AN ACT to amend the mental hygiene law and chapter 568 of the laws of 2005, amending the mental hygiene law relating to enacting the geriatric mental health act, in relation to mental health care, substance use disorder and compulsive gambling services for the elderly under the geriatric service demonstration program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 7.41 of the mental hygiene law, as added by chapter  
2 568 of the laws of 2005, subdivision (a) as amended by chapter 305 of  
3 the laws of 2018, is amended to read as follows:  
4 § 7.41 Geriatric service demonstration program.  
5 (a) The office shall establish a geriatric service demonstration  
6 program to provide grants, within appropriations therefor, to providers  
7 of mental health care, substance use disorder services, compulsive  
8 gambling services, or any combination thereof, to the elderly, including  
9 organizations that provide health and aging services as well as mental  
10 health, substance use disorder, and compulsive gambling organizations.  
11 The office is also authorized, under the demonstration program, to  
12 foster and support collaboration between providers of home care services  
13 licensed or certified under article thirty-six of the public health law  
14 and mental health providers for the integration of health and mental  
15 health care, and for all other enumerated goals of this section. Such  
16 program shall be administered by the office in cooperation with the  
17 office of alcoholism and substance abuse services, the state office for  
18 the aging and such other state agencies as the commissioner shall deter-  
19 mine are necessary for the operation of the program.

(b) Grants may be awarded by the office to providers of care to older adults with mental disabilities, substance use disorder, compulsive gambling, or any combination thereof, for the purposes which may include one or more of the following:

(1) Community integration. Programs which enable older adults with mental disabilities or older adults suffering from substance use disorder or compulsive gambling to age safely in the community and prevent the unnecessary use of institutional care;

(2) Improved quality of treatment. Programs for older adults which improve the quality of mental health care, substance use disorder or compulsive gambling services in the community or in residential facilities;

(3) Integration of services. Programs which integrate mental health and aging services with alcohol, drug, health and other support services;

(4) Workforce. Programs which make more efficient use of mental health ~~[and]~~, substance use disorder, compulsive gambling, health and aging services professionals by developing alternative service roles for paraprofessionals and volunteers, including peers, and programs more effective in recruitment and retention of bi-lingual, bi-cultural or culturally competent staff;

(5) Family support. Programs which provide support for family caregivers, to include the provision of care to older adults by younger family members and by older adults to younger family members;

(6) Finance. Programs which have developed and implemented innovative financing methodologies to support the delivery of best practices;

(7) Specialized populations. Programs which concentrate on outreach to, engagement of and effective treatment of cultural minorities or veterans as defined in section eighty-five of the civil service law;

(8) Information clearinghouse. Programs which compile, distribute and make available information on clinical developments, program innovations and policy developments which improve the care to older adults with mental disabilities or suffering from substance use disorder or compulsive gambling; and

(9) Staff training. Programs which offer on-going training initiatives including improved clinical and cultural skills, evidence based geriatric mental health, substance use disorder and compulsive gambling treatment skills, and the identification and management of mental, behavioral and substance abuse disorders among older adults.

(c) The commissioner may adopt rules and regulations necessary to implement the provisions of this section.

§ 2. Section 3 of chapter 568 of the laws of 2005, amending the mental hygiene law relating to enacting the geriatric mental health act, as amended by chapter 203 of the laws of 2008, is amended to read as follows:

§ 3. Interagency geriatric mental health and chemical dependence planning council. (a) There shall be established an interagency geriatric mental health and ~~[chemical dependence]~~ substance use disorder planning council. Such council shall consist of nineteen members, as follows:

(1) the commissioner of mental health, the commissioner of alcoholism and substance abuse services, the director of the division of veterans' affairs and the director of the state office for the aging, who shall serve as the co-chairs of the council. The adjutant general shall serve as an ex-officio member of the council;

(2) one member appointed by the commissioner of ~~[mental-retardation and]~~ the office for people with developmental disabilities to represent

1 the office [~~of mental retardation and~~] for people with developmental  
2 disabilities;

3 (3) one member appointed by the chairman of the state commission on  
4 quality of care and advocacy for persons with disabilities to represent  
5 such commission;

6 (4) one member appointed by the commissioner of health to represent  
7 the department of health;

8 (5) one member appointed by the commissioner of education to represent  
9 the education department and the board of regents;
