on such inspection is determined by the department of
18	environmental conservation to be: valuable habitat for wildlife, fish,
19	shellfish or crustacea; or safe and suitable for fish or wildlife-relat-
20	ed recreation, including fishing, hunting, trapping and wildlife obser-
21	vation; or both. Land divided only by federal, state, county or town
22	roads, easements or rights-of-way, or energy transmission corridors or

1	similar facilities shall be considered contiguous for purposes of this
2	section.
3	(b) "Agreement" shall mean a written agreement between the department
4	of environmental conservation and the owner of an eligible tract,
5	executed by both parties, by which the eligible tract is committed to
б	habitat conservation, or forestry stewardship, or both, for a period of
7	not less than five years.
8	(c) "Approved habitat conservation plan" shall mean a plan, approved
9	by the department of environmental conservation, for the management of
10	an eligible tract which shall contain requirements and standards with
11	which the owner of the eligible tract must comply in order to conserve
12	the value of the land as wildlife, fish, shellfish, or crustacea habi-
13	tat.
14	(d) "Forestry stewardship" shall mean participation in a forest
15	certification program (such as Forest Stewardship Council certification,
16	Sustainable Forestry Initiative, American Tree Farm Program, etc.)
17	recognized in the regulations of the department of environmental conser-
18	vation.
19	(3) There is hereby created a New York state forestry stewardship and
20	habitat conservation program for the purpose of providing forested lands
21	in the state and conserving the value of land in the state as wildlife,
22	fish, shellfish or crustacea habitat.
23	(4) A landowner may make application to the department of environ-
24	mental conservation, on forms prescribed by such department, to have
25	land included in the New York state habitat conservation and forestry
26	stewardship program. If, based on an inspection of the land by the
27	department of environmental conservation, or a wildlife biologist certi-
28	fied by The Wildlife Society, or a fisheries biologist certified by the
29	American Fisheries Society, the department of environmental conservation
30	determines that such land is an eligible tract, it shall notify the
31	landowner that the land is eligible for inclusion in the New York state
32	habitat conservation and forestry stewardship program.
33	(5) The department of environmental conservation may, in its
34	discretion, enter into agreements with owners of eligible tracts for
35	purposes of forestry stewardship, or habitat conservation, or both. Such
36	agreements shall be for a minimum duration of five years, and shall
37	contain a description of the property that is the subject of the agree-
38	ment, and such terms and conditions as the department deems appropriate,
39	including, but not limited to:
40	(a) for forestry stewardship agreements, a description of the partic-
41	ipation in a forest certification program for a period of not less than
42	five years;
43	(b) for habitat conservation agreements, a requirement that the land-
44	owner develop a habitat conservation plan and implement the plan for a
45	period of not less than five years;
46	(c) for habitat conservation and forestry stewardship agreements, a
47	requirement that the landowner develop a habitat conservation plan and
48	implement the plan for a period of not less than five years; and a
49	description of participation in a forest certification program for a
50	period of not less than five years;
51	(d) a requirement that the landowner's obligations concerning the land
52	under the terms of the agreement, as well as any benefits, shall pass to
53	any successor in interest to such land for the duration of the term of
54	the agreement; and
55	(e) a requirement that a copy of the agreement shall be duly recorded
56	and indexed as such in the office of the recording officer for the coun-

(6) The amount of the credit that may be claimed by a taxpayer pursuant to this subsection shall not exceed ten thousand dollars in any

10 ant to this subsection shall not exceed ten thousand dollars in any 11 given year. 12 (7) If the amount of the credit under this subsection for any taxable 13 year shall exceed the taxpayer's tax for such year, the excess shall be

14 treated as an overpayment of tax to be credited or refunded in accord-15 ance with the provisions of section six hundred eighty-six of this arti-16 cle, provided, however, that no interest shall be paid thereon.

17 § 2. Paragraph 4 of subsection (n) of section 606 of the tax law, as 18 amended by section 2 of part F of chapter 62 of the laws of 2006, is 19 amended to read as follows:

20 (4) Qualified agricultural property. For purposes of this subsection, 21 the term "qualified agricultural property" means land located in this state which is used in agricultural production, and land improvements, 22 structures and buildings (excluding buildings used for the taxpayer's 23 residential purpose) located on such land which are used or occupied to 24 25 carry out such production. Qualified agricultural property also includes 26 land set aside or retired under a federal supply management or soil 27 conservation program or land that at the time it becomes subject to a conservation easement, as defined under subsection (kk) of this section, 28 29 met the requirements under this paragraph, and land that at the time it 30 becomes subject to an agreement as defined in subsection (jjj) of this

31 section met the requirements under this paragraph.

32 § 3. Section 210-B of the tax law is amended by adding a new subdivi-33 sion 53 to read as follows:

53. Forestry stewardship and habitat conservation credit. (1) In the 34 35 case of a taxpayer who owns land that is subject to an agreement with the department of environmental conservation, by which such land is 36 committed to forestry stewardship, or habitat conservation, or both, 37 38 there shall be allowed a credit for twenty-five percent of the real property taxes paid on such land. In no event shall the credit allowed 39 under this subdivision in combination with any other credit for such 40 41 real property taxes under this section exceed the total amount of such 42 taxes paid during the taxable year.

43 (2) For the purposes of this subdivision:

(a) "Eligible tract" shall mean a tract of land of at least twenty-44 45 five contiguous acres that has been inspected by the department of envi-46 ronmental conservation, a wildlife biologist certified by The Wildlife Society, or a fisheries biologist certified by the American Fisheries 47 Society, and based on such inspection is determined by the department of 48 environmental conservation to be: valuable habitat for wildlife, fish, 49 shellfish or crustacea; or safe and suitable for fish or wildlife-relat-50 51 ed recreation, including fishing, hunting, trapping and wildlife obser-52 vation; or both. Land divided only by federal, state, county or town 53 roads, easements or rights-of-way, or energy transmission corridors or 54 similar facilities shall be considered contiguous for purposes of this 55 section.

1	(b) "Agreement" shall mean a written agreement between the department
2	of environmental conservation and the owner of an eligible tract,
3	executed by both parties, by which the eligible tract is committed to
4	habitat conservation, or forestry stewardship, or both, for a period of
5	not less than five years.
6	(c) "Approved habitat conservation plan" shall mean a plan, approved
7	by the department of environmental conservation, for the management of
8	an eligible tract which shall contain requirements and standards with
9	which the owner of the eligible tract must comply in order to conserve
