AN ACT to amend the public health law and the state finance law, in relation to the procurement and use of environmentally sensitive commodities and services by hospitals

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public health law is amended by adding a new section
2805-z to read as follows:
§ 2805-z. Procurement and use of environmentally sensitive commodities
and services. 1. For the purposes of this section the following terms
shall mean:
(a) "Environmentally sensitive commodities and services" means those
commodities and services that minimize adverse impacts on the public
health and the environment as determined by the commissioner of general
services.
(b) "Commodity" or "commodities" means materials, goods, supplies,
products, construction items and other standard articles of commerce
other than technology.
<u>(c) "Construction item" means any item or material used in</u>
construction and which is procured directly by a hospital or by a person
under contract by a hospital.
(d) "Service" or "services" means the performance of a task or tasks
and may include a material good or a quantity of material goods, and
which is subject of any purchase or other exchange. For the purposes of
this section, technology shall be deemed a service.
2. The commissioner of general services, in consultation with the
commissioner, shall establish and from time to time amend guidelines and
specifications for environmentally sensitive commodities and services
for use in hospitals; and for use in the construction, renovation or

repair of hospital buildings and related facilities. Such quidelines 1 shall be used to identify environmentally sensitive commodities and 2 services which are available in the form, function and utility generally 3 4 used by such facilities. Such commissioners shall review and evaluate 5 existing research regarding environmentally sensitive commodities and б services, including but not limited to, the United States environmental 7 protection agency's quidelines for environmentally sensitive commodities 8 and services, for the purpose of developing appropriate criteria for 9 such guidelines and specifications. 10 3. The commissioner of general services shall disseminate to all hospitals guidelines and specifications for the purchase or use of envi-11 ronmentally sensitive commodities and services in hospitals; and for use 12 in the construction, renovation or repair of hospital buildings and 13 related facilities. The commissioner of general services shall also 14 15 prepare and disseminate to all hospitals a sample list of such environ-16 mentally sensitive commodities and services that meet these guidelines 17 or specifications and their environmental and health benefits. Every hospital shall consider such guidelines, specifications and sample list 18 when making determinations as to the purchase of commodities, 19 20 construction items or services for use in the hospital, or for use in 21 the construction, renovation, or repair of hospital buildings. 22 4. On or before June first, two thousand twenty-one, the office of general services and the department shall jointly issue a report provid-23 24 ing an analysis of the impact of such guidelines and specifications on the purchasing and procurement practices of hospitals. 25 26 § 2. Paragraph b of subdivision 3 of section 163 of the state finance 27 law is amended by adding a new subparagraph (xiii) to read as follows: 28 (xiii) maintain a list of firms which produce or manufacture or offer 29 for sale environmentally sensitive commodities and services in the form, 30 function, and utility generally used by hospitals in accordance with specifications or quidelines promulgated pursuant to section twenty-31 32 eight hundred five-z of the public health law. 33 § 3. This act shall take effect on the one hundred eightieth day after it shall have become a law; provided that the amendment to paragraph b 34 subdivision 3 of section 163 of the state finance law, made by 35 of section two of this act, shall not affect the repeal of such section and 36 shall be deemed repealed therewith. Effective immediately the addition, 37 amendment and/or repeal of any rule or regulation necessary for the 38 implementation of this act on its effective date are authorized to be 39

40 made and completed on or before such date.
