1 Section 1. This act shall be known and may be cited as the "Anthony  
2 Amoros law".

3 § 2. The general business law is amended by adding a new section 349-  
4 e-1 to read as follows:

5 § 349-e-1. Missing airbags. 1. As used in this section:

6 (a) "Airbag" means any component of an inflatable restraint system, as  
7 such term is defined in section one hundred nineteen-b of the vehicle  
8 and traffic law, and that is designed for the specific make, model, and  
9 year of the motor vehicle to be installed and to operate in the event of  
10 a crash. Airbag components include but are not limited to the cover,  
11 sensors, controllers, inflator, wiring, and the airbag itself.

12 (b) "Motor vehicle" means any used passenger car manufactured on or  
13 after September first, nineteen hundred ninety-seven.

14 (c) "Dealer" means a dealer as defined in section four hundred fifteen  
15 of the vehicle and traffic law.

16 2. No dealer shall knowingly sell a motor vehicle at retail without an  
17 airbag unless written notice of such fact is provided to the buyer or  
18 recipient. The written notice shall include a statement that acknowl-  
19 edges the absence of an airbag in the motor vehicle and which airbag is  
20 missing.

21 3. A dealer who violates the provisions of this section shall be guil-

1 4. Nothing in this section shall in any way limit rights or remedies  
2 which are otherwise available under law to the attorney general or any  
3 other person authorized to bring an action under this section.

4 § 3. Subparagraph (b) of paragraph 1 of subdivision (c) of section 301  
5 of the vehicle and traffic law, as added by chapter 161 of the laws of  
6 1996, is amended to read as follows:

7 (b) In the case of any passenger car manufactured on or after Septem-  
8 ber first, nineteen hundred ninety-seven, during the course of the vehi-  
9 cle safety inspection, the readiness of the inflatable restraint system,  
10 by means of the readiness indicator, shall be noted on the invoice  
11 supplied to the consumer. The invoice shall state that lack of read-  
12 iness of the inflatable restraint system may indicate that the vehicle's  
13 system is non-functional or missing. The consumer must place their  
14 initials next to the statement demonstrating that they have read and  
15 understood the statement. The system's lack of readiness shall not be  
16 considered grounds for the vehicle to fail the safety inspection  
17 provided for in subparagraph (a) of this paragraph.

18 § 4. This act shall take effect on the ninetieth day after it shall  
19 have become a law.
