§ 3. This act shall take effect July 1, 2019.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would amend both the General Municipal Law and the Retirement and Social Security Law to increase the salary used in the computation of the special accidental death benefit by 3% in cases where the date of death was before 2019.

Insofar as this bill would amend the Retirement and Social Security Law, it is estimated that there would be an additional annual cost of approximately \$547,00 above the approximately \$12.5 million current annual cost of this benefit. This cost would be shared by the State of New York and all participating employers of the New York State and Local Fire Retirement System.
