Introduced by M. of A. CAHILL -- Multi-Sponsored by -- M. of A. COOK, CYMBROWITZ, DiPIETRO, GLICK, JAFFEE, RIVERA, THIELE -- read once and referred to the Committee on Tourism, Parks, Arts and Sports Development

AN ACT to amend the parks, recreation and historic preservation law, in relation to creating the "Pennies for Parks" program providing funds for capital expenditures at state parks, historic sites and city parks; to amend the tax law, in relation to imposing a fee on single use plastic carryout bags; to amend the state finance law, in relation to establishing the pennies for parks fund; to amend the environmental conservation law, in relation to the prohibition of single use plastic bags; to repeal certain provisions of the environmental conservation law relating thereto; and providing for the repeal of certain provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings and intent. The legislature finds and
2 declares that state parks, historic sites and city parks enhance the
3 character and quality of life and enhance the economic vitality of local
4 communities and provide healthy and affordable recreational and educa-
5 tional opportunities to New York state residents and visitors. If
6 allowed to fall into disrepair, state parks, historic sites as well as
7 city parks may become inaccessible and uninviting to the public. Once
8 closed or sold, state parks and historic sites are difficult, if not
9 impossible, to recover or rehabilitate. Accordingly, state parks,
10 historic sites and city parks should be provided necessary capital fund-
11 ing in a manner which is cognizant of their aforementioned intrinsic
12 values.

13 The legislature also finds and declares that the single use plastic
14 carryout bags distributed by New York retailers have a negative impact

on the environment, littering our communities, parks and beaches; filling our landfills; harming wildlife; and using millions of trees and gallons of oil to produce. An additional economic incentive should be put in place to encourage the use of reusable bags and reduce the stream of single use plastic carryout bags.

It is hereby declared to be the public policy and in the public interest of this state to establish a comprehensive program to provide a dedicated funding stream for our state parks, historic sites and city parks. Such a dedicated funding stream should be devoted as supplemental to the existing budget of the office of parks, recreation and historic preservation. The funding stream should be created by imposing a five cent fee on each single use plastic carryout bag distributed by retailers in New York, to be collected and used to fund capital projects in state parks, historic sites and city parks. In order to meet the aforementioned goals and uphold the cultural fabric and integrity of the system of state parks, and historic sites and city parks, the "Pennies for Parks" program, a fee on single use plastic carryout bags and pennies for parks fund are established and codified in sections 13.32 of the parks, recreation and historic preservation law, 1105-D of the tax law and 92-ii of the state finance law.

§ 2. The parks, recreation and historic preservation law is amended by adding a new section 13.32 to read as follows:

§ 13.32 Pennies for parks. The commissioner is authorized to utilize the monies allocated to the state parks and historic sites capital account for the purpose of supplementing the existing budget of the office to provide additional funding for capital projects.

§ 3. The tax law is amended by adding a new section 1105-D to read as follows:

§ 1105-D. Fee on single use plastic carryout bags. (a) In addition to any other tax or fee imposed by this article or any other law, there is hereby imposed and there shall be paid a five cent fee on each single use plastic carryout bag provided to a customer by a person required to collect tax.

(b) For purposes of this section:

(1) "Single use plastic carryout bag" means a bag provided to a customer at the point of sale by a person required to collect tax and intended for a single use for carrying tangible personal property purchased.

(c) (1) Except as otherwise provided in this section, the fee imposed by this section will be similar to, and administered and collected in a

1 like manner as the taxes imposed by section eleven hundred five of this
2 article. All the provisions of this article, including the definition
3 and exemption provisions and the provisions relating or applicable to
4 the administration, collection and disposition of the taxes imposed by
5 that section will apply to the fee imposed by this section so far as
6 those provisions can be made applicable to the fee imposed by this
7 section, with such modifications as may be necessary in order to adapt
8 the language of those provisions to the fee imposed by this section.
9 Those provisions will apply with the same force and effect as if the
10 language of those provisions had been set forth in full in this section,
11 except to the extent that any of those provisions is either inconsistent
12 with a provision of this section or is not relevant to the fee imposed
13 by this section. For purposes of this section, any reference in this
14 chapter to a tax or the taxes imposed by section eleven hundred five of
15 this article will be deemed to also refer to the fee imposed by this
16 section unless a different meaning is clearly required.

17 (2) Notwithstanding the provisions of paragraph one of this subdivi-
18 sion, the exemptions provided for in section eleven hundred sixteen of
19 this article, other than exemptions in paragraphs one, two and three of
20 subdivision (a) of such section, shall not apply to the fee imposed by
21 this section.

22 (d) Every person required to collect the fee imposed by this section
23 shall collect the fee from the customer at the time the single use plas-
24 tic carryout bag is provided. If the customer is given any sales slip,
25 invoice, receipt or other statement or memorandum of the price or charge
26 of the purchase, it shall state the number of single use plastic carry-
27 out bags provided to the customer and the amount of the fee imposed by
28 this section shown separately from the price or charge, and separately
29 from any other fee or tax imposed by this article or any other law.
