15 in full into this section. By filing such return and paying such tax, a
16 consumer shall not be relieved of any criminal or civil penalties that
17 may be applicable under this article or article thirty-seven of this
18 chapter.

19 § 4. Section 471-e of the tax law is REPEALED and a new section 471-e

24 under this article.

25 (b) Cigarettes exempt from tax under 26 U.S.C. § 5701 and that are
26 distributed in accordance with federal regulations shall not be subject
27 to tax under this article.

28 2. Tax rate on sales to non-tribal members on Indian country. The tax
29 rate applicable to cigarettes sold to or received by non-tribal members
30 on Indian lands shall be equal to the state tax rate provided in section
31 four hundred seventy-one of this article minus any tribal tax rate, if
32 the resulting rate is a positive number and such rate shall be zero if
33 the resulting rate would be a negative number. Cigarettes taxed pursuant
34 to this subdivision shall bear a tax stamp as required by section four
35 hundred seventy-two of this article in an amount equal to the tax
36 imposed by section four hundred seventy-one of this article; provided,
37 that the commissioner shall periodically rebate to any Indian tribal
38 entity that is in compliance with this article an amount equal to the
39 tribal tax imposed on sales under this subdivision or the face value of
40 the tax stamps affixed to cigarettes under this subdivision, whichever
41 amount is less.

42 § 5. Subdivision 1 of section 472 of the tax law, as amended by chap-
43 ter 629 of the laws of 1996 and as further amended by section 104 of
44 part A of chapter 62 of the laws of 2011, is amended, subdivisions 2 and
45 3 are renumbered subdivisions 3 and 4 and a new subdivision 2 is added
46 to read as follows:

47 1. The commissioner shall prescribe, prepare and furnish stamps of
48 such denominations and quantities as may be necessary for the payment of
49 the tax on cigarettes imposed by this article, or for indication that
50 the cigarettes are tax-exempt under section four hundred seventy-one-e
51 of this article, and may from time to time and as often as he or she
52 deems advisable provide for the issuance and exclusive use of stamps of
53 a new design and forbid the use of stamps of any other design, in the
54 manner and with the effect provided in section two hundred seventy-four
55 of this chapter. The commissioner shall make provisions for the sale of
56 such stamps at such places and at such times as he or she may deem

1 necessary and may license agents for such purpose. The commissioner may
2 license wholesale dealers in cigarettes, who maintain separate warehous-
3 ing facilities for the purpose of receiving and distributing cigarettes
4 and conducting their business, and who have received commitments from at
5 least two cigarette manufacturers whose aggregate market share is at
6 least forty percent of the New York state cigarette market, [~~and import-~~
7 ~~ers, exporters and manufacturers of cigarettes, and other persons within~~
8 ~~or without the state as~~] or are themselves also licensed as manufactur-
9 ers, importers or agents to buy [~~or~~] and affix stamps to be used in
10 paying the tax [~~herein~~] imposed by this article. No person other than a
11 licensed agent may purchase or affix stamps and agents shall not sell or
12 provide such stamps to any other agent or person, but an agent shall at
13 all times have the right to appoint the person in his or her employ who
14 is to affix the stamps to any cigarettes under the agent's control. The
15 fee for filing such application for an agent's license shall be one
16 thousand five hundred dollars, unless such fee has been paid during the
17 preceding twelve months, in which case, the fee for a new license shall
18 be one thousand dollars. All of the provisions of section four hundred
19 eighty of this article relating to wholesale dealers' licenses, includ-
20 ing the procedure for suspension, revocation, refusal to license and for
21 hearings, except for paragraphs (c) and [~~(g)~~] (f) of subdivision one of
22 such section, shall be applicable to agents' licenses applied for or
23 granted pursuant to this section, as if such provisions had been set
24 forth in full in this subdivision and had expressly referred to the
25 applicant for, or the holder of, an agent's license. Whenever the
26 commissioner shall sell and deliver to any such agent any such stamps,
27 such agent shall be entitled to receive as compensation for his or her
28 services and expenses as such agent in [~~selling or~~] affixing such
29 stamps, and to retain out of the moneys to be paid by him or her for
30 such stamps, a commission on the par value thereof. The commissioner is
31 hereby authorized to prescribe a schedule of commissions, not exceeding
32 five per centum, allowable to such agent for buying and affixing such
33 stamps. Such schedule shall be uniform with respect to the different
34 types of stamps used, and may be on a graduated scale with respect to
35 the number of stamps purchased. The commissioner may, in his or her
36 discretion, permit an agent to pay for such stamps within thirty days
37 after the date of purchase and may require any such agent to file with
38 the department [~~of taxation and finance~~] a bond issued by a surety
39 company approved by the superintendent of financial services as to
40 solvency and responsibility and authorized to transact business in the
41 state or other security acceptable to the commissioner, in such amount
42 as the commissioner may fix, to secure the payment of any sums due from
43 such agent pursuant to this article. If securities are deposited as
44 security under this subdivision, such securities shall be kept in the
45 custody of the commissioner and may be sold by the commissioner if it
46 becomes necessary so to do in order to recover any sums due from such
47 agent pursuant to this article, but no such sale shall be had until
48 after such agent shall have had opportunity to litigate the validity of
49 any tax if it elects so to do. Upon any such sale, the surplus, if any,
50 above the sums due under this article shall be returned to such agent.

51 2. Stamps shall be applied by a licensed agent to each package of
52 cigarettes sold or distributed within this state as follows: (a) A tax
53 stamp shall be applied to all cigarette packages containing cigarettes
54 subject to state tax under this article, including to cigarettes subject
55 to reduced state tax under subdivision two of section four hundred
56 seventy-one-e of this article.

(b) Except as provided in paragraph (c) of this subdivision, a tax-exempt stamp shall be applied to all cigarette packages intended for sale or distribution to consumers not subject to state tax under paragraph (a) of subdivision one of section four hundred seventy-one-e of this article.

(c) No stamp shall be applied to any cigarette package exempt from tax under paragraph (b) of subdivision one of section four hundred seventy-one-e of this article.

§ 6. Section 473 of the tax law, as amended by chapter 489 of the laws of 1940, is amended to read as follows:

§ 473. Affixation and cancellation of stamps; presumption. Each agent ~~[shall affix]~~ within ~~[the time hereinafter prescribed]~~ twenty-one calendar days of receipt of any cigarettes, shall affix to each package of such cigarettes, stamps evidencing the payment of the tax imposed by this article or stamps evidencing the exemption from payment of the tax imposed by this article and shall cancel such stamps, with a number unique to such agent that is legible at the point of sale, before such cigarettes are offered for sale or before they are otherwise disposed of, unless stamps have been affixed to such packages of cigarettes and cancelled before such agent received them. Each dealer, other than an agent, shall immediately upon the receipt of any cigarettes at his or her place of business mark in ink on each unopened box, carton or other container of such cigarettes the word "received" and the year, month, day and hour of such receipt, and shall affix his or her signature thereto, or in any other manner prescribed.

Each retail dealer shall open such box, carton or other container within twenty-four hours after such receipt and prior to exposing for sale or selling such cigarettes and examine the packages contained therein for the purpose of ascertaining whether or not the said packages have affixed thereto the proper tax stamp; if unstamped or improperly stamped packages of cigarettes are discovered, the retail dealer shall immediately notify the wholesale dealer from whom said cigarettes were purchased. Upon such notification, the wholesale dealer from whom said cigarettes were purchased will replace such unstamped or improperly stamped packages of cigarettes with those upon which stamps have been properly affixed.

Whenever any cigarettes are found in the place of business of such dealer, other than an agent, without the stamps affixed and cancelled, or not marked as having been received within the preceding twenty-four hours, the presumption shall be that such cigarettes are kept therein in violation of the provisions of this article. Stamps shall be affixed to each package of cigarettes of an aggregate denomination not less than the amount of the tax upon the contents therein, and shall be affixed in such manner as to be visible to the purchaser.

§ 7. The tax law is amended by adding a new section 473-c to read as follows:

§ 473-c. Duties of manufacturers, importers, agents, and dealers. 1. Agents may apply stamps only to cigarette packages that they have received directly from a licensed manufacturer or importer of cigarettes.

2. Agents shall be permitted to set aside, without application of stamps, only such part of the agent's stock that is identified for sale or distribution outside of this state; provided, that any such unstamped cigarettes shall be stored separately from stamped cigarette packages. No agent shall transfer unstamped cigarette packages to another facility of the agent within this state or to another person within this state.

3. A manufacturer or importer may sell or distribute cigarettes to a person located or doing business within this state (including on any tribal lands located within this state) only if such person is a licensed importer or agent. An importer may obtain cigarettes only from a licensed manufacturer. An agent may obtain cigarettes only from a licensed manufacturer, importer or agent. An agent may sell or distribute cigarettes to a person located or doing business within this state (including on any tribal lands located within this state) only if such person is a licensed agent, wholesale dealer or retail dealer. A retail dealer may obtain cigarettes only from a licensed agent or wholesale dealer.

4. Any person who is doing business both as an agent and a wholesale dealer or a retail dealer, shall maintain separate areas for stamped and unstamped product.

5. (a) A retail dealer shall report to the commission each sale or distribution of more than one thousand cigarettes to any consumer in any single transaction. Such report shall include:

(i) the name, address, destination (including street address), vehicle license number, driver's license number, signature of the person receiving such cigarettes, and the name of the purchaser;

(ii) a declaration of the specific purpose of the receipt (personal use, resale, or delivery to another); and

(iii) a declaration of the name and address of the recipient's principal in all cases when the recipient is acting as an agent.

(b) A retail dealer shall not knowingly sell more than one thousand cigarettes to any person in any series of transactions in any two-day period without filing a report as required by paragraph (a) of this subdivision.

§ 8. Subdivisions 1 and 4 of section 474 of the tax law, as amended by chapter 61 of the laws of 1989, are amended to read as follows:

1. (a) Every person who shall possess or transport any unstamped cigarettes upon the public highways, roads or streets of the state, shall be required to have in his or her actual possession invoices or delivery tickets for such cigarettes. Such invoices or delivery tickets shall show the name and address of the consignor or seller, the name and address of the consignee or purchaser, the quantity [~~and—brands~~] by brand style of the cigarettes transported, and the name and address of the person who has or shall assume the payment of the tax. The absence of such invoices or delivery tickets shall be prima facie evidence that such person is a dealer in cigarettes in this state and subject to the provisions of this article.

(b) Any person who ships unstamped cigarette packages into this state other than to a licensed manufacturer, importer or agent shall first file with the commissioner notice of such shipment. This paragraph shall not apply to any common or contract carrier that is transporting cigarettes through this state to another location under a proper bill of lading or freight bill, which states the quantity by brand style, source, and destination of such cigarettes.

4. At the time of delivering cigarettes to any person each manufacturer, importer, agent or wholesale dealer, and at the time of delivering tobacco products to any person each distributor or wholesale dealer of tobacco products, shall make a true duplicate invoice showing the date of delivery, the number of packages by brand style and number of cigarettes contained therein, in each shipment of cigarettes delivered, and the items and quantity and wholesale price of each item in each shipment of tobacco products delivered, and the name of the purchaser to whom

1 delivery is made, and shall retain the same for a period of [~~three~~] five
2 years subject to the use and inspection of the commissioner [~~of taxation~~
3 ~~and finance~~]. Each dealer shall procure and retain invoices showing the
4 number of packages by brand style and number of cigarettes contained
5 therein, in each shipment of cigarettes received by him or her, and the
6 items and quantity and wholesale price of each item in each shipment of
7 tobacco products received by him or her, the date thereof, and the name
8 of the shipper, and shall retain the same for a period of [~~three~~] five
9 years subject to the use and inspection of the commissioner [~~of taxation~~
10 ~~and finance~~]. The commissioner [~~of taxation and finance~~] by regulation
11 may provide that whenever cigarettes or tobacco products are shipped
12 into the state, the railroad company, express company, trucking company
13 or other public carrier transporting any shipment thereof shall file
14 with the commissioner [~~of taxation and finance~~] a copy of the freight
15 bill within ten days after the delivery in the state of each shipment.
16 All dealers shall maintain and keep for a period of [~~three~~] five years
17 such other records of cigarettes or tobacco products received, sold or
18 delivered within the state as may be required by the commissioner [~~of~~
19 ~~taxation and finance~~]. The commissioner [~~of taxation and finance~~] is
20 hereby authorized to examine the books, papers, invoices and other
21 records of any person who holds a license or registration under this
22 article or who is in possession, control or occupancy of any premises
23 where cigarettes or tobacco products are placed, stored, sold or offered
24 for sale, and the equipment of any such person pertaining to the stamp-
25 ing of cigarettes or the sale and delivery of cigarettes or tobacco
26 products taxable under this article, as well as the stock of cigarettes
27 or tobacco products in any such premises or vehicle. To verify the accu-
28 racy of the tax imposed and assessed by this article, each such person
29 is hereby directed and required to give to the commissioner [~~of taxation~~
30 ~~and finance~~] or his or her duly authorized representatives, the means,
31 facilities and opportunity for such examinations as are [~~herein~~]
32 provided for in this section and required. All invoices required to be
33 retained by this section shall show the name and address of the seller
34 and the quantity by brand style of the cigarettes involved in the trans-

36 importer, agent or wholesale dealer. Records required under this arti-
37 cle shall be preserved on the premises described in the relevant license
38 or registration in such a manner as to ensure permanency and accessibil-

40 tax commission. With the permission of the commissioner, persons with
41 multiple places of business may retain centralized records, but shall
42 transmit duplicates of the invoices or the equivalent documentation to
43 each place of business within twenty-four hours upon the request of the
44 commissioner.

45 The commissioner and his or her designees and the United States secre-
46 tary of the treasury or his or her designee, upon request, shall have
47 access to records required under this section and reports required under
48 section four hundred seventy-four-a of this article. The commissioner at
49 his or her sole discretion may share the records and reports required by
50 this article with other law enforcement officials of the federal govern-
51 ment or other states. Public access to reports submitted by licensees
52 shall be provided under the procedures established by the New York free-
53 dom of information law. In no case, however, shall information about
54 quantities of cigarettes by brand style be released to anyone other than
55 the commissioner, the United States secretary of the treasury, or other

1 state and federal law enforcement officials with whom the commissioner
2 has elected to share reports and records required by this article.

50 article.

51 § 10. Section 475 of the tax law is amended by adding a new closing
52 paragraph to read as follows:
