AN ACT to amend the economic development law, in relation to reporting requirements for the START-UP NY program including specific data relating to net new jobs

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding the provisions of article 5 of the general
2 construction law, the provisions of section 438 of the economic develop-
3 ment law, as amended by section two of this act, are hereby revived and
4 shall continue in full force and effect as such provisions existed on
5 April 10, 2017.

6 § 2. Section 438 of the economic development law, as added by section
7 1 of part A of chapter 68 of the laws of 2013, is amended to read as
8 follows:

9 § 438. Disclosure authorization and reporting requirements. 1. The
10 commissioner and the department shall disclose publicly the names and
11 addresses of the businesses located within a tax-free NY area. In addi-
12 tion, the commissioner and the department shall disclose publicly and
13 include in the annual report required under subdivision two of this
14 section such other information contained in such businesses' applica-
15 tions and annual reports, including the projected number of net new jobs
16 to be created, as they determine is relevant and necessary to evaluate
17 the success of this program.

18 2. (a) The commissioner shall prepare an annual report to the governor
19 and the legislature no later than April first, two thousand twenty and

1 annually thereafter. Such report shall include the number of business
2 applicants, number of businesses approved, the names and addresses of
3 the businesses located within a tax-free NY area, total amount of bene-
4 fits distributed, benefits received per business, number of net new jobs
5 created, net new jobs created per business, new investment per business,
6 the types of industries represented and such other information as the
7 commissioner determines is necessary to evaluate the progress of the
8 START-UP NY program. Such annual report shall, at a minimum, include
9 annual program data and information attributable solely to the preceding
10 calendar year. In addition, such report shall include cumulative annual
11 program data including all net new jobs previously recorded, adjusted
12 for net new jobs that have been subsequently lost. Cumulative data shall
13 be presented separate and distinct from annual program data reporting.
14 Such report shall be posted as a separate document on the department's
15 website.

16 (b) Any business located in a tax-free NY area must submit an annual
17 report to the commissioner in a form and at such time and with such
18 information as prescribed by the commissioner in consultation with the
19 commissioner of taxation and finance. Such information shall be suffi-
20 cient for the commissioner and the commissioner of taxation and finance
21 to: (i) monitor the continued eligibility of the business and its
22 employees to participate in the START-UP NY program and receive the tax
23 benefits described in section thirty-nine of the tax law; (ii) evaluate
24 the progress of the START-UP NY program; and (iii) prepare the annual
25 report required by paragraph (a) of this subdivision. Such annual report
26 shall also include information regarding the wages paid during the year
27 to its employees employed in the net new jobs created and maintained in
28 the tax-free NY area.

29 § 3. Subdivision 1 of section 433 of the economic development law, as
30 amended by section 3 of part UUU of chapter 59 of the laws of 2017, is
31 amended to read as follows:

32 1. In order to participate in the START-UP NY program, a business must
33 satisfy all of the following criteria.

34 (a) The mission and activities of the business must align with or
35 further the academic mission of the campus, college or university spon-
36 soring the tax-free NY area in which it seeks to locate, and the busi-
37 ness's participation in the START-UP NY program must have positive
38 community and economic benefits.

39 (b) The business must demonstrate that it will, in its first year of
40 operation, create net new jobs. After its first year of operation, the
41 business must maintain net new jobs. In addition, the average number of
42 employees of the business and its related persons in the state during
43 the year must equal or exceed the sum of: (i) the average number of
44 employees of the business and its related persons in the state during
45 the year immediately preceding the year in which the business submits
46 its application to locate in a tax-free NY area; and (ii) net new jobs
47 of the business in the tax-free NY area during the year. The average
48 number of employees of the business and its related persons in the state
49 shall be determined by adding together the total number of employees of
50 the business and its related persons in the state on March thirty-first,
51 June thirtieth, September thirtieth and December thirty-first and divid-
52 ing the total by the number of such dates occurring within such year.

53 (c) Except as provided in paragraphs [~~(f)~~] (g) and [~~(g)~~] (h) of this
54 subdivision, at the time it submits its application for the START-UP NY
55 program, the business must be a new business to the state.

1 (d) The business may be organized as a corporation, a partnership,
2 limited liability company or a sole proprietorship.

3 (e) Upon completion of its first year in the START-UP NY program and
4 thereafter, the business must complete and timely file the annual report
5 required under section four hundred thirty-eight of this article.

6 (f) Except as provided in paragraphs [~~(f)~~] (g) and [~~(g)~~] (h) of this
7 subdivision, the business must not be engaged in a line of business that
8 is currently or was previously conducted by the business or a related
9 person in the last five years in New York state.

10 [~~(f)~~] (g) If a business does not satisfy the eligibility standard set
11 forth in paragraph (c) or [~~(e)~~] (f) of this subdivision, because at one
12 point in time it operated in New York state but moved its operations out
13 of New York state on or before June first, two thousand thirteen, the
14 commissioner shall grant that business permission to apply to partic-
15 ipate in the START-UP NY program if the commissioner determines that the
16 business has demonstrated that it will substantially restore the jobs in
17 New York state that it previously had moved out of state.

18 [~~(g)~~] (h) If a business seeks to expand its current operations in New
19 York state into a tax-free NY area but the business does not qualify as
20 a new business because it does not satisfy the criteria in paragraph (c)
21 of subdivision six of section four hundred thirty-one of this article or
22 the business does not satisfy the eligibility standard set forth in
23 paragraph [~~(e)~~] (f) of this subdivision, the commissioner shall grant
24 the business permission to apply to participate in the START-UP NY
25 program if the commissioner determines that the business has demon-
26 strated that it will create net new jobs in the tax-free NY area and
27 that it or any related person has not eliminated any jobs in the state
28 in connection with this expansion.

29 § 4. This act shall take effect immediately.
