2019-2020 Regular Sessions

IN ASSEMBLY

February 13, 2019

Introduced by M. of A. GALEF, ORTIZ, D'URSO, HYNDMAN, CROUCH -- Multi-Sponsored by -- M. of A. MORINELLO -- read once and referred to the Committee on Higher Education

AN ACT to amend the education law, in relation to state licensure of orthopaedic technologists

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The education law is amended by adding a new article 169 to 2 read as follows:

ARTICLE 169

ORTHOPAEDIC TECHNOLOGISTS

5 Section 8900. Introduction.

- 8901. Definition of the practice of orthopaedic technology.
- 7 8902. Use of the title "orthopaedic technologist".
- 8 8903. Requirements for professional licensure.
- 9 8904. Limited permits.
- 10 8905. Exemptions.

- 8906. State board. 11
- 12 § 8900. Introduction. This article applies to the profession of ortho-13 paedic technology and to the use of the title "orthopaedic technolo-14 gist". The general provisions for all professions contained in article one hundred thirty of this title shall apply to this article. 15
- § 8901. Definition of the practice of orthopaedic technology. The practice of orthopaedic technology by an orthopaedic technologist shall 17 mean the performance of the following medical services under the super-18 19 vision of a physician or surgeon involved in the musculoskeletal care of 20 patients:
 - 1. Patient assessment for purposes of orthopaedic procedures;
- 22 2. Applying and removing casts;
- 23 3. Measuring and fitting patients for orthopaedic braces, devices, and 24 <u>ambulatory aids;</u>

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

4. Assisting in the application, maintenance, and adjustment of ortho-1 2 paedic traction;

- 5. Fabricating and applying splints and bandages;
- 4 6. Removing sutures, staples, and pins related to orthopaedic proce-5 dures;
 - 7. Instructing patients in the care of casts, splints, braces, or orthopaedic devices and related skin care; and
 - 8. Assisting a physician and surgeon in orthopaedic surgical proce-<u>dures.</u>
- 10 For the purposes of this article, "supervision" shall mean a licensed physician or surgeon's oversight of the activities of, and responsibil-11 ity for, the medical services rendered by an orthopaedic technologist. 12
- 13 § 8902. Use of the title "orthopaedic technologist". No person, other 14 than one who is currently certified as an orthopaedic technologist, 15 shall practice as an orthopaedic technologist or in a similar capacity 16 or hold himself or herself out as an "orthopaedic technologist," or shall use any other term indicating or implying that he or she is an 17 orthopaedic technologist. 18
- § 8903. Requirements for professional licensure. To qualify for 19 20 certification as a certified orthopaedic technologist, an applicant 21 shall fulfill the following requirements:
 - 1. Application: file an application with the department;
 - 2. Experience: have experience in the practice of orthopaedic technology satisfactory to the board and the department in accordance with the commissioner's regulations;
- 26 3. Examination: pass a National Board for Certification of Orthopaedic 27 Technologists, Inc's. examination in accordance with the commissioner's 28 regulations;
 - 4. Age: be at least eighteen years of age;
- 30 5. Character: be of good moral character as determined by the depart-31
- 32 6. Fee: pay a fee of one hundred seventy-five dollars for an initial license and a fee of eighty-five dollars for each triennial registration 33 34
- 35 8 8904. Limited permits. Permits limited as to eligibility, practice and duration shall be issued by the department to eligible applicants, 36 37 as follows:
 - 1. Eligibility. A person who fulfills all requirements for a license as a professional orthopaedic technologist except those relating to examination or experience shall be eligible for a limited permit;
 - 2. Limit of practice. A permittee shall be authorized to practice orthopaedic technology under the direction of an available licensed or certified orthopaedic technologist or orthopaedic surgeon;
- 3. Duration. A limited permit shall be valid for two years with the 44 45 successful completion of forty hours of continuing education units in 46 orthopaedic technology. Continuing education units must be submitted to 47 the National Board for Certification of Orthopaedic Technologists, Inc. 48 At the completion of the forty hours of continuing education, the National Board for Certification of Orthopaedic Technologists, Inc. will 49 present to the limited permittee an official letter confirming continu-50 ing education has been completed, which will be filed with the state. 51 The limited permit may be renewed biennially at the discretion of the
- 52
- 53 department. The permittee can renew up to three consecutive times; after that timeframe the permittee must pass the National Board for Certif-54
- 55 ication of Orthopaedic Technologists, Inc's. examination; and

4. Fee. The fee for each limited permit and for each renewal shall be 1 2 sixty dollars.

§ 8905. Exemptions. Nothing in this article shall be construed to affect, prevent or in any manner expand or limit the authority of any person otherwise authorized by law or regulation to practice any function of an orthopaedic technologist.

§ 8906. State board. A state board for orthopaedic technology shall be appointed by the board of regents on recommendation of the commissioner for the purpose of assisting the board of regents and the department on matters of professional licensing and professional conduct in accordance with section sixty-five hundred eight of this title. The board shall be composed of at least three licensed orthopaedic technologists and at least three public representatives who do not hold interests in the 14 organization, financing, or delivery of orthopaedic technologies. Additionally, the board shall contain no less than two orthopedic surgeons. 16 Members of the first board need not be licensed prior to their appointment to the board. The terms of the first appointed members shall not exceed five years and may be renewed for a period of three additional years at the discretion of the commissioner.

20 § 2. This act shall take effect on the first of January next succeed-21 ing the date on which it shall have become a law.
