AN ACT to amend the administrative code of the city of New York, in relation to repair or replacement of damaged residential lateral sewer and water pipes

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The administrative code of the city of New York is amended  
2 by adding two new sections 24-316.1 and 24-531 to read as follows:

3 § 24-316.1 Water lateral pipe repair or replacement. When at least  
4 three properties within a radius of seven hundred fifty feet have been  
5 issued a three-day notice to repair a damaged residential lateral water  
6 pipe pursuant to subdivision (p) of section 20-02 of title 15 of the  
7 rules of the city of New York within a six-month period, and, after  
8 investigation by the department of environmental protection of the city  
9 of New York and an opportunity to submit evidence to such department, in  
10 accordance with rules promulgated by such department, by any applicable  
11 public utility company, as defined in section two of the public service  
12 law, such department concludes, based on substantial evidence, that the  
13 infrastructure, electric current or other activity of any such public  
14 utility company was a cause of significant damage to such residential  
15 lateral water pipe, such public utility company shall be responsible for  
16 the repair or replacement of such pipe. In any investigation by the  
17 department of environmental protection pursuant to this section, the  
18 applicable public utility company shall cooperate with such investi-

1 gation, and comply with any requests by such department relating to such  
2 investigation. Any public utility found to have caused significant  
3 damage, after an investigation as provided in this section, shall be  
4 responsible for all costs associated with such investigation, and  
5 payment shall be due for such costs within sixty days after the depart-  
6 ment of environmental protection has issued its conclusion.

7 § 24-531 Sewer lateral pipe repair or replacement. When at least  
8 three properties within a radius of seven hundred fifty feet have been  
9 issued a three-day notice to repair a damaged residential lateral sewer  
10 pipe pursuant to subdivision (p) of section 20-02 of title 15 of the  
11 rules of the city of New York within a six-month period, and, after  
12 investigation by the department of environmental protection of the city  
13 of New York and an opportunity to submit evidence to such department, in  
14 accordance with rules promulgated by such department, by any applicable  
15 public utility company, as defined in section two of the public service  
16 law, such department concludes, based on substantial evidence, that the  
17 infrastructure, electric current or other activity of any such public  
18 utility company was a cause of significant damage for such residential  
19 lateral sewer pipe, such public utility company shall be responsible for  
20 the repair or replacement of such pipe. In any investigation by the  
21 department of environmental protection pursuant to this section, the  
22 applicable public utility company shall cooperate with such investi-  
23 gation, and comply with any requests by such department relating to such  
24 investigation. Any public utility found to have caused significant  
25 damage, after an investigation as provided in this section, shall be  
26 responsible for all costs associated with such investigation, and  
27 payment shall be due for such costs within sixty days after the depart-  
28 ment of environmental protection has issued its conclusion.

29 § 2. This act shall take effect immediately.
