Introduced by M. of A. ABINANTI -- read once and referred to the Committee on Codes

AN ACT to amend the penal law, the general business law and the education law, in relation to criminally negligent storage of a weapon and weapons safety programs for children

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title; construction. 1. This act shall be known and  
2 may be cited as the "children's weapon accident prevention act".

3 2. The provisions of this act shall not be construed to preempt or  
4 supersede any local law the provisions of which are no less stringent or  
5 restrictive than the provisions of this act.

6 § 2. Legislative findings and intent. The legislature finds that a  
7 tragically large number of children have been accidentally killed or  
8 seriously injured by negligently stored weapons; that placing weapons  
9 within reach or easy access of children is irresponsible, encourages  
10 such accidents and should be prohibited; and that legislative action is  
11 necessary to protect the safety of our children.

12 § 3. Section 265.00 of the penal law is amended by adding five new  
13 subdivisions 26, 27, 28, 29 and 30 to read as follows:

14 26. "Weapon" means a "rifle", "shotgun" or "firearm".

15 27. "Locked box" means a safe, case or container which, when locked,  
16 is incapable of being opened without the key, combination or other  
17 unlocking mechanism, and is resistant to tampering by an unauthorized  
18 person attempting to obtain access to and possession of the weapon or  
19 ammunition contained therein. The division of state police shall develop  
20 and promulgate rules and regulations setting forth the specific devices  
21 or the minimum standards and criteria therefor which constitute an  
22 effective locked box.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

28. "Gun locking device" means an integrated design feature or an attachable accessory that is resistant to tampering and is effective in preventing the discharge of a weapon by a person who does not have access to the key, combination or other mechanism used to disengage the device.

29. "Loaded rifle" means any rifle loaded with ammunition or any rifle which is possessed by one who, at the same time, possesses a quantity of ammunition which may be used to discharge such rifle.

30. "Loaded shotgun" means any shotgun loaded with ammunition or any shotgun which is possessed by one who, at the same time, possesses a quantity of ammunition which may be used to discharge such shotgun.
