Provided, however, that if the commissioner of motor vehicles shall have received prior to plate design, production and issuance at least two hundred orders for such distinctive plate together with the additional annual service charge applicable to each such order, which shall be non-refundable, no such surety bond shall be required. All such service charges shall be deposited pursuant to the provisions of section $404-00$ of the vehicle and traffic law to the credit of the department of motor vehicles distinctive plate development fund established by section 95-g of the state finance law and shall be used for the design, production, advertising and distribution of distinctive license plates in accordance with such section 95-g.
2. If, upon the expiration of two years following the date upon which distinctive plates in the series are first available for sale two hundred or more sets of such plates are sold, a bond delivered pursuant to this section shall be discontinued. If fewer than two hundred sets of such plates are sold by such time, such department shall be entitled to recover against the bond in an amount proportionate to such shortfall.
§ 3. This act shall take effect immediately; provided, however, that section one of this act shall take effect on the one hundred eightieth day after it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.
