1 dinate law enforcement in the jurisdiction in which the emergency or  
2 event has occurred.

3 (h) "Building inspection official" shall mean any appointed or elected  
4 federal, state or local official with executive responsibility to coor-  
5 ordinate building inspection in the jurisdiction in which the emergency or  
6 event has occurred.

7 2. A professional engineer, architect, landscape architect or land  
8 surveyor who voluntarily, without compensation, other than reimbursement  
9 of expenses, acting reasonably and in good faith, provides structural,  
10 electrical, mechanical, or other engineering, architectural, landscape  
11 architectural or land surveying services arising from or in connection  
12 with a response to or recovery or relief from a declared national, state  
13 or local disaster or emergency, whether natural or man-caused, such as,  
14 without limitation, an earthquake, hurricane, tornado, fire, explosion,  
15 flood, tropical storm, collapse, or other similar disaster or  
16 catastrophic event, at the request or with the consent or approval of a  
17 national, state or local public official, law enforcement official,  
18 public safety official or building inspection official acting in an  
19 official capacity, shall not be subject to or liable for any claim for  
20 personal injury, wrongful death, property damage or other loss caused by  
21 the professional engineer's, architect's, landscape architect's or land  
22 surveyor's acts, errors or omissions in the performance of any engineer-  
23 ing, architectural, landscape architectural or land surveying services  
24 arising from or in any way related to the declared disaster or emergen-  
25 cy, except as set forth in paragraph (b) of this subdivision.

26 (a) The immunity provided in this section shall apply only to a volun-  
27 tary engineering, architectural, landscape architectural or land survey-  
28 ing service that occurs during or within ninety days after the termi-  
29 nation of the declared emergency, disaster or catastrophic event, unless  
30 extended by an executive order issued by the governor under the gover-  
31 nor's emergency executive powers.

32 (b) The immunity provided in this subdivision shall apply in all  
33 cases, except upon a showing that a voluntary engineering, architec-  
34 tural, landscape architectural or land surveying service furnished for  
35 or in connection with a response to or recovery or relief from a  
36 declared national, state or local disaster or emergency was performed in  
37 a manner that constitutes wanton, willful or intentional misconduct, or  
38 gross negligence.

39 (c) Where a professional engineer, architect, landscape architect or  
40 land surveyor voluntarily renders services at the request of a state or  
41 local employee or official and where such services fall within the ambit  
42 of the immunity provided in this section, the liability of the state or  
43 locality, if any, which requested the services shall not be affected by  
44 the provisions of this section.

45 § 2. This act shall take effect immediately.
