consumers and employee disputes are contrary to the established public policy of this state. Because employees and consumers are required to 3 assent to these agreements as a condition of being an employee or consumer before any dispute has arisen with the employer or merchant, these agreements do not offer employees and consumers a meaningful choice about how to resolve their disputes with the employer or 7 merchant. In addition, mandatory arbitration agreements prevent employ-8 ees and consumers from effectively vindicating their rights under state 9 law. For these reasons, except when inconsistent with federal law, the 10 state prohibits the formation and enforcement of mandatory arbitration 11 agreements in employment and consumer contracts.

- 4. Prohibition of mandatory arbitration clauses in insurance agreements. A mandatory arbitration agreement within or part of any written contract for insurance with a consumer or other written agreement involving the offering of insurance to a consumer is invalid, unenforceable and void. Any such arbitration agreement shall be considered severable, and all other provisions of the contract for insurance shall remain in effect and given full force.
- 5. Prohibition of mandatory arbitration clauses in employment contracts for workers exempted from the Federal Arbitration Act. (a) A mandatory arbitration agreement within or part of any written contract of employment of seamen, railroad employees or any other class of workers engaged in foreign or interstate commerce is unenforceable and void. Any such arbitration agreement shall be considered severable, and all other provisions of the employment contract shall remain in effect and given full force.
- 27 (b) The provisions of this section shall not apply to agreements nego-28 tiated with any labor union through collective bargaining.
- 6. Prohibition of mandatory arbitration clauses that are not governed by federal law. Any mandatory arbitration agreement, or portion thereof, in an employment or consumer contract is invalid, unenforceable and void, when the enforceability of such arbitration agreement, or the portion at issue, is governed by state law. Any such arbitration agreement shall be considered severable, and all other provisions of the 34 employment contract shall remain in effect and given full force.
- 36 § 2. This act shall take effect on the one hundred eightieth day after 37 it shall have become a law.
