2 new subdivision 5 to read as follows:

8 voting. If the board chooses a public building for such purpose, the
9 board or agency which controls such building must make available a room
10 or rooms in such building which are suitable for registration and voting
11 and which are as close as possible to a convenient entrance to such
12 building and must make available any such room or rooms which the board
13 determines are accessible to physically disabled voters as provided in
14 subdivision one-a of section 4-104 of this chapter.

15 § 2. This act shall take effect immediately.
