1 authorized by section four hundred twenty-five of this title in three
2 consecutive years, and (iii) a city, town, village or school district
3 which is wholly or partly located within such a county. Income tax year
4 shall mean the twelve month period for which the owner or owners filed a
5 federal personal income tax return, or if no such return is filed, the
6 calendar year. Where title is vested in either the husband or the wife,
7 their combined income may not exceed such sum, except where the husband
8 or wife, or ex-husband or ex-wife is absent from the property as
9 provided in subparagraph (ii) of paragraph (d) of this subdivision, then
10 only the income of the spouse or ex-spouse residing on the property
11 shall be considered and may not exceed such sum. Such income shall
12 include social security and retirement benefits, interest, dividends,
13 total gain from the sale or exchange of a capital asset which may be
14 offset by a loss from the sale or exchange of a capital asset in the
15 same income tax year, net rental income, salary or earnings, and net
16 income from self-employment, but shall not include a return of capital,
17 gifts, inheritances, payments made to individuals because of their
18 status as victims of Nazi persecution, as defined in P.L. 103-286 or
19 monies earned through employment in the federal foster grandparent
20 program and any such income shall be offset by all medical and
21 prescription drug expenses actually paid which were not reimbursed or
22 paid for by insurance, if the governing board of a municipality, after a
23 public hearing, adopts a local law, ordinance or resolution providing
24 therefor. In addition, an exchange of an annuity for an annuity
25 contract, which resulted in non-taxable gain, as determined in section
26 one thousand thirty-five of the internal revenue code, shall be excluded
27 from such income. Provided that such exclusion shall be based on satis-
28 factory proof that such an exchange was solely an exchange of an annuity
29 for an annuity contract that resulted in a non-taxable transfer deter-
30 mined by such section of the internal revenue code. Furthermore, such
31 income shall not include the proceeds of a reverse mortgage, as author-
32 ized by section six-h of the banking law, and sections two hundred
33 eighty and two hundred eighty-a of the real property law; provided,
34 however, that monies used to repay a reverse mortgage may not be
35 deducted from income, and provided additionally that any interest or
36 dividends realized from the investment of reverse mortgage proceeds
37 shall be considered income. The provisions of this paragraph notwith-
38 standing, such income shall not include veterans disability compen-
39 sation, as defined in Title 38 of the United States Code provided the
40 governing board of such municipality, after public hearing, adopts a
41 local law, ordinance or resolution providing therefor. In computing net
42 rental income and net income from self-employment no depreciation
43 deduction shall be allowed for the exhaustion, wear and tear of real or
44 personal property held for the production of income;

45 § 2. This act shall take effect immediately.
