2019-2020 Regular Sessions

IN ASSEMBLY

(Prefiled)

January 9, 2019

Introduced by M. of A. CAHILL -- read once and referred to the Committee on Energy

AN ACT directing a study and report on current trends in the workforce that supports the generation and transmission of power in the utility industry

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. 1. The commissioner of labor, in consultation with, and using data collected by, the public service commission, shall monitor trends in the workforce of:

- (a) personnel that support the generation of power in the utility industry; and
- (b) personnel that support the transmission of power in the utility industry.
- 2. Not later than one year after the effective date of this act, the 8 commissioner of labor shall submit to the legislature a report on 9 current trends under subdivision one of this section, with recommenda-10 11 tions to meet the future labor requirements for the energy industries. 12 The commissioner of labor shall have the authority to commence additional studies when (a) a utility initiates a rate hike request; or (b) a complaint is brought by a third party. The scope of any additional 14 study can be broadened to include all utilities in the state or limited 15 to the evaluation to just one utility. 16
- 3. As soon as practicable after the date on which the commissioner of labor identifies or predicts a significant shortage in this state of personnel in one or more energy sectors, the commissioner of labor shall submit to the legislature a report describing the shortage, after the data review committee, appointed pursuant to subdivision four of this section has reviewed and provided input on the report. The commissioner of labor shall have broad authority to require utilities to provide

- (g) succession plans; and
- 11 (h) efforts to capture knowledge from retiring personnel.
- 4. The commissioner of labor shall evaluate the data with the assistance of experts in human resources, corporate management, internal
 controls and business/planning policies, and forecasting and planning.
 The commissioner of labor shall benefit by being informed by all entities with interests in, and relevant information concerning, utility
 staffing issues. The commissioner of labor shall form a data review
 committee and shall appoint one member each from the following constiuencies to serve for terms of 2 years:
- 20 (a) a regulated utility;
- 21 (b) a labor representative;
- 22 (c) a state ratepayer advocate organization;
- 23 (d) an industrial customer or other large user; and
- 24 (e) the public service commission.
- 25 § 2. This act shall take effect on the thirtieth day after it shall 26 have become a law.
