The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law, Christine
2 Verkey, who was an employee of the Newark central school district

4 York state and local employees' retirement system, who through no fault
5 of her own did not become a member of the New York state and local
6 employees' retirement system when she was first employed by the Newark

LBD06554-01-9

If this legislation is enacted during the 2019 legislative session, we anticipate that there will be an increase of approximately \$4,000 in the annual contributions of the State of New York for the fiscal year ending March 31, 2020. In future years, this cost will vary as the billing rate and salary of Christine L. Verkey change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$39,200 which will be borne by the State of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2020.
