AN ACT to amend the education law, the insurance law and the public health law, in relation to providing for dispensing emergency contraception under certain conditions

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Short title. This act shall be known and may be cited as
the "unintended pregnancy prevention act".

2. Legislative findings. The United States Food and Drug Adminis-3 S 4 tration (FDA) has declared emergency contraceptive drugs to be safe and 5 effective. There is neither medical nor public health research that 6 validates an age restriction on access to emergency contraception (EC). Furthermore, no specific medical conditions preclude a woman from using 7 8 EC. The only contraindication to EC use is pregnancy itself, not because 9 it represents a danger to the woman or to the embryo but because it 10 would be inefficient in preventing the pregnancy. Pregnancy prevention, 11 not abortion, is caused by the use of emergency contraceptive drugs.

The legislature deems it necessary to guarantee immediate access to EC to all, especially young women. Nearly thirty percent of United States teenage girls become pregnant before reaching twenty years of age. Teens are more likely than adults to experience contraceptive failure, which may lead to unintended pregnancies and consequently dangerous medical issues for both mother and baby.

18 The legislature deems it necessary to create a structure for simplify-19 ing access to EC for these women, while respecting and preserving the 20 prescribing scope of practice for physicians, nurse practitioners, and 21 midwives; the treating and case-finding scope of practice of registered

1 professional nurses; and the dispensing scope of practice of pharmacists. This act does not alter the scope of such professions, nor does 2 this legislation interfere with non-prescription access to EC where it 3 4 is otherwise lawful. 5 § 3. Subdivision 6 of section 6527 of the education law, as added by б chapter 573 of the laws of 1999, paragraph (c) as amended by chapter 464 7 of the laws of 2015, paragraph (d) as added by chapter 429 of the laws 8 of 2005, paragraph (e) as added by chapter 352 of the laws of 2014, 9 paragraph (f) as added by section 6 of part V of chapter 57 of the laws 10 of 2015 and paragraph (g) as added by chapter 502 of the laws of 2016, 11 is amended to read as follows: 6. A licensed physician may prescribe and order a non-patient specific 12 13 regimen [to a registered professional nurse], pursuant to regulations promulgated by the commissioner, and consistent with the public health 14 15 law, [for] <u>to</u>: 16 (a) <u>a registered professional nurse for:</u> 17 (i) administering immunizations[-]; 18 [(b)] (ii) the emergency treatment of anaphylaxis[-]; 19 20 other tests to detect or screen for tuberculosis infections $[-]_{:}$ 21 [(d)] (iv) administering tests to determine the presence of the human 22 immunodeficiency virus[+]; $\left[\frac{(\mathbf{v})}{(\mathbf{v})}\right]$ administering tests to determine the presence of the hepati-23 24 tis C virus[-]; 25 [(f)] (vi) the urgent or emergency treatment of opioid related over-26 dose or suspected opioid related overdose[+]; 27 [(g)] <u>(vii)</u> screening of persons at increased risk of syphilis, gonor-28 rhea and chlamydia[+]; 29 (viii) emergency contraception, to be administered to or dispensed to 30 be self-administered by the patient, under section sixty-eight hundred 31 thirty-two of this title; or 32 (b) A licensed pharmacist, for dispensing emergency contraception, to be self-administered by the patient, under section sixty-eight hundred 33 34 thirty-two of this title. § 4. Subdivision 3 of section 6807 of the education law, as added by 35 36 chapter 573 of the laws of 1999, is amended and a new subdivision 4 is 37 added to read as follows: 3. A pharmacist may dispense drugs and devices to a registered profes-38 39 sional nurse, and a registered professional nurse may possess and administer, drugs and devices, pursuant to a non-patient specific regimen 40 prescribed or ordered by a licensed physician, licensed midwife or 41 42 certified nurse practitioner, pursuant to regulations promulgated by the 43 commissioner and the public health law. 44 4. A licensed pharmacist may dispense a non-patient specific regimen 45 of emergency contraception, to be self-administered by the patient, 46 prescribed or ordered by a licensed physician, certified nurse practi-47 tioner, or licensed midwife, under section sixty-eight hundred thirty-48 two of this article. 49 § 5. The education law is amended by adding a new section 6832 to read 50 as follows: 51 § 6832. Emergency contraception; non-patient specific prescription or 52 order. 1. As used in this section, the following terms shall have the 53 following meanings, unless the context requires otherwise: 54 (a) "Emergency contraception" means one or more prescription or non-55 prescription drugs, used separately or in combination, in a dosage and 56 manner for preventing pregnancy when used after intercourse, found safe

1	and effective for that use by the United States food and drug adminis-
2	tration, and dispensed or administered for that purpose.
3	(b) "Prescriber" means a licensed physician, certified nurse practi-
4	tioner or licensed midwife.
5	2. This section applies to the administering or dispensing of emergen-
б	cy contraception by a registered professional nurse or licensed pharma-
7	cist pursuant to a prescription or order for a non-patient specific
8	regimen made by a prescriber under section sixty-five hundred twenty-
9	seven, sixty-nine hundred nine or sixty-nine hundred fifty-one of this
10	title. This section does not apply to administering or dispensing emer-
11	gency contraception when lawfully done without such a prescription or
12	order.
13	3. The administering or dispensing of emergency contraception by a
14	registered professional nurse or licensed pharmacist shall be done in
15	accordance with professional standards of practice and in accordance
16	with written procedures and protocols agreed to by the registered
17	professional nurse or licensed pharmacist and the prescriber or a hospi-
18	tal (licensed under article twenty-eight of the public health law) that
19	provides gynecological or family planning services.
20	4. (a) When emergency contraception is administered or dispensed, the
21	registered professional nurse or licensed pharmacist shall provide to
22	the patient written material that includes: (i) the clinical consider-
22	ations and recommendations for use of the drug; (ii) the appropriate
23 24	method for using the drug; (iii) information on the importance of
25	follow-up health care; (iv) information on the health risks and other
26	dangers of unprotected intercourse; and (v) referral information relat-
27	ing to health care and services relating to sexual abuse and domestic
28	violence.
