2019-2020 Regular Sessions

IN ASSEMBLY

February 7, 2019

Introduced by M. of A. DiPIETRO -- read once and referred to the Committee on Correction

AN ACT to amend the correction law and the education law, in relation to providing for the medical testing of certain inmates upon application for certain privileges and authorizing the disclosure of such test results for such purpose and diagnosing of certain disease symptoms

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1	Section 1. The correction law is amended by adding two new sections
2	144 and 145 to read as follows:
3	§ 144. Medical testing of certain inmates upon application for certain
4	privileges. 1. Inmates applying to the commissioner to marry, to partic-
5	ipate in the family reunion program, or to participate in a temporary
6	release program, shall submit to a test for evidence of acquired immune
7	deficiency syndrome (AIDS), the AIDS related complex (ARC), and human
8	immunodeficiency virus (HIV) infection. As scientific knowledge of the
9	AIDS disease increases, usage of terminology and additional tests for
10	HIV or for levels of antigen or antibody shall be modified by the
11	commissioner in accordance with the latest publication made available by
12	the federal centers for disease control.
13	2. Upon proof that any identifiable inmate seeking approval for one or
14	more of the privileges specified in subdivision one of this section, has
15	tested positive, has a certain level of antigen or antibody or has
16	otherwise tested positive for infection with HIV or infection with the
17	probable causative agent of AIDS, the commissioner may deny such
18	requested privilege to such inmate.
19	3. Inmates granted the privilege to participate in the family reunion
20	program or a temporary release program shall submit to any of the tests
21	specified in subdivision one of this section during participation in
22	such program at intervals determined by the commissioner but in no case
23	less than six month intervals.

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.
