AN ACT to amend the public health law, in relation to informed consent for procedures in the course of education or training

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public health law is amended by adding a new section 18-b to read as follows:

§ 18-b. Procedures in the course of education or training; consent. In the case of any health care procedure or examination, the fact that it is performed in the course of education or training shall not diminish the requirement for informed consent for the procedure or examination.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
