3 2. An applicant shall file a master application for its principal  
4 office and supplemental applications for each branch office that will  
5 conduct the business of a debt settlement company in this state.

6 3. Upon original application for a license or licenses, the applicant  
7 shall pay an investigation fee in an aggregate amount as prescribed  
8 pursuant to section eighteen-a of this chapter. No additional investi-  
9 gation fee shall be required for any subsequent application for a  
10 license unless such application is subsequent to a denial of a license  
11 or to a revocation, suspension, surrender, or termination of a license;  
12 provided, however, that an application to establish a branch office of  
13 the licensee shall be accompanied by the fee prescribed in section eigh-  
14 teen-a of this chapter.

15 4. As a condition for the issuance and retention of a license, and  
16 subject to such regulations as the superintendent shall prescribe,  
17 applicants for a license shall file with the superintendent a surety  
18 bond in favor of the superintendent, issued by a bonding company or  
19 insurance company authorized to do business in this state, and in a form  
20 satisfactory to the superintendent.

21 (a) In lieu of the surety bond required by this subdivision, an appli-  
22 cant may pledge to the superintendent and maintain in a pledge account  
23 with such banks, savings banks, savings and loan associations, trust  
24 companies, national banks, federal savings banks, or federal savings and  
25 loan associations in the state as such licensee may designate and the  
26 superintendent may approve:

27 (i) interest-bearing bills, notes, bonds, debentures, or other obli-  
28 gations issued or guaranteed by the United States or any state or other  
29 local governmental entity or any instrumentality thereof, bearing a  
30 rating of one of the three highest grades by a nationally recognized  
31 statistical rating organization that has been engaged in rating state  
32 and municipal issues for a period of not less than five years;

33 (ii) dollar deposits; or

34 (iii) such other assets or letters of credit as the superintendent  
35 shall by rule or regulation permit.

36 (b) Except as provided hereunder, the principal amount of such surety  
37 bond or deposit shall be two hundred fifty thousand dollars. The super-  
38 intendent may:

39 (i) require a larger bond or deposit if he or she determines, in his  
40 or her sole discretion, that a licensee has engaged in a pattern of  
41 conduct resulting in bona fide debtor complaints of misconduct and that  
42 such increased bond or deposit is necessary for the protection of  
43 debtors; or

44 (ii) increase or decrease the amount of such bond or deposit based  
45 upon the applicant's or licensee's financial condition, business plan,  
46 business experience, or any other factor the superintendent considers  
47 appropriate.

48 (c) The proceeds of such surety bond or deposit shall constitute a  
49 trust fund to be used exclusively:

50 (i) to reimburse fees that have been improperly charged to or  
51 collected from debtors with respect to the business of a debt settlement  
52 company in this state, as such business is described in section five  
53 hundred eighty-eight-b of this article;

54 (ii) to reimburse amounts that have not been properly distributed to  
55 creditors or properly returned to debtors with respect to the business

1 of a debt settlement company in this state, as such business is  
2 described in section five hundred eighty-eight-b of this article; and  
3 (iii) to pay outstanding banking department examination costs and  
4 assessments.

5 § 588-d. Conditions for issuance of a license; procedure where appli-  
6 cation denied. Upon the filing of an application for a license, if the  
7 superintendent shall find that the financial responsibility, experience,  
8 character, and general fitness of the applicant, and of the control  
9 persons, officers, and directors thereof are such as to command the  
10 confidence of the community and to warrant belief that the business will  
11 be operated honestly, fairly, and efficiently within the purposes of  
12 this article, he or she shall thereupon issue a license in duplicate to  
13 engage in debt settlement services in accordance with the provisions of  
14 this article. The superintendent shall transmit one copy of such  
15 license to the applicant and file the other in the office of the depart-  
16 ment. Such license shall remain in full force and effect until it is  
17 surrendered by the licensee or revoked, suspended, or terminated as  
18 hereinafter provided. If the superintendent shall not so find, he or  
19 she shall not issue such license and he or she shall notify the appli-  
20 cant of the denial.

21 § 588-e. License provisions. Each license issued under this article  
22 shall state the principal office address and, if applicable, the address  
23 of the branch office for which it was issued. Such license shall state  
24 fully the name of the licensee and, if applicable, the date and place of  
25 its incorporation or organization. A copy of such license shall be prom-  
26 inently posted in the principal office and, if applicable, such branch  
27 office. Such license shall not be transferable or assignable. In the  
28 event the location at which the business is to be conducted shall be  
29 changed, the licensee shall forthwith notify the superintendent who  
30 shall thereupon without charge attach to the license a rider setting  
31 forth such changed location.

32 § 588-f. Changes in officers or directors of licensee. In the event  
33 that there shall be any change among the officers or directors of any  
34 licensee, the licensee shall promptly notify the superintendent of the  
35 name, address, and occupation of each new officer or director and  
36 provide such other information as the superintendent may require.

37 § 588-g. Changes in control. 1. It shall be unlawful except with the  
38 prior approval of the superintendent for any action to be taken which  
39 results in a change of control of the business of a licensee. Prior to  
40 any change of control, the person desirous of acquiring control of the  
41 business of a licensee shall make written application to the superinten-  
42 dent and pay an investigation fee as prescribed pursuant to section  
43 eighteen-a of this chapter to the superintendent. The application shall  
44 contain such information as the superintendent may prescribe as neces-  
45 sary or appropriate for the purpose of making the determination required  
46 by subdivision two of this section.

47 2. The superintendent shall approve or disapprove the proposed change  
48 of control of a licensee in accordance with the provisions of section  
49 five hundred eighty-eight-d of this article.

50 3. As used in this section, the term "control" means the possession,  
51 directly or indirectly, of the power to direct or cause the direction of  
52 the management and policies of a licensee, whether through the ownership  
53 of voting stock of such licensee, the ownership of voting stock of any  
54 person which possesses such power or otherwise. Control shall be  
55 presumed to exist if any person, directly or indirectly, owns, controls  
56 or holds with power to vote ten percent or more of the voting stock of

1 any licensee or of any person which owns, controls or holds with power  
2 to vote ten percent or more of the voting stock of any licensee, but no  
3 person shall be deemed to control a licensee solely by reason of being  
4 an officer or director of such licensee or person. The superintendent  
5 may in his or her discretion, upon the application of a licensee or any  
6 person who, directly or indirectly, owns, controls or holds with power  
7 to vote or seeks to own, control or hold with power to vote any voting  
8 stock of such licensee, determine whether or not the ownership, control  
9 or holding of such voting stock constitutes or would constitute control  
10 of such licensee for purposes of this section.

11 § 588-h. Grounds for suspension, revocation, or termination of  
12 license; procedure. 1. In addition to the authority set forth in subdi-  
13 vision two of this section, the superintendent may suspend or revoke any  
14 license issued under this article if, after notice and a hearing, he or  
15 she shall find that:

16 (a) the licensee has violated any provisions of this article, or of  
17 any rule or regulation made by the superintendent under and within the  
18 authority of this article;

19 (b) any fact or condition exists which, if it had existed at the time  
20 of the original application for such license, would have warranted the  
21 superintendent in refusing originally to issue such license; or

22 (c) the licensee or an officer, director, or control person of the  
23 licensee has been convicted of a crime against the laws of this state or  
24 any other state or of the United States involving moral turpitude or  
25 fraudulent or dishonest actions, or a final judgment in a court of  
26 competent jurisdiction has been entered against the licensee or an offi-  
27 cer, director, or control person of the licensee in a civil action aris-  
28 ing from fraud, misrepresentation, or deceit.

29 2. (a) The superintendent may, for good cause, without notice or a  
30 hearing, issue an order suspending any license issued pursuant to this  
31 article for a period not exceeding ninety days, pending investigation.  
32 "Good cause", as used in this subdivision, shall exist only when the  
33 licensee has defaulted or is likely to default in performing its finan-  
34 cial engagements or engages or has engaged in dishonest or inequitable  
35 practices which may cause substantial harm to the persons afforded the  
36 protection of this article.

37 (b) The superintendent may, in his or her sole discretion, without  
38 notice or a hearing, issue an order suspending any license issued pursu-  
39 ant to the authority of this article upon the failure of such licensee  
40 to make any payments as required by this chapter.

41 (c) The superintendent may, in his or her sole discretion, without  
42 notice or a hearing, issue an order suspending any license issued pursu-  
43 ant to the authority of this article:

44 (i) thirty days after the date the licensee fails to file any report  
45 required under this article to be filed by it with the superintendent;

46 (ii) immediately upon the licensee filing a petition in bankruptcy;

47 (iii) at least thirty days after the licensee has had filed against it  
48 a petition in bankruptcy; or

49 (iv) immediately upon the receipt by the superintendent of notice that  
50 the surety bond required pursuant to section five hundred eighty-eight-c  
51 of this article is no longer in effect or that the value of assets in  
52 the pledge account is less than the required amount.

53 3. If the superintendent has issued an order suspending a license  
54 issued pursuant to the authority of this article pursuant to paragraph  
55 (a) of subdivision two of this section, such license may be reinstated  
56 if the superintendent determines, in his or her sole discretion after

1 investigation, that good cause therefor did not exist or no longer  
2 exists. If the superintendent has issued an order suspending a license  
3 issued pursuant to paragraph (b) or (c) of subdivision two of this  
4 section, such license may be reinstated, if the superintendent deter-  
5 mines, in his or her sole discretion, that the licensee has cured all  
6 deficiencies set forth in such order by the close of business ninety  
7 days after the date of such suspension order, including, without limita-  
8 tion, making any overdue payment, having any such bankruptcy petition  
9 dismissed, or having such bond reinstated or depositing all required  
10 additional assets. Otherwise, in the case of a suspension pursuant to  
11 paragraph (b) or (c) of subdivision two of this section, unless the  
12 superintendent has, in his or her sole discretion, extended such suspen-  
13 sion, all licenses of such licensee shall be deemed to be automatically  
14 terminated by operation of law at the close of business on such ninety-  
15 eth day.

16 4. Except as provided for in subdivision two of this section, no  
17 license shall be revoked or suspended except after notice and a hearing  
18 thereon.

19 5. With the prior consent of the superintendent, any licensee may  
20 surrender any license by delivering to the superintendent written notice  
21 that it thereby surrenders such license, but such surrender shall not  
22 affect such licensee's civil or criminal liability for acts committed  
23 prior to such surrender or its obligations to the superintendent for  
24 assessments, fees, or administrative actions with respect to the periods  
25 before such surrender.

26 6. No revocation, suspension, termination, or surrender of any license  
27 shall impair or affect the obligation of any pre-existing lawful  
28 contract between the licensee and any person.

29 7. Every license issued hereunder shall remain in force and effect  
30 until the same shall have been surrendered, revoked, suspended, or  
31 terminated in accordance with the provisions of this article, but the  
32 superintendent shall have authority to reinstate a suspended license or  
33 to issue a new license to a licensee whose license shall have been  
34 revoked if no fact or condition then exists which would have warranted  
35 the superintendent in refusing originally to issue such license under  
36 this article.

37 8. Whenever the superintendent shall revoke or suspend a license  
38 issued pursuant to this article, he or she shall forthwith execute in  
39 duplicate a written order to that effect. The superintendent shall file  
40 one copy of such order in the office of the department and shall forth-  
41 with serve the other copy upon the licensee. Any such order may be  
42 reviewed in the manner provided by article seventy-eight of the civil  
43 practice law and rules. Such application for review as authorized by  
44 this section must be made within thirty days from the date of such order  
45 of suspension or revocation.

46 9. Whenever a license shall have terminated in accordance with this  
47 article, the superintendent shall notify the licensee that the license  
48 has terminated and that the licensee may not engage in the business of a  
49 debt settlement company in this state.

50 § 588-i. Advertising and marketing practices. 1. A debt settlement  
51 company shall not, expressly or by implication, make any unfair or  
52 deceptive representations, or any omissions of material facts, in any of  
53 its advertising or marketing communications concerning debt settlement  
54 services.

55 2. All advertising and marketing communications concerning debt  
56 settlement services shall disclose the following information clearly and

1 conspicuously: "Debt settlement services are not appropriate for every-  
2 one. Failure to pay your monthly bills in a timely manner will result in  
3 increased balances and will harm your credit rating. Not all creditors  
4 will agree to reduce the amount you owe, and they may pursue collection,  
5 including lawsuits."

6 3. All advertising and marketing communications of a licensed debt  
7 settlement company concerning debt settlement services shall indicate  
8 that the debt settlement company is licensed by the department and shall  
9 contain the name and office address of such debt settlement company,  
10 which shall conform to a name and address on record with the department.

11 § 588-j. Individualized financial analysis; statement. 1. Prior to  
12 entering into a debt settlement services agreement, a debt settlement  
13 company shall prepare and provide to the debtor in writing and retain a  
14 copy of:

15 (a) an individualized financial analysis, including a listing of the  
16 debtor's income, expenses, and debts; and

17 (b) a statement containing:

18 (i) a description of the services to be provided under the proposed  
19 debt settlement services agreement;

20 (ii) a good faith estimate of the time it will take to complete all  
21 steps necessary for a settlement of each debt included under the  
22 proposed debt settlement services agreement;

23 (iii) the total amount of debt owed to each creditor included under  
24 the proposed debt settlement services agreement;

25 (iv) the total amount of money estimated to be necessary to complete  
26 all steps necessary for a settlement of each debt included under the  
27 proposed debt settlement services agreement; and

28 (v) the monthly targeted amount of money necessary to complete all  
29 steps necessary for a settlement of each debt included under the  
30 proposed debt settlement services agreement.

31 2. A debt settlement company shall not enter into a debt settlement  
32 services agreement unless it makes written determinations, supported by  
33 the financial analysis, that:

34 (a) the debtor can reasonably meet the requirements of such proposed  
35 debt settlement services agreement, including the fees and the savings  
36 goals; and

37 (b) such proposed debt settlement services agreement will be suitable  
38 for the debtor at the time it is to be signed.

39 § 588-k. Required pre-agreement disclosures and warnings. 1. Before  
40 the debtor signs a debt settlement services agreement, the debt settle-  
41 ment company shall provide an oral and written notice to the debtor that  
42 clearly and conspicuously discloses all of the following:

43 (a) debt settlement services may not be suitable for all debtors;

44 (b) using debt settlement services likely will harm the debtor's cred-  
45 it history, credit rating, and credit score;

46 (c) using debt settlement services does not stop creditor collection  
47 activity, including creditor lawsuits and garnishments;

48 (d) not all creditors will accept a reduction in the balance, interest  
49 rate, or fees a debtor owes;

50 (e) the debtor should inquire about other means of dealing with debt,  
51 including but not limited to budget planning and bankruptcy;

52 (f) the debtor remains obligated to make periodic or scheduled  
53 payments to creditors while participating in a debt settlement program;

54 (g) the failure to make periodic or scheduled payments to a creditor  
55 is likely to:

(i) harm the debtor's credit history, credit rating, and/or credit score;

(ii) lead the creditor to increase lawful collection activity, including litigation, garnishment of the debtor's wages, and judgment liens on the debtor's property; and

(iii) lead to the imposition by the creditor of interest charges, late fees, and other penalty fees, increasing the amount owed by the debtor; and

(h) the debtor may be required to pay taxes on any amount of debt that is forgiven.

2. The written notice required by subdivision one of this section shall be entitled "Debtor Notice and Rights Form".

3. Prior to signing a debt settlement services agreement, the debtor shall sign and date an acknowledgment form at the end of the Debtor Notice and Rights Form. The acknowledgment form shall state: "I, the debtor, have received from the debt settlement company a copy of the form entitled Debtor Notice and Rights Form." The debt settlement company or its representative shall also sign and date the acknowledgment form, which shall include the name and address of the debt settlement company. The acknowledgment form shall be in duplicate and incorporated into the Debtor Notice and Rights Form. The original acknowledgment form shall be retained by the debt settlement company, and the duplicate copy shall be given to the debtor.

4. The requirements of this section are satisfied if the debt settlement company gives the debtor the following warning verbatim, both orally and in writing, with the caption "DEBTOR NOTICE AND RIGHTS FORM" in at least twenty-eight-point font and the remaining portion in at least fourteen-point font, before the debtor signs a debt settlement services agreement:

"DEBTOR NOTICE AND RIGHTS FORM

CAUTION

Using debt settlement services will LIKELY HARM your credit history, credit rating, and credit score.

We CANNOT GUARANTEE that you will successfully reduce or eliminate your debt.

YOU REMAIN OBLIGATED TO MAKE PAYMENTS TO YOUR CREDITORS. If you stop paying your creditors, there is a strong likelihood some or all of the following may happen:

- CREDITORS MAY STILL SUE YOU FOR THE MONEY YOU OWE.
- YOUR WAGES OR BANK ACCOUNT MAY STILL BE GARNISHED.
- LIENS MAY STILL BE PLACED ON YOUR PROPERTY.
- YOUR CREDIT HISTORY, CREDIT RATING, AND/OR CREDIT SCORE LIKELY WILL BE HARMED.

3 you cancel within ninety days of signing the debt settlement services  
4 agreement you also have the right to receive a full refund of any  
5 enrollment fees you have paid.

6 ACKNOWLEDGMENT BY DEBTOR

7 I, the debtor, have received from the debt settlement company a copy  
8 of the form entitled Debtor Notice and Rights Form."

9 § 588-1. Debt settlement services agreements. 1. A debt settlement  
10 company shall not provide debt settlement services to a debtor without a  
11 written debt settlement services agreement signed and dated by both the  
12 debtor and the debt settlement company.

13 2. Any debt settlement services agreement entered into in violation of  
14 the provisions of this section is void.

15 3. Each debt settlement company shall submit to the banking department

21 (c) the legal name of the debt settlement company, including any other

24 shall conform to an address on record with the department;

25 (e) the license number of the principal office and, if applicable, of  
26 the branch office under which the debt settlement company is licensed in  
27 this state;

28 (f) a toll-free telephone number at which the debtor may speak with a

38 (i) an itemized list of all fees, including any enrollment fee and

42 (j) a good faith estimate of the total amount of all fees to be  
43 collected by the debt settlement company from the debtor for the  
44 provision of debt settlement services under the debt settlement services

47 (i) the amount to be saved per month;

48 (ii) the time period over which the savings goals extend;

49 (iii) the amount of money the debtor must save before a settlement  
50 offer will be made to each of the debtor's creditors; and

5 the debtor shall be considered revoked and voided; and

6 (B) the debtor may be entitled to a refund. The terms of such refund  
7 shall also be stated and shall be consistent with the requirements of  
8 section five hundred eighty-eight-o of this article.

9 (n) a form the debtor may use to cancel the debt settlement services

16 (o) a clear and conspicuous notice to the debtor that the debtor may  
17 contact the department with any questions or complaints regarding the  
18 debt settlement company along with the address, telephone number and

20 5. (a) A debt settlement services agreement may confer on a debt  
21 settlement company a power of attorney to settle the debtor's debt for  
22 no more than fifty percent of the principal amount of the debt. An  
23 agreement may not confer a power of attorney to settle a debt for more  
24 than fifty percent of that amount, but may confer a power of attorney to  
25 negotiate with creditors of the debtor on behalf of the debtor. A debt  
26 settlement services agreement must provide that the debt settlement  
27 company will obtain the assent of the debtor after a creditor has  
28 assented to a settlement for more than fifty percent of the principal  
29 amount of the debt.

30 (b) A debt settlement services agreement may not provide for applica-

32 this state.

33 6. If a debt settlement company communicates with a debtor primarily  
34 in a language other than English, then the debt settlement company shall  
35 furnish to the debtor a written translation in that other language of  
36 all the disclosures and documents required by this article.

37 § 588-m. Fees. 1. The types of fees that a debt settlement company may  
38 charge a debtor are the following:

39 (a) enrollment fees; and

40 (b) settlement fees.

41 2. All fee types not included under subdivision one of this section  
42 are prohibited, including maintenance fees.

43 3. The amount of an enrollment fee charged by a debt settlement compa-  
44 ny shall not exceed fifty dollars or such other amount as set by the  
45 superintendent.

46 4. The amount of the settlement fee charged by a debt settlement  
47 company with respect to each debt covered by a debt settlement services  
48 agreement shall not exceed the lesser of:

49 (a) the amount that is reasonable and commensurate to the debt settle-  
50 ment services provided to the debtor; and

51 (b) the amount that is twenty percent of the difference between:

52 (i) the principal amount of the debt; and

53 (ii) the amount:

54 (A) paid by the debt settlement company to the creditor pursuant to  
55 the settlement negotiated by the debt settlement company on behalf of

1 the debtor as full and complete satisfaction of the creditor's claim  
2 with regard to that debt; or

3 (B) negotiated by the debt settlement company and paid by the debtor  
4 to the creditor pursuant to a settlement negotiated by the debt settle-  
5 ment company on behalf of the debtor as full and complete satisfaction  
6 of the creditor's claim with regard to that debt.

7 5. A debt settlement company shall not collect any settlement fee from  
8 a debtor until:

9 (a) the creditor enters into a legally enforceable agreement with the  
10 debtor to accept funds in a specific dollar amount as full and complete  
11 satisfaction of the creditor's claim with regard to that debt; and

12 (b) those funds are provided to the creditor:

13 (i) by the debt settlement company on behalf of the debtor; or

14 (ii) directly by the debtor pursuant to a settlement negotiated by the  
15 debt settlement company.

16 6. It shall be unlawful to split or divide the provision of debt  
17 settlement services to a debtor into separate debt settlement services  
18 agreements for the purpose of collecting additional fees from such  
19 debtor.

20 § 588-n. Debtor settlement accounts; monthly accounting. 1. A debt  
21 settlement company that receives funds from a debtor shall hold all  
22 funds received for a debtor settlement account in a properly designated  
23 bank account in a federally insured depository institution.

24 (a) Such funds shall:

25 (i) constitute trust funds owned by the debtor from whom they were  
26 received;

27 (ii) remain the property of such debtor until the debt settlement  
28 company disburses the funds to a creditor on behalf of such debtor;

29 (iii) be kept separate and apart at all times from funds belonging to

52 its operation to the word, phrase, clause, sentence, paragraph, subdivi-  
53 sion, section, or part of this article directly involved in the contro-  
54 versy in which the judgment shall have been rendered.

55 § 11. This act shall take effect on the one hundred eightieth day
