STATE OF NEW YORK

4300

2019-2020 Regular Sessions

IN ASSEMBLY

February 4, 2019

Introduced by M. of A. KOLB, STEC, DiPIETRO -- Multi-Sponsored by -- M. of A. BARCLAY, BLANKENBUSH, CROUCH, FINCH, FITZPATRICK, GIGLIO, GOODELL, HAWLEY, JOHNS, MONTESANO, PALMESANO, RAIA -- read once and referred to the Committee on Ways and Means

AN ACT to amend the general municipal law, in relation to establishing the New York state cornerstone program; and to repeal article 18-B of such law relating thereto (Part A); to amend the general municipal law and the tax law, in relation to establishing the New York state discovery program (Part B); and to amend the tax law, in relation to net income base and in relation to certain taxes (Part C)

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. This act enacts into law components of legislation relating to the "New York state cornerstone program and the New York state discovery program". Each component is wholly contained within a Part identified as Parts A through C. The effective date for each particular provision contained within such Part is set forth in the last section of such Part. Any provision in any section contained within a Part, including the effective date of the Part, which makes reference to a section "of this act", when used in connection with that particular component, shall be deemed to mean and refer to the corresponding section of the Part in which it is found. Section three of this act sets forth the general effective date of this act.

§ 1-a. Statement of legislative findings and declaration. It is hereby found and declared that there exists within the state high unemployment, limited new job creation, a dependence on public assistance income, insufficient support for industrial and commercial businesses, and unnecessarily high taxes. These severe conditions require state government to target certain industries in order to stimulate private investment, private business development and job creation. It should be the public policy of the state to help promote the development of new

businesses, rather than deter them with punitive regulation and excessive taxes. It is further found and declared that it is the public policy of the state to achieve these goals through the mutual cooperation of all levels of state and local government, the business community and academic institutions.

PART A

Section 1. Article 18-B of the general municipal law is REPEALED.

§ 2. The general municipal law is amended by adding a new article 18-B to read as follows:

ARTICLE 18-B

NEW YORK STATE CORNERSTONE PROGRAM

Section 955. New York cornerstone program established.
956. Responsibilities of the commissioner.
957. Cornerstone development board.
958. Reporting requirements.

§ 955. New York cornerstone program established. There is hereby established the New York cornerstone program.

§ 956. Responsibilities of the commissioner. 1. The commissioner of economic development shall, in consultation with the director of the budget, the commissioner of labor, and the commissioner of taxation and finance, promulgate rules and regulations, which, notwithstanding any provisions to the contrary in the state administrative procedure act, may be adopted on an emergency basis, relating to:

(a) the application process;

(b) defining types of businesses eligible, including but not limited to manufacturing, high-tech, bio-tech, clean-tech and agri-business;

(c) limiting businesses to ten years of participation;

(d) certification by the commissioner for eligibility of business enterprises for benefits referred to in this article. Criteria for certification shall include, but not be limited to:

(i) requiring a business to have been operational in New York state for at least ten consecutive years prior to applying to the cornerstone program;

(ii) requiring a business to show proof that they will have to lower employment levels without certification in the program;

(iii) requiring a business to commit to maintaining or increasing current employment levels to qualify for tax benefits;

(iv) whether certification will have the undesired effect of causing individuals to transfer from existing employment with another business enterprise to similar employment with the business enterprise so certified, and transferring existing employment from one or more other municipalities, towns or villages in the state;

(v) whether such enterprise is likely to enhance the economic climate of the state; and

(vi) whether the commissioner of labor establishes that such business enterprise, during the ten years preceding the submission of an application for certification, has engaged in a substantial violation or a pattern of violations of laws regulating unemployment insurance, workers' compensation, public work, child labor, employment of minorities and women, safety and health, or other laws for the protection of workers as determined by final judgment of a judicial or administrative proceeding.

2. The commissioner of economic development shall, in consultation with the director of the budget, the commissioner of labor, and the commissioner of taxation and finance, establish a cost benefit analysis.

3. The commissioner of economic development shall, in consultation with the director of the budget, the commissioner of labor, and the commissioner of taxation and finance, establish a program and propose legislation granting tax exemptions previously applicable to empire zones for business enterprises eligible under the cornerstone program established pursuant to this article, to the governor and legislature within one hundred eighty days from the effective date of this article.

§ 957. Cornerstone development board. 1. The cornerstone development board is hereby created.

2. Such board shall consist of the commissioner of taxation and finance, the director of the budget, the commissioner of labor and two members to be appointed by the governor; one member to be appointed by the temporary president of the senate; one member to be appointed by the speaker of the assembly; one member to be appointed by the minority leader of the senate and one member to be appointed by the minority leader of the assembly.

3. The governor shall designate from among the voting members the chair of the board. Each member of the board shall be entitled to designate a representative to attend meetings of the board in his or her place, and to vote or otherwise act on his or her behalf in his or her absence.

4. Notice of such designation shall be furnished in writing to the board by the designating member.

5. A representative shall serve at the pleasure of the designating member.

6. A representative shall not be authorized to delegate any of his or her duties or functions to any other person.

§ 958. Reporting requirements. 1. The department of audit and control, the department of taxation and finance and the department of economic development shall prepare reports on the management and the economic and fiscal impact of the cornerstone program.

2. The analysis of the fiscal and economic impact of the program shall include, but not be limited to: a review of the cost of providing the tax benefits referred to in this article; progress of the program; number of tax credits claimed by each certified business; number of jobs created and/or retained by each business and all other information requested and not prohibited by law.

3. Such reports shall be transmitted to the governor and the legislature by September first, two thousand twenty and every year thereafter and shall be posted online for full public disclosure.

§ 3. This act shall take effect immediately; provided, however, that any rules and regulations necessary to carry out the provisions of this act shall be promulgated before such effective date.

PART B

Section 1. This act shall be known and may be cited as the "New York state discovery act".

§ 2. The general municipal law is amended by adding a new article 18-D to read as follows:

ARTICLE 18-D

NEW YORK STATE DISCOVERY PROGRAM

Section 972. New York state discovery program.

973. Job development fund.

§ 972. New York state discovery program. 1. The New York state discovery program is hereby established.

2. The commissioner of economic development shall, after consultation with the director of the budget, the commissioner of labor, and the commissioner of taxation and finance, promulgate rules and regulations, which, notwithstanding any provisions to the contrary in the state administrative procedure act, may be adopted on an emergency basis, relating to:

(a) the application process;

(b) defining types of businesses eligible, including but not limited to manufacturing, high-tech, bio-tech, clean-tech and agri-business;

(c) limiting businesses to ten years of participation;

(d) certification by the commissioner of economic development as to the eligibility of business enterprises for benefits referred to in this section, which shall be governed by criteria including, but not limited to:

(i) requiring an eligible business to be a start-up business, or a business operating in the state for two years or less;

(ii) a business must offer internships to local high school students, BOCES students and college students per a plan developed by the commissioner of economic development;

(iii) a business must commit to increasing current employment levels to qualify for tax benefits;

(iv) whether certification will have the undesired effect of causing individuals to transfer from existing employment with another business enterprise to similar employment with the business enterprise so certified, and transferring existing employment from one or more other municipalities, towns or villages in the state;

(v) whether such enterprise is likely to enhance the economic climate of the state;

(vi) whether the commissioner of labor establishes that such business enterprise, during the two years preceding the submission of an application for certification, has engaged in a substantial violation or a pattern of violations of laws regulating unemployment insurance, workers' compensation, public work, child labor, employment of minorities and women, safety and health, or other laws for the protection of workers as determined by final judgment of a judicial or administrative proceeding; and

(vii) whether such business meets the requirements of the cost benefit analysis as established by the commissioner of economic development.

3. The department of audit and control, the department of taxation and finance and the department of economic development shall prepare reports on the management and the economic and fiscal impact of the discovery program. The analysis of the fiscal and economic impact of the program shall include, but not be limited to: a review of the cost of providing the tax benefits referred to in this article; progress of the program; number of tax credits claimed by each certified business; number of jobs created by each business and all other information requested and not prohibited by law. Such reports shall be transmitted to the governor and the legislature by September first, two thousand twenty-one and every year thereafter and shall be posted online for full public disclosure.

4. The department of economic development shall provide grants of up to two thousand dollars for every internship developed under this program, to be paid for out of the job development fund established pursuant to this article. Such grant allocations shall be divided evenly

between the certified business and the corresponding institution of higher education to cover costs associated with the development of such internships.

§ 973. Job development fund. 1. There is hereby established in the joint custody of the commissioner of taxation and finance and the state comptroller a fund to be known as the "job development fund".

2. The fund shall consist of monies appropriated for the division of science, technology and innovation.

3. Moneys of the fund shall be expended for the purposes of carrying out the provisions of section nine hundred seventy-two of this article. Moneys shall be paid out of the fund on the audit and warrant of the state comptroller on vouchers approved by the division of science, technology and innovation. Any interest received by the comptroller on moneys on deposit in the job development fund shall be retained in and become part of such fund.

§ 3. The tax law is amended by adding a new section 15-a to read as follows:

§ 15-a. Discovery zone property tax credit. For a business enterprise which is first certified under section nine hundred seventy-two of the general municipal law on or after July first, two thousand twenty, the credit shall be for a period of ten years and shall not exceed thirty percent of the eligible real property taxes paid in the current taxable year of eligibility.

§ 4. Section 210-B of the tax law is amended by adding two new subdivision 53 and 54 to read as follows:

53. Discovery investment credit. (a) A taxpayer shall be allowed a credit, to be computed as hereinafter provided, against the tax imposed by this article where the taxpayer has been certified pursuant to section nine hundred seventy-two of the general municipal law. The amount of such credit shall be twenty percent of the cost or other basis for federal income tax purposes of tangible personal property and other tangible property, including buildings and structural components of buildings, described in paragraph (b) of this subdivision, but only if the acquisition, construction, reconstruction or erection of such property occurred or was commenced on or after the date of such designation and prior to the expiration thereof. Provided, however, that in the case of an acquisition, construction, reconstruction or erection which was commenced during such period and continued or completed subsequently, the credit shall be twenty percent of the portion of the cost or other basis for federal income tax purposes attributable to such period, which portion shall be ascertained by multiplying such cost or basis by a fraction the numerator of which shall be the expenditures paid or incurred during such period for such purposes and the denominator of which shall be the total of all expenditures paid or incurred for such acquisition, construction, reconstruction or erection.

(b) A credit shall be allowed under this subdivision with respect to tangible personal property and other tangible property, including buildings and structural components of buildings which: (1) are depreciable pursuant to section one hundred sixty-seven of the Internal Revenue Code, (2) have a useful life of four years or more, (3) are acquired by purchase as defined in section one hundred seventy-nine (d) of the Internal Revenue Code, and (4) are (i) principally used by the taxpayer in the production of goods by manufacturing, processing, assembling, refining, mining, extracting, farming, agriculture, horticulture, floriculture, viticulture or commercial fishing, (ii) industrial waste treatment facilities or air pollution control facilities used in the taxpay-

er's trade or business, (iii) research and development property, (iv) principally used in the ordinary course of the taxpayer's trade or business as a broker or dealer in connection with the purchase or sale (which shall include but not be limited to the issuance, entering into, assumption, offset, assignment, termination, or transfer) of stocks, bonds or other securities as defined in section four hundred seventy-five (c)(2) of the Internal Revenue Code, or of commodities as defined in section four hundred seventy-five (e) of the Internal Revenue Code, or (v) principally used in the ordinary course of the taxpayer's trade or business of providing investment advisory services for a regulated investment company as defined in section eight hundred fifty-one of the Internal Revenue Code, or lending, loan arrangement or loan origination services to customers in connection with the purchase or sale (which shall include but not be limited to the issuance, entering into, assumption, offset, assignment, termination, or transfer) of securities as defined in section four hundred seventy-five (c)(2) of the Internal Revenue Code. For purposes of clauses (iv) and (v) of this subparagraph, property purchased by a taxpayer affiliated with a regulated broker, dealer or registered investment adviser is allowed a credit under this subdivision if the property is used by its affiliated regulated broker, dealer or registered investment adviser in accordance with this subdivision. For purposes of determining if the property is principally used in qualifying uses, the uses by the taxpayer described in clauses (iv) and (v) of this subparagraph may be aggregated. In addition, the uses by the taxpayer, its affiliated regulated broker, dealer, and registered investment adviser under either or both of those clauses may be aggregated. Provided, however, a taxpayer shall not be allowed the credit provided by clauses (iv) and (v) of this subparagraph unless (I) eighty percent or more of the employees performing the administrative and support functions resulting from or related to the qualifying uses of such equipment are located in this state, or (II) the average number of employees that perform the administrative and support functions resulting from or related to the qualifying uses of such equipment and are located in this state during the taxable year for which the credit is claimed is equal to or greater than ninety-five percent of the average number of employees that perform these functions and are located in this state during the thirty-six months immediately preceding the year for which the credit is claimed, or (III) the number of employees located in this state during the taxable year for which the credit is claimed is equal to or greater than ninety percent of the number of employees located in this state on December thirty-first, nineteen hundred ninety-eight or, if the taxpayer was not a calendar year taxpayer in nineteen hundred ninety-eight, the last day of its first taxable year ending after December thirty-first, nineteen hundred ninety-eight. If the taxpayer becomes subject to tax in this state after the taxable year beginning in nineteen hundred ninety-eight, then the taxpayer is not required to satisfy the employment test provided in the preceding sentence of this subparagraph for its first taxable year. For purposes of item (III) of this clause, the employment test will be based on the number of employees located in this state on the last day of the first taxable year the taxpayer is subject to tax in this state. If the uses of the property must be aggregated to determine whether the property is principally used in qualifying uses, then either each affiliate using the property must satisfy this employment test or this employment test must be satisfied through the aggregation of the employees of the taxpayer, its affiliated regulated broker, dealer, and registered

investment adviser using the property. For purposes of this subdivision, the term "goods" shall not include electricity. For purposes of this paragraph, manufacturing shall mean the process of working raw materials into wares suitable for use or which gives new shapes, new quality or new combination to matter which already has gone through some artificial process by the use of machinery, tools, appliances and other similar equipment. Property used in the production of goods shall include machinery, equipment or other tangible property which is principally used in the repair and service of other machinery, equipment or other tangible property used principally in the production of goods and shall include all facilities used in the production operation, including storage of material to be used in production and of the products that are produced. For purposes of this paragraph, the terms "industrial waste treatment facilities", "air pollution control facilities" and "research and development property" shall have the meanings ascribed thereto by clauses (ii) and (iii), respectively, of subparagraph four of this paragraph, and the provisions of subparagraph three of this paragraph shall apply.

(c) A taxpayer shall not be allowed a credit under this subdivision with respect to any tangible personal property and other tangible property, including buildings and structural components of buildings, which it leases to any other person or corporation except where a taxpayer leases property to an affiliated regulated broker, dealer, or registered investment adviser that uses such property in accordance with clause (iv) or (v) of subparagraph four of paragraph (b) of this subdivision. For purposes of the preceding sentence, any contract or agreement to lease or rent or for a license to use such property shall be considered a lease. Provided, however, in determining whether a taxpayer shall be allowed a credit under this subdivision with respect to such property, any election made with respect to such property pursuant to the provisions of paragraph eight of subsection (f) of section one hundred sixty-eight of the Internal Revenue Code, as such paragraph was in effect for agreements entered into prior to January first, nineteen hundred eighty-four, shall be disregarded.

(d) If the amount of credit allowed under this subdivision for any taxable year shall exceed the taxpayer's tax for such year, the excess may be carried over to the following year or years and may be deducted from the taxpayer's tax for such year or years. Any refund paid pursuant to this paragraph shall be deemed to be a refund of an overpayment of tax as provided in section six hundred eighty-six of this chapter, provided, however, that no interest shall be paid thereon.

54. Discovery wage tax credit. (a) A taxpayer shall be allowed a credit, to be computed as hereinafter provided, against the tax imposed by this article, where the taxpayer has been certified pursuant to section nine hundred seventy-two of the general municipal law. The amount of such credit shall be as prescribed in paragraph (c) of this subdivision.

(b) "Discovery wages" means wages paid by the taxpayer for full-time employment during a taxable year, provided that those wages are paid by a certified business as defined by the commissioner of economic development as required in his or her responsibilities.

(c) The credit provided in this subdivision shall be equal to the product of the gross wages paid and six and eighty-five hundredths percent for each net new job created during the taxable year.

(d) "Net new job" shall be defined as each job that exceeds the average number of individuals employed full-time by the taxpayer in the previous taxable year.

(e) If the amount of this credit and carryovers of such credit allowed under this subdivision for any taxable year shall exceed the taxpayer's tax for such year, the excess, as well as any part of the credit or carryovers of such credit, or both, which may not be deducted from the tax otherwise due by reason of paragraph (c) of this subdivision, may be carried over to the following year or years and may be deducted from the taxpayer's tax for such year or years.

§ 5. Section 606 of the tax law is amended by adding two new subsections (j-2) and (j-3) to read as follows:

(j-2) Discovery investment credit. (1) A taxpayer shall be allowed a credit, to be computed as hereinafter provided, against the tax imposed by this article where the taxpayer has been certified pursuant to section nine hundred seventy-two of the general municipal law. The amount of such credit shall be twenty percent of the cost or other basis for federal income tax purposes of tangible personal property and other tangible property, including buildings and structural components of buildings, described in paragraph two of this subsection, but only if the acquisition, construction, reconstruction or erection of such property occurred or was commenced on or after the date of such designation and prior to the expiration thereof. Provided, however, that in the case of an acquisition, construction, reconstruction or erection which was commenced during such period and continued or completed subsequently, the credit shall be twenty percent of the portion of the cost or other basis for federal income tax purposes attributable to such period, which portion shall be ascertained by multiplying such cost or basis by a fraction the numerator of which shall be the expenditures paid or incurred during such period for such purposes and the denominator of which shall be the total of all expenditures paid or incurred for such acquisition, construction, reconstruction or erection.

(2) A credit shall be allowed under this subsection with respect to tangible personal property and other tangible property, including buildings and structural components of buildings which: (A) are depreciable pursuant to section one hundred sixty-seven of the Internal Revenue Code, (B) have a useful life of four years or more, (C) are acquired by purchase as defined in section one hundred seventy-nine (d) of the Internal Revenue Code, and (D) are (i) principally used by the taxpayer in the production of goods by manufacturing, processing, assembling, refining, mining, extracting, farming, agriculture, horticulture, floriculture, viticulture or commercial fishing, (ii) industrial waste treatment facilities or air pollution control facilities used in the taxpayer's trade or business, (iii) research and development property, (iv) principally used in the ordinary course of the taxpayer's trade or business as a broker or dealer in connection with the purchase or sale (which shall include but not be limited to the issuance, entering into, assumption, offset, assignment, termination, or transfer) of stocks, bonds or other securities as defined in section four hundred seventy-five (c)(2) of the Internal Revenue Code, or of commodities as defined in section four hundred seventy-five (e) of the Internal Revenue Code, or (v) principally used in the ordinary course of the taxpayer's trade or business of providing investment advisory services for regulated investment company as defined in section eight hundred fifty-one of the Internal Revenue Code, or lending, loan arrangement or loan origination services to customers in connection with the purchase or sale (which shall include but not be limited to the issuance, entering into, assumption, offset, assignment, termination, or transfer) of securities as defined in section four hundred seventy-five(c)(2) of the Internal

Revenue Code. For purposes of clauses (iv) and (v) of this subparagraph, property purchased by a taxpayer affiliated with a regulated broker, dealer or registered investment adviser is allowed a credit under this subsection if the property is used by its affiliated regulated broker, dealer or registered investment adviser in accordance with this subsection. For purposes of determining if the property is principally used in qualifying uses, the uses by the taxpayer described in clauses (iv) and (v) of this subparagraph may be aggregated. In addition, the uses by the taxpayer, its affiliated regulated broker, dealer, and registered investment adviser under either or both of those clauses may be aggregated. Provided, however, a taxpayer shall not be allowed the credit provided by clauses (iv) and (v) of this subparagraph unless (I) eighty percent or more of the employees performing the administrative and support functions resulting from or related to the qualifying uses of such equipment are located in this state, or (II) the average number of employees that perform the administrative and support functions resulting from or related to the qualifying uses of such equipment and are located in this state during the taxable year for which the credit is claimed is equal to or greater than ninety-five percent of the average number of employees that perform these functions and are located in this state during the thirty-six months immediately preceding the year for which the credit is claimed, or (III) the number of employees located in this state during the taxable year for which the credit is claimed is equal to or greater than ninety percent of the number of employees located in this state on December thirty-first, nineteen hundred ninety-eight or, if the taxpayer was not a calendar year taxpayer in nineteen hundred ninety-eight, the last day of its first taxable year ending after December thirty-first, nineteen hundred ninety-eight. If the taxpayer becomes subject to tax in this state after the taxable year beginning in nineteen hundred ninety-eight, then the taxpayer is not required to satisfy the employment test provided in the preceding sentence of this subparagraph for its first taxable year. For purposes of item (III) of this clause, the employment test will be based on the number of employees located in this state on the last day of the first taxable year the taxpayer is subject to tax in this state. If the uses of the property must be aggregated to determine whether the property is principally used in qualifying uses, then either each affiliate using the property must satisfy this employment test or this employment test must be satisfied through the aggregation of the employees of the taxpayer, its affiliated regulated broker, dealer, and registered investment advisor using the property. For purposes of this subsection, the term "goods" shall not include electricity. For purposes of this paragraph, manufacturing shall mean the process of working raw materials into wares suitable for use or which gives new shapes, new quality or new combination to matter which already has gone through some artificial process by the use of machinery, tools, appliances and other similar equipment. Property used in the production of goods shall include machinery, equipment or other tangible property which is principally used in the repair and service of other machinery, equipment or other tangible property used principally in the production of goods and shall include all facilities used in the production operation, including storage of material to be used in production and of the products that are produced. For purposes of this paragraph, the terms "industrial waste treatment facilities", "air pollution control facilities" and "research and development property" shall have the meanings ascribed thereto by

clauses (ii) and (iii), respectively, of subparagraph (D) of this paragraph, and the provisions of subparagraph (C) of this paragraph.

(3) A taxpayer shall not be allowed a credit under this subsection with respect to any tangible personal property and other tangible property, including buildings and structural components of buildings, which it leases to any other person or corporation except where a taxpayer leases property to an affiliated regulated broker, dealer, or registered investment adviser that uses such property in accordance with clause (iv) or (v) of subparagraph (D) of paragraph two of this subsection. For purposes of the preceding sentence, any contract or agreement to lease or rent or for a license to use such property shall be considered a lease. Provided, however, in determining whether a taxpayer shall be allowed a credit under this subsection with respect to such property, any election made with respect to such property pursuant to the provisions of paragraph eight of subsection (f) of section one hundred sixty-eight of the Internal Revenue Code, as such paragraph was in effect for agreements entered into prior to January first, nineteen hundred eighty-four, shall be disregarded.

(4) If the amount of credit allowed under this subsection for any taxable year shall exceed the taxpayer's tax for such year, the excess may be carried over to the following year or years and may be deducted from the taxpayer's tax for such year or years. Any refund paid pursuant to this paragraph shall be deemed to be a refund of an overpayment of tax as provided in section six hundred eighty-six of this chapter, provided, however, that no interest shall be paid thereon.

(j-3) Discovery wage tax credit. (1) A taxpayer shall be allowed a credit, to be computed as hereinafter provided, against the tax imposed by this article, where the taxpayer has been certified pursuant to section nine hundred seventy-two of the general municipal law. The amount of such credit shall be as prescribed in paragraph three of this subsection.

(2) "Discovery wages" means wages paid by the taxpayer for full-time employment during a taxable year, provided that those wages are paid by a certified business as defined by the commissioner of economic development as required in his or her responsibilities.

(3) The credit provided in this subsection shall be equal to the product of the gross wages paid and six and eighty-five hundredths percent for each net new job created during the taxable year.

(4) "Net new job" shall be defined as each job that exceeds the average number of individuals employed full-time by the taxpayer in the previous taxable year.

(5) If the amount of this credit and carryovers of such credit allowed under this subsection for any taxable year shall exceed the taxpayer's tax for such year, the excess, as well as any part of the credit or carryovers of such credit, or both, which may not be deducted from the tax otherwise due by reason of paragraph three of this subsection, may be carried over to the following year or years and may be deducted from the taxpayer's tax for such year or years.

§ 6. Section 1511 of the tax law is amended by adding two new subdivisions (dd) and (ee) to read as follows:

(dd) Discovery investment credit. (1) A taxpayer shall be allowed a credit, to be computed as hereinafter provided, against the tax imposed by this article where the taxpayer has been certified pursuant to section nine hundred seventy-two of the general municipal law. The amount of such credit shall be twenty percent of the cost or other basis for federal income tax purposes of tangible personal property and other

tangible property, including buildings and structural components of buildings, described in paragraph two of this subdivision, but only if the acquisition, construction, reconstruction or erection of such property occurred or was commenced on or after the date of such designation and prior to the expiration thereof. Provided, however, that in the case of an acquisition, construction, reconstruction or erection which was commenced during such period and continued or completed subsequently, the credit shall be twenty percent of the portion of the cost or other basis for federal income tax purposes attributable to such period, which portion shall be ascertained by multiplying such cost or basis by a fraction the numerator of which shall be the expenditures paid or incurred during such period for such purposes and the denominator of which shall be the total of all expenditures paid or incurred for such acquisition, construction, reconstruction or erection.

(2) A credit shall be allowed under this subdivision with respect to tangible personal property and other tangible property, including buildings and structural components of buildings which: (A) are depreciable pursuant to section one hundred sixty-seven of the Internal Revenue Code, (B) have a useful life of four years or more, (C) are acquired by purchase as defined in section one hundred seventy-nine (d) of the Internal Revenue Code, and (D) are (i) principally used by the taxpayer in the production of goods by manufacturing, processing, assembling, refining, mining, extracting, farming, agriculture, horticulture, floriculture, viticulture or commercial fishing, (ii) industrial waste treatment facilities or air pollution control facilities used in the taxpayer's trade or business, (iii) research and development property, (iv) principally used in the ordinary course of the taxpayer's trade or business as a broker or dealer in connection with the purchase or sale (which shall include but not be limited to the issuance, entering into, assumption, offset, assignment, termination, or transfer) of stocks, bonds or other securities as defined in section four hundred seventy-five(c)(2) of the Internal Revenue Code, or of commodities as defined in section four hundred seventy-five (e) of the Internal Revenue Code, or (v) principally used in the ordinary course of the taxpayer's trade or business of providing investment advisory services for a regulated investment company as defined in section eight hundred fifty-one of the Internal Revenue Code, or lending, loan arrangement or loan origination services to customers in connection with the purchase or sale (which shall include but not be limited to the issuance, entering into, assumption, offset, assignment, termination, or transfer) of securities as defined in section four hundred seventy-five(c)(2) of the Internal Revenue Code. For purposes of clauses (iv) and (v) of this subparagraph, property purchased by a taxpayer affiliated with a regulated broker, dealer or registered investment adviser is allowed a credit under this subdivision if the property is used by its affiliated regulated broker, dealer or registered investment adviser in accordance with this subdivision. For purposes of determining if the property is principally used in qualifying uses, the uses by the taxpayer described in clauses (iv) and (v) of this subparagraph may be aggregated. In addition, the uses by the taxpayer, its affiliated regulated broker, dealer, and registered investment adviser under either or both of those clauses may be aggregated. Provided, however, a taxpayer shall not be allowed the credit provided by clauses (iv) and (v) of this subparagraph unless (I) eighty percent or more of the employees performing the administrative and support functions resulting from or related to the qualifying uses of such equipment are located in this state, or (II) the average number of

employees that perform the administrative and support functions resulting from or related to the qualifying uses of such equipment and are located in this state during the taxable year for which the credit is claimed is equal to or greater than ninety-five percent of the average number of employees that perform these functions and are located in this state during the thirty-six months immediately preceding the year for which the credit is claimed, or (III) the number of employees located in this state during the taxable year for which the credit is claimed is equal to or greater than ninety percent of the number of employees located in this state on December thirty-first, nineteen hundred ninety-eight or, if the taxpayer was not a calendar year taxpayer in nineteen hundred ninety-eight, the last day of its first taxable year ending after December thirty-first, nineteen hundred ninety-eight. If the taxpayer becomes subject to tax in this state after the taxable year beginning in nineteen hundred ninety-eight, then the taxpayer is not required to satisfy the employment test provided in the preceding sentence of this subparagraph for its first taxable year. For purposes of item (III) of this clause, the employment test will be based on the number of employees located in this state on the last day of the first taxable year the taxpayer is subject to tax in this state. If the uses of the property must be aggregated to determine whether the property is principally used in qualifying uses, then either each affiliate using the property must satisfy this employment test or this employment test must be satisfied through the aggregation of the employees of the taxpayer, its affiliated regulated broker, dealer, and registered investment adviser using the property. For purposes of this subdivision, the term "goods" shall not include electricity. For purposes of this paragraph, manufacturing shall mean the process of working raw materials into wares suitable for use or which gives new shapes, new quality or new combination to matter which already has gone through some artificial process by the use of machinery, tools, appliances and other similar equipment. Property used in the production of goods shall include machinery, equipment or other tangible property which is principally used in the repair and service of other machinery, equipment or other tangible property used principally in the production of goods and shall include all facilities used in the production operation, including storage of material to be used in production and of the products that are produced. For purposes of this paragraph, the terms "industrial waste treatment facilities", "air pollution control facilities" and "research and development property" shall have the meanings ascribed thereto by clauses (ii) and (iii), respectively, of subparagraph (D) of this paragraph, and the provisions of subparagraph (C) of this paragraph shall apply.

(3) A taxpayer shall not be allowed a credit under this subdivision with respect to any tangible personal property and other tangible property, including buildings and structural components of buildings, which it leases to any other person or corporation except where a taxpayer leases property to an affiliated regulated broker, dealer, or registered investment adviser that uses such property in accordance with clause (iv) or (v) of subparagraph (D) of paragraph two of this subdivision. For purposes of the preceding sentence, any contract or agreement to lease or rent or for a license to use such property shall be considered a lease. Provided, however, in determining whether a taxpayer shall be allowed a credit under this subdivision with respect to such property, any election made with respect to such property pursuant to the provisions of paragraph eight of subsection (f) of section one hundred

sixty-eight of the Internal Revenue Code, as such paragraph was in effect for agreements entered into prior to January first, nineteen hundred eighty-four, shall be disregarded.

(4) If the amount of credit allowed under this subdivision for any taxable year shall exceed the taxpayer's tax for such year, the excess may be carried over to the following year or years and may be deducted from the taxpayer's tax for such year or years. Any refund paid pursuant to this paragraph shall be deemed to be a refund of an overpayment of tax as provided in section six hundred eighty-six of this chapter, provided, however, that no interest shall be paid thereon.

(ee) Discovery wage tax credit. (1) A taxpayer shall be allowed a credit, to be computed as hereinafter provided, against the tax imposed by this article, where the taxpayer has been certified pursuant to section nine hundred seventy-two of the general municipal law. The amount of such credit shall be as prescribed in paragraph three of this subdivision.

(2) "Discovery wages" means wages paid by the taxpayer for full-time employment during a taxable year, provided that those wages are paid by a certified business as defined by the commissioner of economic development as required in his or her responsibilities.

(3) The credit provided in this subdivision shall be equal to the product of the gross wages paid and six and eighty-five hundredths percent for each net new job created during the taxable year.

(4) "Net new job" shall be defined as each job that exceeds the average number of individuals employed full-time by the taxpayer in the previous taxable year.

(5) If the amount of this credit and carryovers of such credit allowed under this subdivision for any taxable year shall exceed the taxpayer's tax for such year, the excess, as well as any part of the credit or carryovers of such credit, or both, which may not be deducted from the tax otherwise due by reason of paragraph three of this subdivision, may be carried over to the following year or years and may be deducted from the taxpayer's tax for such year or years.

§ 7. This act shall take effect immediately; provided, however, that any rules and regulations necessary to carry out the provisions of this act shall be promulgated by the commissioner of economic development before such effective date.

PART C

Section 1. The opening paragraph of paragraph (a) of subdivision 1 of section 210 of the tax law, as amended by section 10 of part T of chapter 59 of the laws of 2015, is amended to read as follows:

For taxable years beginning before January first, two thousand sixteen, the amount prescribed by this paragraph shall be computed at the rate of seven and one-tenth percent of the taxpayer's business income base. For taxable years beginning on or after January first, two thousand [~~sixteen~~] nineteen, the amount prescribed by this paragraph shall be [~~six and one-half~~] five and nine hundredths percent of the taxpayer's business income base. The taxpayer's business income base shall mean the portion of the taxpayer's business income apportioned within the state as hereinafter provided. However, in the case of a small business taxpayer, as defined in paragraph (f) of this subdivision, the amount prescribed by this paragraph shall be computed pursuant to subparagraph (iv) of this paragraph and in the case of a manufacturer, as defined in subparagraph (vi) of this paragraph, the amount

prescribed by this paragraph shall be computed pursuant to subparagraph (vi) of this paragraph, and, in the case of a qualified emerging technology company, as defined in subparagraph (vii) of this paragraph, the amount prescribed by this paragraph shall be computed pursuant to subparagraph (vii) of this paragraph.

§ 2. Subparagraph (iv) of paragraph (a) of subdivision 1 of section 210 of the tax law, as amended by section 12 of part A of chapter 59 of the laws of 2014, is amended to read as follows:
