AN ACT to amend the judiciary law, establishing guidelines for district attorneys with regard to electronic conversions of certain records, books or papers in the care, custody or control of the district attorney which are more than ten years old

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 89 of the judiciary law is amended by adding a new  
2 subdivision 3 to read as follows:

3 3. Notwithstanding any other provisions of law, the justices of the  
4 appellate division of the supreme court in each judicial department may  
5 on application of the district attorney of any county within its judi-  
6 cial department, direct, by order, that the district attorney may elec-  
7 tronically file, whether by electronic scan or microfiche, any records,  
8 books or papers in the care, custody or control of the district attorney  
9 which are more than ten years old, whether currently in use or not, the  
10 electronic filing of which in the opinion of the justices of the appel-  
11 late division would serve no legal, practical or useful purpose, except  
12 any records, books or papers related to a homicide case, as defined  
13 under section 125.00 of the penal law, whether currently in use or not,  
14 as well as any permanent records of criminal cases, printed and bound  
15 volumes of cases on appeal and original indictments. The justices of the  
16 appellate division as a condition of such disposition may require the  
17 written consent of any state or local department or agency having an  
18 interest in such records, books or papers.

19 § 2. This act shall take effect immediately.
